U8 - ROCKETS

VS

**Prahran JFC U8 Mixed
ROWBOTTOM**

COACHES CORNER

MATCH REPORT

It was great to be back at Princes Park on a fresh Sunday morning! The first quarter was hotly contested as the boys adapted to the conditions, Prahran started strongly and had our backs working overtime. There were some tough defensive efforts as we tried to stem the flow. In the second quarter it was a see-saw battle as the ball moved quickly all over the ground. When it went forward, our boys were linking well together, looking for the open player and sharing it around. In the third quarter our midfield had a battle on their hands as Prahran moved the ball well. Our defenders were tightly manned up which created plenty of contested footy in the back half and forced turnovers. In the final quarter the boys did not stop trying and gave it their all. The boys should be very proud of their effort and how they never gave up! Looking forward to the final block of matches after the holidays and the continued improvement.

U8 - SHARKS

VS

**St Peters U8 Mixed
ROBINSON**

COACHES CORNER

MATCH REPORT

The Sharks took on St Peters on a chilly Sunday morning, and the coaches could tell from the moment the boys arrived that there were a few sleepy eyes around. To be fair, asking a group of 7-year-olds to be ready for footy at 7:30am in 7-degree weather is no easy task! That slow start carried into the opening quarter, with St Peters coming out strongly and taking the early advantage. But to the boys' credit, they never gave up. Each quarter was an improvement on the last as the Sharks lifted their intensity, pressure, and teamwork. By the final quarter, the momentum had completely shifted. The ball spent the majority of the time in our forward line, and the boys made the most of their opportunities, converting multiple scoring chances to finish the game on top. It was a fantastic turnaround and a great reward for sticking with the contest. After the game, the coaches spoke to the team about the importance of staying engaged, even when things don't go our way early. This match was a perfect example of how persistence, effort, and believing in ourselves can completely change the course of a game. A terrific fightback from the Sharks and another valuable lesson learned. We're looking forward to seeing the boys bring that final-quarter intensity from the opening bounce when we return from holidays!

U8 - STARS

VS

**Mordi-Brae U8 Mixed
EDIN / FRAZIER**

COACHES CORNER

"Great first half of the season. Enjoy the break!"

MATCH REPORT

Round 10 saw the stars head to Mordi-Brea. Whilst it was chilly the sun was out and it was a beautiful morning for footy. We started the game really strongly and were dominating out of the middle which gave our forwards plenty of chances to score. The most pleasing aspect was seeing the boys share the footy around and link up with each other. One passage of play saw us bring the ball out of the backline to a player on the wing, they then kicked it to a forward who took the mark. He kicked it to another forward in the goal square who slammed home the goal. After the first quarter the opposition matched us around the ground but the boys kept their effort up throughout and we even managed to kick a few more goals. Overall it was a great effort and you could see the boys had a lot of fun out there. This was easily the best game we have played and a great way to go into the school holidays. Enjoy the well earned rest

COACHES CORNER

"Tackle Hard, pressure,
pressure pressure."

MATCH REPORT

Ajax U9 Rockets Match Report – Sunday Morning at Princes Park It was a perfect Sunday morning at Princes Park as the Ajax U9 Rockets took on Mordi Brae in beautiful football conditions. Despite having several of our regular players away, we were incredibly fortunate to welcome some fantastic fill-in players who slotted seamlessly into the team and gave their all from the opening bounce. Captains Kahn and Kramer proudly led the Rockets onto the field, showing great leadership and determination throughout the game. Mordi Brae came out firing and dominated the first quarter, kicking five unanswered goals to put the Rockets under plenty of early pressure. To the boys' credit, they never dropped their heads. Instead, they responded the best way possible—by playing as a team. Their ball movement improved with every quarter, they looked for teammates with smart passing, and their relentless pressure around the contest made it harder and harder for Mordi Brae to move the ball. The Rockets chipped away at the margin, showing tremendous resilience and teamwork. By the final siren, they had fought their way back to within just a few points, an incredible effort considering the early deficit. Sussman provided one of the highlights of the day, kicking two sensational goals that lifted the team and the crowd. Every player contributed, whether it was with courageous tackles, second efforts, strong defence or unselfish team play. The fill-in players blended brilliantly with the group, proving just how strong the Rockets' team spirit is. The boys should be immensely proud of their effort. They played with heart, supported one another, and never stopped competing. Most importantly, every Rocket walked off the ground with a smile, having had an absolute blast playing the game they love. Go Rockets!

