Season 2026

Round 14

COACHES: JOSH PANETH, COREY JANKIE

U8 - SHARKS

VS

COACHES CORNER

MATCH REPORT

On a cold and rainy morning, conditions we thankfully hadn't seen too much of this year, the Sharks pulled on the jumper for one last time, playing three matches in the Lightning Carnival to see out the season. It was a great opportunity to see just how far the boys have come. We came up against some teams who had beaten us comfortably earlier in the season, and this time around the contests were much closer. For the coaches, that was probably the most pleasing part of the day and a great way to measure the improvement the boys have made throughout the year. At the start of the season, all we really wanted was to see the boys steadily improve as a team, enjoy their footy and, most importantly, have fun playing with their mates. Looking back on the year, we think we can safely say those boxes were well and truly ticked! It's been a fantastic season and the coaches have genuinely loved every week watching the boys develop their skills, grow in confidence and come together as a team. A huge thank you to all the parents, families and everyone who helped out with the many game day roles throughout the season. It's been a brilliant year and we couldn't have done it without you. What a season. Go Sharks! 🦈🦈🦈🦈

COACHES: JASON LEWIS, JOEL LEWIS

U9 - SHARKS

VS

COACHES CORNER

MATCH REPORT

The 2026 Lightning Cup arrived — our grand final — and with it, three games of round robin footy that this group of Sharks had been building towards all season. The weather at Highett for game one against St Kilda City was cold and wet, but conditions have never bothered this team. The message of the day was ferocity, and the boys delivered it in every contest, every tackle, and every hard-won clearance. Dominant, relentless, and completely on their game from the opening bounce. Game two brought the ultimate test — St Peters, the team widely regarded as the best in the competition. The Sharks took it right up to them in a first half that was as entertaining as anything we've seen all year. Physical, skilled, and fiercely competitive, this group proved once again that they fear no one and back themselves against anyone. Exactly the kind of footy that makes a coach proud. The final game of the Lightning Cup — and the final game of our 2026 season — was against Ormond, and the Sharks closed it out the same way they've played all year. Physical, tough, and bringing the brand of football that has become the hallmark of this group. What a way to end the year. What a season 2026 has been. The skill, the understanding of the game, and the enthusiasm shown by this group of kids has been nothing short of exceptional. A very special thank you to Joel Lewis and Daniel Lawrence for their incredible support and contribution throughout the year, and to every parent who stepped up and filled a role week in, week out — this team's success belongs to all of you. It has been an absolute privilege. Till 2027 — go Sharks! 🦈

PRIEST

COACHES: LANI SALOMONOVITCH, LEETAL SALOMONOVITCH, LILLY LEWIS

U10 GIRLS - JACKETTES

VS

East Malvern U10 Girls EVA

COACHES CORNER

MATCH REPORT

The girls came out firing from the very first quarter, putting everything they had into the game from the opening bounce. There was no waiting to find their feet; they were tackling hard, moving the ball with purpose and fighting right through until the whistle. From the moment the game got going, the girls were communicating, calling for the ball and making sure they were where they needed to be. They held their positions, backed each other up and kept themselves involved in the play. We saw some great passages of football, with the girls winning the ball, handballing to teammates and looking for the next option to keep it moving forward. When possession was turned over, they were quick to react, putting pressure on the opposition and working hard to win it back. There were plenty of moments where the girls could have switched off, but instead they followed the play and stayed involved. Whether it was crumbing a loose ball, getting to a contest, chasing down an opponent or making that second and third effort, they kept finding ways to contribute. They fought for every ball and never gave up until the whistle went. The quarter breaks were another chance for the girls to take a breath, listen and reset. They took the feedback on board and came back onto the field ready to put it into action. Seeing them make those adjustments, take control of their positions and apply what they had just learnt was fantastic to watch. And then came the celebrations! Every success was met with massive smiles, high-fives, chest bumps and, of course, plenty of cartwheels. The girls were just as excited to celebrate each other as they were their own achievements, making every good moment feel like a team moment. Having all our teams together for Girls Day made the day even more special. The girls had some fantastic cheer squads behind them, cheering, motivating and getting behind the team. They certainly gave them plenty to cheer about, showing exactly what they can do when they play for one another. A fantastic effort from every one of the girls. They showed determination, skill and plenty of fight from start to finish!

