CREPE PAPER “RUN-THROUGH BANNERS”

Banners are hand-made and priced according to size and the number of characters made as detailed below:

- **\$110 banner includes to 15 characters on 3 rows** (total height paper = 1.5m) on sticks 1.5-1.8m long.
- **\$160 banner includes up to 23 characters on 4 rows** (total height paper = 2.0m) on sticks 1.8-2.4m long.
- **Extra text will be charged at \$10 per 3 characters** over the 15 and 23 limits for the \$110 & \$160 banners respectively.
- **AJAX logo and personalised singlets** can be added for \$10 each (see samples below).
- Banners are delicate and dissolve in water so cannot be unfurled in the rain. Most club-rooms have a cover over the door so in worst case scenario banners need to be set up under cover such as overhang outside changerooms.
- Proceeds from the funds raised go to the **AJAX Football Club** after a small proportion is retained to purchase materials. **Over \$38,600 has been raised for AJAX since 2007.**
- On confirmation of your wording, a photo of your banner will be emailed to you when it is ready for collection. Please include the height of the athlete/s so sticks of appropriate length can be selected accordingly. Note that the length depends on stock at the time of ordering.
- An additional refundable deposit is due (\$20) with payment when the banner is collected from 14 Grant Street, Malvern East – to ensure return of the sticks.
- Examples attached.