U9 - SHARKS

VS

St Peters U9 Mixed CICCARELLA

COACHES CORNER

MATCH REPORT

The Sharks lined up against St Peters for another crack at one of the competition's toughest matchups, and the boys came ready to work. St Peters always bring a physical challenge, and today was no different — but this group has never shied away from a contest, and they showed exactly why once again. The defensive effort was outstanding from start to finish. The tackling was fierce and frequent, with the Sharks making life as difficult as possible for their opponents at every turn. Up against taller opposition, the boys worked incredibly hard to match it physically — and they did. That kind of determination in the face of a size disadvantage speaks volumes about the character of this group. The ball use out of defensive 50 was a real positive to take from today. Rather than forcing the ball into dangerous situations, the Sharks were measured and composed, moving it solidly from the back half and relieving pressure with good decision making. Equally pleasing was the willingness to hold onto the ball and find a handball option rather than firing off a quick kick to nobody — smart, disciplined footy that keeps possession and rewards the team. Another tough, honest performance from a group that never stops competing. St Peters is always going to test you, and the Sharks met that test with defensive grit, hard running, and intelligent ball use. Plenty to be proud of and plenty to keep building on. See you next week, Sharks! 🦈

U10 GIRLS - JACKETTES

VS

East Sandringham Zebbies U10 Girls Yellow

COACHES CORNER

MATCH REPORT

The girls came into the game full of determination, confidence, and a real spark of energy. From the opening whistle, they showed great enthusiasm and a strong willingness to go after every ball. It was fantastic to see them put into action what they have been working on at training. The girls showed courage and effort across the field, making strong tackles, chasing hard, and continuing to compete throughout the game. Even when things didn't go their way, they kept trying and stayed positive. One of the standout features of the game was how well the girls communicated and worked together. They helped each other get into the right positions, supported one another during play, and showed great awareness of being part of a team. Their teamwork and encouragement really lifted each other throughout the match. The goal celebrations were also a real highlight, with cartwheels, flips, handshakes, and lots of big smiles and laughter. The joy they showed after scoring was fantastic to see and reflected how much they enjoy playing together. The girls continue to amaze us each week with the improvements they are making, and Sunday's game was another great example of their effort, teamwork, and growth. They should be really proud of how they played and the way they supported each other from start to finish.