U10 - ROCKETS

VS

**Caulfield Bears U10
Mixed RAYNER**

COACHES CORNER

**"The season is measured not
in wins but in growth"**

MATCH REPORT

In frosty conditions early on Sunday morning, the Ajax U10 Rockets faced the Caulfield Bears in the final game of the home-and-away season. The Rockets started with a blast, producing in the opening seconds a passage that reflected the best of what they had honed all season. Gerber cleared from the middle, Mittelman won the ground ball and released by hand to Rynderman who injected speed and kicked truly to find Michaels, who rarely misses a shot on goal and didn't disappoint this time. It was arguably the team goal of the season. The Rockets maintained their offensive momentum through the opening term. Snyder's second efforts in the midfield ensured plenty of supply forward, Scher's crafty skills were on display, and Grosberg topped it off with a lovely goal. The second quarter was a much tighter contest. Nudel did the hard work through the midfield, while Weinberg used his skill and pace to deny the Bears opportunities. New took on several opposition players to clear the ball from defence, while Jolson roved superbly around the contest. Both teams battled hard through the middle with little impact on the scoreboard. The momentum swung firmly towards the Bears in the third until the coaches moved Gerber back to help stem the damage. Joffe was dominant through the middle, both in the air and at ground level, while Polyakov had a good look at goal only to be denied on the line. In the final quarter, the Rockets lifted their intensity again. Carp took a lovely grab through the midfield, while Krampel created opportunities up forward, leading to Frid taking a strong mark and finishing with a goal. It was a hard-fought contest and another example of how far the Rockets have come this season. Their tackling, intensity, teamwork and ability to link up by hand and foot were all on display. Next stop: Lightning Premiership.

HARVEY

COACHES: JOSH FRYDENBERG, MARK BENKEL, ELIOT SILMAN

U10 - SHARKS

VS

**Pahran JFC U10 Mixed
TAYLOR**

COACHES CORNER

MATCH REPORT

The Ajax Sharks made the short trip to Prahran on Sunday morning, with the prospect of playing one of the strongest teams in the division at 8am in the middle of winter a daunting one indeed. While it was a tough outing for the boys, missing the injured Fried who showed great team spirit to go and watch his teammates, there was no lack of effort or commitment to the cause. With the ball camped in defence for much of the game, the backline did extremely well to limit the damage and make it difficult for the Prahran forwards to find space. Segal did his best impression of a brick wall, repelling countless opposition entries, while Barber and Bechler's spoiling and one-percenters saved numerous goals. Jankie positioned himself well and took some excellent marks to stem the flow, while after being shifted into defence in the last quarter, Snow took four timely intercept marks to stamp his mark on the game. Frydenberg and Wibawa's ground level play, pressure and strong tackling were also important. The midfield battled hard against some seriously talented opposition. Silman was a constant force, driving the ball forward and often winning the ball despite being outnumbered. Kirschenbaum's pace on the outside gave the Sharks an outlet, while Benkel and co-captain Gomo laid repeated strong tackles and won some hard ball. Marcus continued his impressive first season with his ability to read the play and gather the ball cleanly under pressure, while the silky skills of Lipp and Wajsman were important on a cold morning where clean disposal was at a premium. It was a difficult day for the forwards with very limited supply. Despite that, Freilich and Noah Binstock never stopped presenting at the footy, Brand and Kolliner worked hard to limit Prahran's run out of defence and Josh Binstock and co-captain Gestetner provided a strong ground level presence in attack. A proverbial tough day at the office for the Sharks, but one that will no doubt provide learning and growth opportunities in their development as footballers. The boys' effort never waned and they showed great character to compete until the final siren.

COACHES CORNER

"Channel Your Champion!"

