## CREPE PAPER “RUN-THROUGH BANNERS”

Banners are hand-made and priced according to size and the number of characters made as detailed below:

- **\$110 banner includes to 15 characters on 3 rows** (total height paper = 1.5m) on sticks 1.5-1.8m long.
- **\$160 banner includes up to 23 characters on 4 rows** (total height paper = 2.0m) on sticks 1.8-2.4m long.
- **Extra text will be charged at \$10 per 3 characters** over the 15 and 23 limits for the \$110 & \$160 banners respectively.
- **AJAX logo and personalised singlets** can be added for \$10 each (see samples below).
- Banners are delicate and dissolve in water so cannot be unfurled in the rain. Most club-rooms have a cover over the door so in worst case scenario banners need to be set up under cover such as overhang outside changerooms.
- Proceeds from the funds raised go to the **AJAX Football Clubs** and to other charities after a small proportion is retained to purchase materials.
- **Over \$61,000 has been raised for AJAX since 2007.**
- Please advise by email - text, pictures, singlets, etc for banner & height of the player for stick selection (note that the stick length depends on stock at the time of ordering).
- On confirmation, a photo of your banner will be emailed to you when it is ready for collection.
- A \$20 deposit on the sticks will be refunded on their return preferably after the game. Sticks are reused for other players the following week so if sticks aren't returned promptly, the \$20 may be used to purchase another set & you can keep the set you have.
- Banner collection & stick return from/to 14 Grant Street, Malvern East.