McGUIRE**

COACHES CORNER

**"Every chase, every tackle,
every effort matters!"**

MATCH REPORT

On a beautiful sunny winter morning, the U10 Sharks took on Bentleigh Demons away, in perfect conditions for football. Led by co-captains Segal and Silman, the boys produced one of their most spirited performances of the season in a fast, competitive contest. The Sharks were given an early spark when Barber's hard work was rewarded with a terrific snap on goal. Bentleigh brought plenty of speed and moved the ball well, but the Sharks continued to respond at every challenge. Segal was immense all day, winning plenty of the footy, competing fiercely around the contest, helping to limit one of the opposition's most dangerous players, while also providing plenty of drive from defence and the midfield. Jankie read the play beautifully, intercepting opposition attacks, marking strongly and finding good options down the ground. Silman and Lipp battled hard in the ruck and around the contest, laying tackles and linking teammates with quick hands. As the game wore on, Lipp became increasingly dangerous forward of the ball and played an important role in the Sharks' strong finish. Fried was outstanding up forward, dominant overhead, hitting the scoreboard and delivering beautifully to teammates, while the Binstocks looked threatening whenever the ball entered attack. The Sharks' pressure never dropped. Frydenberg's tackling and relentless hunt of the footy won him plenty of possessions and created opportunities up forward, while Wajzman's hard running and trusty left foot helped drive the ball forward time and again. Bechler was given some tough assignments and stood tall, applying excellent pressure in defence, while Kirschenbaum provided plenty of spark with his speed and willingness to take the game on. Marcus produced a brilliant game and saved some of his best football for the final quarter, intercepting the ball, weaving through traffic and launching repeated attacks. The Sharks were also superbly supported by courageous fill-ins Harel and Strauch, who read the play well, found plenty of the footy and finished strongly around goal. Michaels worked tirelessly up forward, presenting well and creating opportunities at goal all day, while Gerber was simply outstanding throughout, winning contested possessions, stopping opposition attacks and driving the ball forward with his penetrating kick. The boys finished the game with a dominant final quarter, fighting until the final siren and playing for each other. They should be proud of their relentless effort - another terrific step forward for a group that continues to improve.

HUDGHTON

COACHES: WILL FEUTRILL, MICHAEL LIPSON, JASON BLANKFIELD

U10 - STARS

VS

**East Malvern U10 Mixed
REEVES**

COACHES CORNER

MATCH REPORT

The Under 10 Stars knew this week would be hard with many of our team already heading for warmer climates out of Melbourne and this task got that little bit harder with Spektor a late out. This meant that we were down to 16 to take on the might of a full strength East Malvern. The first quarter saw a dominant EM midfield continue to put pressure on our back 5, but the response was impressive. Skipper Perlman, Korbl and Chaiton, took on the task of repelling repeat entry after repeat entry, building a wall that was incredibly difficult to pass while we saw Jonah G and Lewis try to put pressure on to stop the flow, we went into quarter time needing a lift. The second saw the introduction of Sahar to the midfield with immediate impact. A Goldberg played a phenomenal game in the ruck, tackling hard and holding his ground. Up forward, Feutrill demonstrated a new found strength in attack and showed poise in his decision making as the intensity lifted across the group. Blankfield showed pace again and brilliance in tight and in the third, a beautiful passage of play saw Grynberg lace out Joseph for what was almost goal of the day. A return of Lipson to the midfield had immediate impact with his pace and ground coverage only outmatched by his father as runner. E Goldberg continued his attack on the ball whilst Schwartz responded well to a switch to the backline to cover an injury. In the last, the boys dug deep to ensure we didn't lower our colours. Captain Dreyfus was unbeatable at full back all game and C Goldberg showed amazing grit and strength to run out the game despite having surgery during the week - a real star's courage. Whilst the result was not what we wanted (not that anyone keeps scores) the effort was absolutely unquestionable and we go into the break knowing what it will take to be competitive after the holidays.

MATCH REPORT

You could tell the boys were on today. Our ‘foundations’ (teamwork, contest, tackle) were understood and needed no reinforcement from the first bounce. I wouldn’t have wanted to be a St Peters player today against the ferocity of every single Rocket. By establishing the foundations early, we could focus on playing our game – bring the ball to ground then use our speed and skill to sweep the ball forward. The midfielders were first class. We regularly won clearance, giving forwards repeat opportunities throughout the game. The opposition didn’t have an answer for the skill and speed of Borowski, Reti-Waks, Sack, Grosman, Latowicz and Weinberg. All brought a mix of toughness and finesse even chiming in for 6 goals between them. The backs were incredibly effective, repelling everything the opposition threw at them. Only one goal conceded against a mid-table div 2 side is no small feat. Leigh was once again huge down back, never giving an inch (he also relished a run up forward and showed his versatility). Ben Zur and Zuch continue to build, with the former tough as nails and the latter showing his smarts and ability to read the play. Down forward, Kaltmann continued his impressive form and was always dangerous around the ball. Jackson also showed his versatility, moving from full back to centre half forward, providing a focal point for his midfielders and doubling two goals himself. Golshtein also warrants mention playing multiple roles throughout the day. Finally it would be remiss not to mention our departing friend Eden Lipshutz. A great team mate, ferocious competitor and today’s captain. He played (another) excellent game today. We’ll miss you and while the Tel Aviv Rockets might not be an appropriate team name right now, make sure you keep your footy up over there.