MATCH REPORT

Round 14. The final game of the year. St Kilda City at home. The stage was set. Inspired by the great Michael Jordan and implored by their coaches to "channel their champions", the Stars hit the ground running. A gallant effort by A Goldberg in the ruck set the tone in a competitive opening term. STKC started strongly, banging on the first two majors, before a masterstroke from Coach Feutrill saw Chaiton sent forward with immediate impact, putting the Stars on the scoreboard. Down back, Dreyfus and Grynberg were solid as a rock, ensuring the Stars remained within striking distance. The second term saw the engine room fire into gear, with Sahar, Lipson and Siton linking up repeatedly and using the ball particularly well to hit up Schwartz and Lewis, who once again peppered the scoreboard. At the other end, Korbl and, in particular, Perlman asserted themselves in defence, keeping STKC goalless for the quarter and allowing the Stars to wrestle back momentum. A half-time coach's rev-up saw Klinger lock down on the opposition ruckman, who was subsequently sent forward with great effect. In the middle, E and J Goldberg got going, giving Spektor the opportunity to do what he does best - crumb another goal for the Stars! The highlights of the quarter, however, came from a couple of bone-crunching tackles. First, C Goldberg, Jack Viney-like in the back pocket, threw himself into the contest with a huge tackle. Then Rubenstein, in the centre, produced a brilliant effort to save what appeared to be a certain STKC goal. The final term saw the Stars begin to reap the rewards of their hard work throughout the afternoon. Blankfield lit up the forward line once again, slotting through a well earned goal. But the highlight of the afternoon came from Feutrill. Winning the ball from a ruck contest, he wheeled around and somehow slammed it home from the boundary line for his third major of the day. Cue pandemonium. And then, before long, it was all over. Happy faces were aplenty as the boys headed back to the rooms, where captain Max Joseph led the team in a memorable - and long overdue - rendition of: "WHO ARE WE?! WHERE ARE WE?!" A fitting way to finish the home and away season!

ZUCH, ALESSI

MATCH REPORT

It came down to this. 4 V 5. The final finals spot was up for grabs. The Vampires had held the spot all year, but our Rockets were coming off a solid run of form including ending Bentleigh's finals hopes the week before in a tough away game fixture. With a ~4 goal breeze favouring the Davey Warner stand end, captains Grosman and Reti-Waks decided to kick against the breeze to start the game. Adelst was the spare man in defence, with no requirement for a 6-6-6 setup. The captains led from the front, winning territory and an early Newstadt snap got the ball rolling. Although the Vampires scored two late goals, going in at quarter time a goal down felt like a win. The weather had a Mary Poppins scale change at quarter time, with the wind all but dying and the drizzle kicking in. The second quarter was an arm-wrestle, with neither team gaining much ascendancy. Janovic helped the backline hold their own, while Israel played forward and was a dashing presence. The third quarter was all Rockets, with the mids getting on top and the forwards doing their part to pin the ball in the forward 50. Sack and Golshtein were awesome, both kicking goals including a crisp set show from a sharp angle by Golshtein. The momentum was ours coming into the last quarter. Grosman in his 50th was enormous and seemed to be everywhere. Unfortunately a couple of early goals from the Vampires shifted the momentum back their way. And while we dug deep and played some Kamikaze footy, it wasn't to be. A credible game, a credible season which we'll look to finish off strongly in the final round next week.

SHULMAN, JAMIE

MATCH REPORT

The Sharks were left to rue another slow start, going down to Ormond at EE Gunn in blustery conditions. After inspiring speeches from captains Zeli Goldman and Dovi Landau, the stage was set for a big one. Unfortunately though, the boys looked asleep for the first half - we lacked aggression at the ball, were loose in defence and just didn't look like we wanted it enough. Kowadlo, Dzienciol and Golshevsky all stood up but the team effort wasn't there and Ormond were able to do as they pleased. After copping a spray at half time the Sharks finally got hungry for ball and started getting the game more on their terms. Gabizon and Lamm became the dynamic duo through the middle, their run and carry game outstanding. Ramler's work on the wing was again brilliant, the vision and execution of his inside 50 kick to Golshevsky a highlight of the game. Jamie Shulman took control of the defensive goal line and fought hard to save multiple goals. The boys should be proud of their efforts in the second half but we're hoping for a complete four quarter effort to cap off the season next week.

MATCH REPORT

The penultimate round of the season took the Stars to Hampton East... or Moorabbin West... depending on who you ask. Either way, geography, much like our football, has improved enormously this year. We now know where to stand on the ground... and where not to. Well... mostly. Despite sitting below us on the ladder, there was no chance the Stars were taking this game lightly. After all, East Brighton had beaten us earlier in the season. Last week's win over the ladder leaders? That was last week. This was a new game. And from the opening bounce, the Stars were switched on. Like a star combusting into a shooting star, the boys exploded from the blocks, kicking 3.3 to 0.2 in a blistering first quarter. The pressure was relentless, the tackling fierce and the ball movement the best it has been all season. The second quarter continued in much the same fashion. The Stars added another three goals while restricting the Vampires to just one, taking a commanding lead into the main break. The scoreboard may have looked comfortable. The coaches didn't notice. No cuts would be shortened. No grass would be left long enough to turn into moss. And no parent was going home thinking effort had been optional. The standards stayed exactly the same. With the game under control, the second half became an opportunity to challenge the boys. Players were moved into unfamiliar positions, and they embraced it brilliantly. Special mention to our regular full back Barnaby Gauvin, who pushed forward to kick a terrific goal. Toby Michaels and Uri Tuksar both came agonisingly close to adding their names to the scoresheet as well. Led superbly by captains Levi Friedman and Arlo Ezekiel, the Stars continued to run, create space and look for teammates in better positions. The final score wasn't important because of the margin. It was important because of how it happened. Goals were shared. The ball was shared. The moments were shared. Because that's what good teams do. Next week brings the final game of the home-and-away season. The ladder leaders await once again. If we're good enough... We are good enough. Bring it on. Go Stars

MATCH REPORT

Round 14 was the inaugural Festival of Girls Footy. Four girls teams all playing at Princes Park. The U10s, U12s, U15s, U18s, girls aged between 7 to 18 all cheering each other on. There were ribbons, banners, celebrations and screams of joy. With 92 Jackettes running wild what we really needed was ear plugs for the coaches... Kicking into a stiff 4 goal breeze the Jackettes did well to keep the opposition to one goal and control the ball within our forward 50. Milla Gold had hands like glue. No matter where the ball went it managed to stick to her at every opportunity. Marking, kicking, setting up our forwards, much like her surname she gave a gold winning performance. It may have been gloomy, cold and windy, but quarter two was our turn to shine. Isabel was brilliant. Not once but twice she kicked truly. The only one happier than her was her dad, who charged the field like a teenage girl. The only one who was slightly upset was her sister, knowing that for Round 14, it was Isabel and not Olivia who kicked more goals within the Susman family. Erica vowed she wasn't going to leave without the 4 points. She marshalled her troops, controlled the midfield, created turnovers, and kicked what to ageing eyes looked like a 100m drop punt straight through the big sticks. With the wind howling Millie was kicking the footy to the left and right of the goals, and despite her mum crossing her fingers and toes from the sidelines the ball went everywhere but through the middle. Considering Mirelle brought an entire cheer squad to the game from Israel, it was fitting the crowd erupted when she kicked a goal just before the final siren. What a way to finish a game.

MATCH REPORT

The Under 12 Jets came up against fellow Ajax Under 12 Falcons in a tough contest, with the Falcons ultimately proving too strong on the day. From the opening bounce, the Falcons looked hungrier, quicker to the ball and more polished when they had possession. Their ability to win contests and move the ball cleanly and quickly up the ground put the Jets under constant pressure. To their credit, the Jets never stopped trying. They battled hard, competed for the ball and continued to look for opportunities, but struggled to find the same fluency with their ball movement. Too often, the Jets were forced to defend rather than build sustained attacking passages. The Falcons deserved the win, showing greater speed, skill and composure with the ball. For the Jets, it was a valuable reminder of the intensity and precision needed to compete against strong opposition. The boys will look to take the lessons from the game and bounce back next week. A big thank you to the committee for allowing and facilitating the night match. It was a great experience for the boys and hopefully one they'll remember for a long time. It was also fantastic to see the good spirit and respect shown between all the Ajax Under 12 boys across the year level. While the teams are competitive on the field, there is a genuine sense of mateship and support between the boys, which is something the whole club can be proud of.