MATCH REPORT

This was one for the ages. With half the Sharks dispersed to sunnier pastures somewhere across the globe, a new look team rocked up to Le Page Oval to battle Cheltenham. Playing one man down against a taller and physically aggressive opposition, the boys knew they were going to have to play their skins out. After inspirational Captain's speeches from Benson Colman and Eyal Ratner, the boys took to the field with their tasks set. Stifle opposition ball movement. Play in front. Own the contest. Explode on the rebound. From the opening bounce, our midfielders were ferocious. Ruckmen Carroll and Holcdorf repeatedly put their bodies on the line, allowing Dzienciol, Lamm and Majman to get first hands and dominate clearances. Yoni Gabizon was mercurial, unstoppable, untaggable, winning ball wherever he was, gliding past opposition and hitting up team-mates. Silverman and Blachman prowled the half-back line, intercepting and rebounding like Generals. Ratner, Silman and Shulman all stuck to their tasks of shutting down the Panther's forwards. Karp, Kowadlo and Krampel dominated on the outside with hard two-way running down the wings and always looked dangerous. Efraim and Jonah Goldberg, together with Colman in the forward line, kept creating headaches for Cheltenham. Efraim's repeat efforts on the goal-line in particular provided a huge spark for the Sharks. This was a huge effort from every one of the boys. After trailing for most of the game, they managed to keep their heads up, keep going, keep contesting, keep running for each other. The work-rate was immense across the board - not a single Shark left anything out on the field. Hard running, second efforts, bodies on the line, linking up. Everything we've been working towards and it paid off it spades. Enjoy the break Sharks, come back in 3 weeks hungrier than ever!

MATCH REPORT

Three wins in a row.....then school holidays arrived!With almost a third of our squad unavailable, several fill-in players and three of our starting back six missing, the Stars faced their biggest challenge of the season against the Waverley Hawks - the team with the strongest percentage in our division.And what a challenge it was.The scoreboard says we lost 58-13.But if you were there, you'll know that wasn't the whole story.The Stars came to play.The pressure was fierce. The tackling was strong. The chasing never stopped. The Hawks are a very good football side, and they made us pay when we made mistakes. Missing three key defenders certainly didn't help, but our boys never took a backward step.There were also one or two umpiring decisions that may have had our team manager/s quietly checking the rule book... but that's footy!The important thing?We didn't let it change the way we played.We kept bringing the heat.We kept supporting each other.We kept competing.And that's becoming our trademark.The result didn't go our way this week, but strangely enough, the coaches walked away incredibly proud.Because we're no longer hoping we'll bring pressure...We're expecting it.We're no longer reminding the boys to compete...That's simply who they are now.The scoreboard will remember the result.We'll remember the effort.And if we keep playing footy like that, there'll be plenty more wins before the season is over.Go Stars

MATCH REPORT

The sun was definitely shining for the Jackettes on Sunday morning, but it took us a little while to wake up. It looked like a few of the girls were still enjoying their beauty sleep. We were winning plenty of the footy early but with the number of behinds we kicked, we couldn't quite work out which two posts were worth the six points. It wasn't our sharpest start but luckily there was still plenty of football left to play. Thankfully, around the ground the girls were outstanding. The midfield attacked every contest with strong tackles and relentless pressure, the backline stood tall with some brilliant goal saving marks and the forwards moved the ball with selfless handballs and clever goal assists. It was one of those games where everyone played their part and it showed in the end. One of the most pleasing parts of the day was seeing every girl take on her role. No matter where they were asked to play, they all gave it their all and did exactly what was needed. Another well earned win for the Jackettes continuing their strong team football. We've got two weeks off now for school holidays hopefully a chance for some rest, recovery, travel and a bit of goal kicking practice in between.

PRIDE!This is the only word to describe how the coaches and parents felt at the conclusion to this game. Coming in to the game against the top of the table St.Kilda City, this game could have been a mismatch. But boy did these boys give it their absolute all. Every single player gave their entirety to this match, put their heads over the ball and played good, tough and fair football.This has given us enormous confidence that we can take it up to any team in this competition and we should worry a few sides when coming up against them in the back half.Special mention to Jesse Weinstein who did an enormous job in quelling the opposition's dominant midfielder and McGregor and Eckstein for doing the job on the league's leading goal kicker.Great games from the rest of the boys who should all feel extremely proud of their enormous efforts.Have a great holiday boys and families and cannot wait for our back half of the season.

MATCH REPORT

The Comets notched up their third win in a row after a solid performance against a highly competitive Beaumaris that is always tough to beat. A 6-goal blitz in the first quarter proved the difference between the two sides as the game evened out after quarter time. The midfield led by Kagan, Blustein and Raleigh dominated the clearances early and provided plenty of supply up forward, allowing the likes of Onas, Jankie and Lowinger to get to work. Onas kicked the opening two goals of the game and was a huge presence up forward, handling the slippery ball as if it were dry. Jankie was dangerous closer to goal, but was unlucky with two near misses that hit the post. Godlewicz also made an early impact from the wing with his smart positioning and reading of the play that allowed him to link up with his teammates, while Isaacs also started well up forward with his attack on the ball. Janover and Perlman were integral down back once Beaumaris started to find some momentum, while Schwartz was ultra-competitive down back with his defensive pressure, which also rewarded him with quite a few touches. Janover was swung forward in the second half and immediately hit the scoreboard after getting hit lace-out by Kagan, who burst through the midfield. Similarly, Lowinger also showcased his versatility when he was moved back, as he competed hard in the air and used his athleticism to swoop on the ground balls. Lewski helped break the game open with his creative handballing that set up several scoring chains, while Blustein racked up the touches and brought his teammates into the game with his smart ball use. Kagan was at his dynamic best all day with his powerful running and precision skills, which included 2 terrific goals on the run.

MATCH REPORT

Heading into our third meeting with Brighton this season, the group was eager to turn the tables after a loss followed by a draw in our previous encounters. Confidence was high that this would be the day we broke through. Despite being stretched with eight players unavailable due to injury or away and taking the field one player short, we welcomed some reinforcements and were ready for the challenge. The opening quarter set the tone with outstanding effort from Ajax. Our pressure around the contest was strong, tackling was fierce, and accountability across the ground was evident. The team spirit was clear, and while the scoreboard didn't fully reflect our effort, we went into the first break just two goals down and well within reach. Unfortunately, the intensity dipped through the second and third quarters. Brighton capitalised, lifting their pressure and gained control of the game. Their ability to convert opportunities saw them build a commanding lead heading into the final term. To the boys' credit, the last quarter showed renewed effort and intent. We lifted our energy and competed much better, but Brighton proved to be the stronger side on the day. While the result didn't fall our way, there were clear positives—particularly the improvement in teamwork and effort, especially given the challenges we faced with player availability. These are strong foundations to build on as we head into the break and prepare for the second half of the season.