MATCH REPORT

The Comets had a bit of a stumble two weeks out from finals, going down to Brighton Beach. Despite controlling possession and territory for some decent patches of the game, the boys just couldn't quite get anything going up forward and, overall, weren't quite consistent enough with our effort and output across the full four quarters. Kagan, Blustein and Raleigh competed hard all day and did their best to drag the Comets over the line. Janover was another who stood tall down back and never stopped trying. We'll pick up the pieces and move on very quickly from Sunday. I have no doubt the boys will kick back into gear this week and get things back on track, just like they've done all season.

MATCH REPORT

In what was always going to be a tough match going up against the top of the ladder, the Ajax U13 Jets unfortunately fell short against the Beaumaris Great Whites. Though, despite the final score, the way the boys played showed unquestionable signs of genuine progress both in their skills and teamwork. The first half was our best of the day. As usual the boys came out fierce and hyped and it was evident in the pressure and a genuine hunger for the ball showcased by all our players. Our ball movement is one of the clearest improvements the boys have worked for and made this season. They played smart footy, were composed, moved the ball cleanly and incorporated more players which brought about a genuine battle between the sides as the ball slung in and out of each others forward 50. Unfortunately we weren't able to capitalise on our opportunities which has been a pretty heavy theme throughout our season. The second half proved more difficult. As the game wore on and Beaumaris maintained their pressure and running intensity, they started breaking through our structure and converted their opportunities with impressive efficiency. It was a harsh reminder of the importance of bringing focus and intensity to all four quarters - a lesson the team will certainly carry into the final game of the season. Some of the most impressive qualities possessed by every player in the team are their unmatched perseverance and uncompromising will. Through a not so easy season of footy, the Ajax Jets have held their heads high week to week, showed up, and gave it their all, all while lifting up others around them. They've never stopped competing and always come ready the next week to tackle the next challenge together as a unit. With just one game remaining in the season, we're coming in hungry for a win. The boys have shown how much they love footy and getting to run out on the field every week. The passion will be on full display next week as we send the season out right. Go Jackas

MATCH REPORT

The Falcons took on the ladder leaders in a great test of where we stand heading into the finals. Unfortunately, while the game started at 8am it seemed that we didn't really turn up to play until after quarter time. Defending against the wind in the first quarter, our contest game was not where it needed to be and we were punished on the scoreboard. The margin could have been a lot worse if not for the efforts of our defenders, particularly Koby who took some critical intercept marks. The rest of the game looked a lot more like a Falcons game, with our boys putting their head over the ball, running hard and tackling ferociously. We still struggled to move the ball forward, kicking to their bigger players too often, but we did have some nice passages of play when we used the corridor and spread the ground. We need to continue to move the ball quickly and at angles to be able to generate more scoring opportunities and we will continue to train this. With the result having no real bearing on our finishing ladder position it was a great opportunity to trial some players in different positions and roles and to rotate the bench to give every player a rest. Nate and Menachem did an excellent job quelling the opposition's best player and Rudy and Aiden gave us some good drive from half back and the wing. We also saw Avi, Rafi B, Alfie, Kivi and Rafi E all show their toughness in this game, hunting the ball well, which will hold us in good stead. While we weren't able to win the game, we have learned a lot about what we need to do if we play this team in a few weeks and take a lot of confidence from our ability to match them in the contest during the last three quarters. Well done Falcons.

AJAX Comets v PahranWhat a win! We travelled to Pahran's home ground (Toorak Park)- an absolute fortress knowing we were in for a battle under lights in the twilight game.4th placed Pahran came out firing and kicked the opening goal within 30 seconds of the bounce. Our backline stood tall, with Miller Janover, Sam Schwartz and Levi Teperman incredible under pressure, while Gabriel Ben David just kept killing the ball over the boundary. Pahran somehow slotted another from a crazy angle, but we steadied and went into quarter time with confidence.The second quarter became the Blake Carew show! Blake was everywhere, Jagger Jolson was tough at the footy and Ness Page started getting on top in the ruck. Arlo Smith took some great marks and kicked a goal before a string of passes led to a Carew burst from the middle and nailed another. Leo Rochman was dynamic up forward and added another as AJAX hit the lead by halftime.The third was an arm wrestle. Jake Davis took some strong grabs and slotted a goal, while Carew added another brilliant running goal. Benji Norton provided the highlight, fearlessly throwing himself into two huge marking contests.The final quarter was pure grit. Ness worked tirelessly, while Teperman, Charlie Burman and Sam Zamel never stopped competing repelling numerous forward advances.The boys held on for a brilliant 6-point win and their hard work over the last few weeks has paid off!Go Jackas! 🏈🏈

MATCH REPORT

Round 14 brought a huge opportunity for the Jets to bounce back from 2 straight losses against 5th placed Prahran, with exciting milestones for Max Steinhardt and Max Raleigh, both playing their 100th games. A significantly improved Prahran side came out strong, securing a quarter time lead and proving that they were up for the fight. The Jets responded hard in the second quarter, dominating possession and having 10 scoring shots although only kicking 1 goal. The game became a battle for territory, and another strong quarter saw the Jets lead at 3qt. Prahran refused to give up, and fought extremely hard in the 4th quarter but the Jets were relentless in defence and shut down the game. A magnificent goal from Hoff on the boundary secured the win for Jets and guaranteed our spot in the finals. With our first, second and third choice ruckmen all unavailable, Josh Yates was thrown in the deep end and played an inspiring game, having a season best performance. Unglik and Gerber were simply exceptional on each wing while Mittleman and Raleigh were brilliant in the midfield. Goals to both milestone Max's capped off a superb day for the Jets.

MATCH REPORT

What a special day down at Princes Park for Girls Round!The game was opened in the best possible way, with our U10 girls leading the U15 girls onto the field for a guard of honour. Seeing the U10s run out alongside the girls was a fantastic moment and a great reminder of what our girls' program is all about - creating opportunities, connection and inspiration across all age groups.The support didn't stop there. Our U10, U12 and U18 girls lined the sidelines throughout the game, cheering loudly and proudly for the team. The fantastic signs and constant encouragement created an amazing atmosphere and made the day feel like a true celebration of girls' football.Unfortunately, the result didn't go our way, with the girls going down by just one goal. But there were plenty of positives to take from the performance.Coming off a big loss last week, the response from the girls was something to be proud of. The team showed plenty of fight, resilience and determination, and continued to compete right until the final whistle. To bounce back from last week and put ourselves in a position where the game was decided by just one goal says a lot about the character of this group.Erin, Liv, Aria and Lotte were dangerous through the midfield, creating plenty of opportunities and putting pressure on throughout the game. Whilst, Ella and Dana were strong in the back, working hard to keep us in the contest. But honestly, we could name every girl today. Everyone played their role, worked for each other and contributed to a much-improved team performance.Great work girls. Lets make round 15 one to remember!

MATCH REPORT

The Saints were just too good for us today. We need to collectively come wanting to win and be competitive from the first bounce. There were still plenty of positives to take. Isaiah had arguably his best game of the season, while Asher Cohen stepped up in the ruck and gave us a strong performance. Reuben showed exactly what commitment looks like when he was absolutely crunched by two opposition players more than twice his size, only to get straight back up and keep going. One game to go – let’s finish the season with a win and give it everything we’ve got. Mazeltov to A.K on getting to his 100th, that’s a massive achievement and one you should be proud of. All the best to Nadav and Smudge, who both left the game early with injuries.