MATCH REPORT

The Falcons were comprehensively outplayed by a hungrier Ormond side in a disappointing performance. While there were some resilience shown through the second and third quarters, our start and finish to the game wasn't at the level required. Although we were missing a host of players, it isn't an excuse for ignoring the fundamentals, such as manning up and playing in front. The lack of accountability cost us dearly with Ormond seeming to have spare numbers all across the oval. On a positive note, Asher, Jobe and Ollie never stopped competing, while Micah was ferocious in defence. Lewis kicked a nice goal and Aiden and Rafi B showed good attack at the ball. While this wasn't our best performance, it has been a solid first part of the season and we remain well positioned. Enjoy the holidays and come back refreshed for a huge last five rounds. Go Falcons!

MATCH REPORT

It was an early and cold start this week for the boys but it was nice to be back at Princes Park. We started a bit slow in the first quarter as the boys took some time to warm up but our structure and discipline was solid with our half back line intercepting well. After quarter time the intensity and tackling lifted and we began to make it count on the scoreboard. This momentum continued into the second half which allowed us to switch up the positions and give the boys some new roles. It was great to see the boys hold their structure even after the lead blew out. We kept witching the ball into the middle and holding our wal which gave us plenty of opportunities so score. Some fantastic individual efforts came from Taft who played his role to perfection as a key position player at both ends, Gottlieb who slotted goals from everywhere, Suss who moved the ball well, Bell dominated up forward and Adler snuck forward for a few great goals. Lipshutz couldn't be stopped and ran his guts out in his last game for us whilst also bringing his team mates into the game-we will miss you Eli, well done on finishing with a best on ground performance. It was great to see the boys rewarded for their efforts and their great team play, can't wait to see more after the break!

MATCH REPORT

The AJAX Comets produced one of their most complete performances of the season, defeating East Malvern Knights by 23 points in a fantastic team effort. The opening quarter set the tone, with Ness Page competing brilliantly in the ruck and Jagger Jolson and Blake Carew attacking every contest through the midfield. Celebrating his 100th game, Jake Davis sparked the team with his intensity up forward. Osher Ben Zur kicked the opening goal before Jake added the next, and Arlo Smith's major had the Jackas full of confidence. Down back, Leo Rochman, Gabriel Ben David, Sam Schwartz and Levi Teperman were outstanding, repelling every East Malvern attack. East Malvern applied plenty of pressure in the second term, but the Comets' defence stood tall. Ness then produced the highlight of the day, with a brilliant team goal starting in the back line with Carew, who kicked to a contest where Ness page collected the ball took a bounce and handballed to Bude who gave it back to Page who then took the ball forward and kicked an incredible goal. Miller Janover added another from 40 metres before Ness was forced forward after hurting his knee, leaving Arlo Smith to battle courageously in the ruck for the remainder of the game. Coby Pura made some strong tackles all day and this was capped by a strong run through the corridor set up a crucial goal in the third quarter, while Charlie Burman and Shua Szental provided outstanding run on the wings. In the final term, the Knights challenged with 3 quick goals, but Miller Janover, Gabriel Ben David and the returning Ness Page shut the door in defence. Blake Carew, Jake Davis and Jagger Jolson worked tirelessly through the midfield, while Leo Rochman continually drove the ball forward. Benji Norton snapped a clever goal from the pocket stemming the East Malvern flow of goals before Eli Grant sold some brilliant candy and finished superbly to seal a memorable 23-point victory. Go Jackas!

MATCH REPORT

Despite being low on numbers, as always our girls were up for a fight. A perfect conditioned match against a tough Bentleigh side. The game didn't start the way we liked with Bentleigh having some serious damage to the game. At the Q1 break we reminded our girls that we are a tough, skilful side that can put up a fight to any opponent. And in the 2nd quarter that's exactly how we played. Players all across the ground lifted. It started from Mayas composure in the backline , Livs constant 1%, Georgia S' lively movement around the forward line, and Ava continuing to absolutely dominate in the ruck. After a fresh reset during the half time break we still needed to lift. That started from Erin pushing forward - nailing her role as our key target, Ella doing what she does best - taking the kick outs and always being where the ball is, Shira & Emilie not letting their defenders get the ball easy and Aria captaining her way around the ground. Regardless of the scoreboard, the vibes were high as we played exactly how we wanted to, allowing us to go into the final quarter hungrier than ever. One last message: Keep them goalless and get a goal on the board for us! The birthday girl, Tali drifted back into the midfield and stood tall for the rest of the game, along side Elke who can play anywhere around the ground with no worries. Georgia R was thrown back for the first time and did nothing but impress everyone! Along side Dani, they both worked hard to have their teammate hating them after the game. Finally, after a hard fought quarter - our best for the game, a goal came along. Created by some great World Cup skills from Esther - who keeps improving each week - and Georgia S! A great positive to finish on going into the break. Now time to recharge, reset and go again, Go Jackettes.

MATCH REPORT

Despite the result not falling our way, there was plenty to like from our performance. We were competitive all game and, after halftime, produced some of our best football of the season. We arguably looked the stronger side in the second half, taking the game on with great intensity and effort. Considering we were missing a number of regular players, the boys showed terrific resilience. A big thank you to our fill-ins, Daniel Minaker and Benji Kowadlo, who both slotted in seamlessly. They played with confidence, contributed strongly, and certainly didn't look out of their depth. Our midfield was once again a real strength. Nate put in a mountain of work in the ruck, giving our midfielders first use and competing tirelessly all game. When we were able to move the ball forward, Toby looked dangerous and gave us a genuine target inside 50. Sam was incredibly courageous and strong in the contests all night. Unfortunately, his game was cut short due to concussion. We wish him a speedy recovery and look forward to seeing him back with the group when he's ready. Finally, playing under lights was a fantastic experience for everyone. It created a great atmosphere and is something the boys will remember. While we didn't come away with the four points, there were plenty of positives to build on as we continue to improve each week. Have a nice break and we will be better and stronger when you all return.

MATCH REPORT

The Under 16 Comets faced a huge challenge last Sunday against Murrumbeena, who came into the match after a narrow loss to one of the competition's top teams. With only nine of our 25 listed players available, we were fortunate to be supported by players from the Under 15 Comets and Under 16 Jets. Knowing we had a new-look side, our pre-game message was simple: win territory, defend aggressively from the front and apply relentless pressure. After Murrumbeena won the opening clearance, our boys responded brilliantly, dominating the first quarter and opening up a four-goal lead. Leading the way was stand-in captain Lenny, whose first quarter was outstanding. He drove the ball inside 50, worked tirelessly back in defence and burst through the middle after creating turnovers. His effort inspired the group and gave everyone belief. Our dominance continued through the second quarter and into the third before Murrumbeena gained some momentum through quick centre clearances. To the boys' credit, they stayed composed, adjusted around the contest and finished the game strongly with an excellent final quarter. Our regular players all made important contributions. Sam was outstanding on the wing, setting the tone with a desperate defensive sprint after the opening clearance before becoming dangerous with the ball all day. Zac Sheff controlled the backline with his reading of the play, while Sonny battled superbly in the ruck against a much taller opponent. Liam again used his agility to create opportunities and set up teammates, while Zev continued his outstanding form with three goals and some classy ball use. Nico competed fiercely all day through the midfield, and Zabi capped another excellent performance with two goals from midfield and half-back. Our fill-in players were exceptional, especially considering they had all played a game this week already. Itai finished with three goals and combined brilliantly with Jensen, whose connection from the Under 15s was evident throughout the day. Isaiah also kicked three goals through his smart positioning inside 50. Orel stood tall in defence, Jacob kicked a superb set-shot goal from the boundary, Reuben provided a strong target forward and kicked an important goal, Nossi impressed with his marking and penetrating kick, Omri was composed across half-back, and Charlie Pack had an amazing performance, showing great courage and composure in defence. The most memorable moment of the day belonged to Noah L. Playing his final game for the club before his family moves overseas, Noah calmly slotted a goal after the siren to cap off a wonderful victory. As his teammates rushed in to celebrate, it was a fitting