MATCH REPORT

On Sunday we travelled away to take on finals aspirants East Sandringham. Unfortunately, we had lost a few soldiers during the week and from the previous game, providing a great opportunity for players to take on slightly different roles. With a tough breeze blowing, we conceded the first goal kicking into the wind. However, we weren't without our own opportunities and, by the end of the first quarter, our boys had wrestled control of the game after East Sandringham came out strongly and really took it up to us. The boys made adjustments in real time, understood the conditions and adapted their game, which played a big role in taking a lead into the first break. In the second quarter, with the breeze in our favour, our focus was to move the ball quickly and play to the open side of the ground. We did this really well, kicking three goals while maintaining strong defensive pressure and keeping our opposition goalless. After setting up a strong lead, we were outscored in the third quarter, aided by some inaccurate kicking from our opposition. This is an important learning for us – we need to continue to play the conditions and remain strong defensively when our opposition gets a run on or when the conditions favour them. At the start of the last quarter, we kicked some early goals to put the game away before doing what was needed to finish strongly and keep the result in hand. Kai played his best game since returning to the team. His speed and smarts around the forward line are a massive strength for us, and it was great to see him finding some form at the right time of the season. Max body-lined the ball on numerous occasions and always backed his decision-making to come forward and defend. He is having a great season in his role. Jesse moved into the midfield on the back of a really strong training session and played his role exactly as requested, laying tackle after tackle and being fearless as always. Jack continues to be in great form, impacting contests both in the air and on the ground. Keep up the great work, Jack. Tzvi was cool and composed, especially late in the game, making full use of his possessions and getting us out of some tight situations. Liam danced around opponent after opponent and got on the end of some goals, a great reward for his hard work throughout the game. Our communication across the team also improved this week, with players calling out loose opposition and communicating to teammates about the mode we wanted to play at different stages. The opposition coach commented positively on this after the game, reinforcing how important this will be come finals. The team continues to build in the lead-up to finals. It is important that we maintain this momentum and

total team buy-in. Go Jackas!

MATCH REPORT

For round 14 of the Home and Away Season, AJAX hosted Ormond at 2:45pm at Princes Park. With both teams in need of a win to lock in finals, and the loser of today's game likely to miss, the stakes could not be higher. In addition to this, we also congratulated Asher Friedman on his 50th game for AJAX. Pre-game, the boys spoke of what it would mean for us to play finals, how badly we wanted to tick that goal off our bucket list and how every single person was going to play their role to help us get over the line. During the first quarter, Ormond started hot, kicking the opener within the first minute. This woke the boys up who responded with the next 3 goals to take a 3.2 20 to 1.0 6 lead at quarter time. In the second, Ormond had most of the play, but the boys dug deep and defended with everything they had, holding the opposition to 1.5 11 in the quarter while we were held scoreless. This left us with a 3 point lead at half time 3.2 20 to 2.5 17. At half time, we reflected on not just the game, but how everyone could go out there and make a difference. 40 minutes separated us from making finals or having to do it the hard way. Every single young man in that locker room wanted to own the moment, and put each other on their own back and make a difference. In the third, the boys defended some repeated entries from Ormond, however, defended extremely well and forced behinds. While when we got our chances in the term, we made them count, converting our 4 scoring shots in 2.2. This gave us a 13 point lead at 3 qtr time 5.4 34 to 2.9 21. At 3 qtr time, we knew we were extremely capable of winning this game, the boys could feel it, the energy was up. Everyone wanted to contribute. With a stoppage driven 4th quarter, Ormond converted their chances scoring the first. We had a quick rely and so did they. But a late sealer from Noa Fridman with 4 minutes left put us 3 kicks ahead and we'd done it. Winning the game 7.8 50 to 4.9 33. This was the spark the boys needed after an up and down second half of the year. This was the most determined win we'd had all year and I am extremely proud of the efforts from the boys today. We take on the undefeated East Sandy next week for the final round of the home and away season, and we look forward to a battle with the best before we get stuck into the pointy end of the year. But as a coach, I am extremely proud of all of the boys to get this far and now we get to see how far we go. Thanks to the U16 boys who filled in today as well.

MATCH REPORT

Massive response and back to our best as the boys came away with a convincing win. Magnets were thrown around as we looked to create a more dangerous front half, and capitalise on most of our opportunities forward of centre. The mids were a strong point led the way by Zac Onas, Alon Noriskin and Nick Rothschild. Our back 6 was composed and very strong even though being undermanned with key pillars Jake Rosenbaum and Max Oliver starting well with a few intercept marks. We were able to get our transition game going strong with runs from Joah Scher, Noah Goldberg, Ty Raleigh and Nick Burstyn. Important win as the boys look back to playing their best team-first brand of football as we approach an exciting finals campaign.