MATCH REPORT

An all-time statement win. Down 4 key players, including our captain and vice captain, the boys knew they needed to find something special this week if they wanted to take second place on the ladder. Every single one of them delivered, pushing themselves right to the limit to get over the line. The first quarter saw a fiery contest with the Falcons' newest addition, Nadav Rachmani, return from knee surgery in stellar form by slotting 2 beautiful goals, ensuring no one forgot how good he could be. Aaron Raymon made a big impact early, winning a key contest on the win that led to a goal from Omer and continued to carry that form throughout the game, playing his best game of the season. The hawks, however, hit back, capitalising on our struggle to handle their transition skills, leading to a 1-goal lead at the first change. The second quarter saw AJAX play some of their poorest football of the season, failing to handle the Hawks having a wind in their favour and letting the Hawks kick 5 unanswered goals to take a 4-goal lead at halftime. However, in true Falcons fashion, the boys took accountability and knew they needed to come out firing to gain control back. 3 goals within 5 minutes, all on the back of Eyal Berry, Zac Linnow and Jake Wood charging out of the midfield from perfect taps from Jordan Ritterman saw the momentum swing quickly. Zac Feldman had a game akin to Michael Jordan's flu game. Feldman was very sick before the game, which turned for the worse at halftime, when he was vomiting, leaving doubt over whether he could continue. He single-handedly turned the tide of the game, kicking 3 goals in the 3rd quarter and 5 in the second half. The whole team grew off the energy everyone came out with. Yeshaya Goldberg, Aviel Ben-Salamon and Jordan Suss all dominated on the wings throughout the game, giving top-tier service to our forwards. Throughout this whole charge, Oren Davis, Oz Eckstein and Josh Fixler worked time and again down back, holding the Hawks goalless in the 3rd quarter. AJAX took a 17-point lead into the last quarter, but we knew the game was far from over. The boys snagged the first goal in the last quarter, ensuring the Hawks knew there was no chance of a comeback. We locked down the remainder of the game, with the Hawks kicking their only goal of the second half with a couple of minutes to go and the game in the bag. A truly inspiring performance from the whole team, down but never out of it. We head into school holidays with 2nd place on the ladder locked up and 4 games to go before finals. Falcons footy 🦅

MATCH REPORT

On a chilly Wednesday night, it was Ajax versus Ajax as we took on the Comets in a spirited intra-club clash. Despite trailing by 49 points at half-time and eventually going down by 61 points, we produced plenty of encouraging signs that will hold us in good stead moving forward. The pressure applied to the Comets' ball carriers was relentless throughout the night, with our boys refusing to back down despite the scoreboard. While the result wasn't the one they were after, there were countless positives to take away, along with valuable growth and learnings that will help us continue to improve going into the back part of the season. Captains Sam Azoulay and Toby Gelbart led from the front all evening, setting the standard with their effort, leadership and determination. Benji Bassist also played an outstanding role, doing an excellent job limiting the influence of one of the Comets' most dangerous players. Ethan Katz set the tone from the opening bounce with his physicality and attack on the contest, giving his teammates plenty of energy to feed off. After being swung forward, Beebe made an immediate impact, providing a strong target and finishing the game well, kicking a goal. Although the Comets proved too strong, we can take confidence from an encouraging performance filled with effort, resilience and promising signs for the last 5 rounds.

MATCH REPORT

The AJAX U17.5 Boys Comets produced a dominant performance to defeat the AJAX U17.5 Boys Rockets 10.19 (79) to 2.5 (17), recording a 62-point victory. The Comets controlled the game from the opening bounce, holding the Rockets scoreless in the first quarter and restricting them to just one behind by half-time. Strong pressure, teamwork, and ball movement allowed the Comets to consistently create scoring opportunities and maintain control throughout all four quarters. It was a complete team performance and a well-deserved win that showcased the group's effort, discipline, and commitment.
