THE JACKAS WRAP

ROUND 7, 2025

AJAX JFC

Gary
Peer

Round 7 delivered a mix of thrilling wins, narrow losses, and gutsy efforts across the board for the Jackas.

The U8 and U9 teams impressed with their teamwork and pressure, turning in dominant and spirited performances. U10 and U11 squads battled hard, with the Rockets and Sharks each securing gritty victories, while others fell just short after strong efforts.

In the older age groups, the U12 Stars and U13 Rockets notched commanding wins, while the U12 and U14 Rockets suffered narrow defeats despite leading most of the day. The U11 and U13 Girls showed resilience, with the U11s pulling off a dramatic win and the U13s fighting hard against top-tier opposition.

The U15 and U16 Comets produced some of the club's best football of the year, both posting impressive wins with strong team-first footy. The U17.5 Comets also dominated in a powerful second-half surge. Meanwhile, the U17.5 Rockets and U13 Stars faced tough opponents and will look to rebound.

Finishing on a high, the U18 Girls returned from a break with a well-earned 8-point win through disciplined, united play. Across the club, teamwork, grit, and growth were the standout themes of the round.

ROUND 7

MATCH REPORT

COACHES CORNER

U8 Rockets V Prahran - Sunday 15/06/2025

**"Be inspired, be proud,
be unstoppable!"**

Sensational outing down at Toorak Park this weekend.

Walking out onto the fresh ground on a brisk morning, the boys came to play!

Prahran came out strong and had the ball in their forward line for much of the first quarter - then the Rockets SHUT THEM DOWN!

It was game on :)

The next 3 quarters showed the team's ability to play together, impress the crowd with their skills and hard balls.

Hoppe had a target of 3 and kicked them all straight through inspiring his team mates, Swill celebrated with the crowd, Katz kicked his first Major for the season and Glasberg kept his tally climbing for the season.

Another impressive game for our onballers - Lamm doesn't miss a tackle, Skurnik slams through the crowd, Marks, Lewski and Blieden all following in their dad's footsteps are unstoppable.

In the backline the support and strength of Frayman, Lokshin, Sussman and Brouze rebounded the ball back to our mids so Appel, Micmacher, Landis and Seigel could do their thing and provide great opportunities for goal after goal.

shout out to Kahn who lead the team out with an impressive and exciting Ajax Haircut. has to be seen to be believed!

Well done Rockets!

COACHES CORNER

After the week off, we weren't sure what sort of energy would be brought back by the U8 sharks. Luckily from the first bounce we knew that the boys were locked in and ready for the fight.

**"When you get the ball,
RUN!!!"**

With a building appreciation for the game plan, man up, pressure & run! The boys put South Melbourne in high pressure situations time after time.

The ball spent most of the day in our forward half with our midfields & defenders setting up walls to ensure the ball continued to stay in the forward parts of the ground.

Another sensation effort by runner 'Get' Weinberg!

Looking forward to next week!

ROUND 7

MATCH REPORT

COACHES CORNER

It was a crisp but sunny Sunday morning as the U9 Stars took on a strong and physical Brighton Beach side. The Stars came out ready, kicking the first goal of the game and showing they were up for the challenge.

""Keep your chin up and try your best until the final siren!""

Captain Silman led with courage, throwing his body into the contest and tackling hard. Although co-captain Grosberg was missed, the boys rallied and brought great energy across the ground.

Benporath stood tall with strong marks, tackles and clearance work, fighting hard at every contest. Kaplan, Frydenberg, and Benkel attacked the footy with intensity, laying tackles and applying pressure across their positions. Jolson continued his fearless style, charging into the contest and refusing to take a backwards step.

Segal and Scher worked hard to win the ball and drive it forward, and created opportunities in the forward line, especially during key moments. Fried was outstanding in a big role, keeping the Stars alight in defence and midfield with big clearances, solid marks, and smart ball use.

Krampel was brilliant in the fourth quarter, driving the ball out of the middle and helping spark the team's strong finish. Up forward, N Binstock, J. Binstock and Chaiton created space and chances with clever movement and pressure.

Rynderman, Nudel and Goldberg chased and tackled, Freilich brought some handy ruckwork and effort around the contest. Kelman worked hard to get into position, and Rosenberg brought great pace and effort, as well as inspirational tackling on bigger opponents.

Bechler was outstanding all game – winning valuable clearances, attacking the footy with confidence, throwing himself into every contest and inspiring his teammates and coaches.

The Stars finished the game strong with their chins up – the kind of attitude and character that builds great teams.

U9 - SHARKS

VS

St Kilda City JFC U9 Mixed OCKLESHAW

ROUND 7

MATCH REPORT

A brisk winter morning set the scene at Wattie Watson Oval for the Ajax U9 Sharks' toughest challenge of the season so far. St Kilda City brought height, skill and intensity - but the Sharks matched them in every department, showing heart, hustle, and a genuine hunger for the contest.

The game was fittingly bookended by two outstanding captain moments. Mizrachi opened the scoring with his first ever goal, sparking early celebrations, while Gerber was immense all game - saving his best for last with a dominant final term, taking mark after mark across half back to shut down St Kilda's repeated surges.

The Sharks came out firing in the first quarter. Wajsman was strong at the contest, while Siton's composed bodywork and relentless attack created repeat forward entries. Weinberg was dynamic around the ball and sealed the early momentum with two great goals in quick succession. Brandt stood tall in defence, marking strongly and laying key tackles.

In the second quarter, as St Kilda pushed forward, Rotenberg was vital in repelling attacks from half back. Perlman danced through traffic to drive the ball forward, and Snow was tireless in the midfield, taking strong marks and creating opportunities.

The third quarter began with a big contested mark to Morris, who presented well throughout. Goldberg did the tough work at ground level, extracting the ball and linking up with clever handpasses.

With the game on the line, the team rose to the occasion. The tackling and intensity lifted across the board and Michaels put the exclamation mark on the performance with a booming goal from 40 metres out.

It was a shin-splitting, all-team effort from a Sharks side that just keeps growing in confidence and cohesion.

Highett U10 Mixed

ROUND 7

MATCH REPORT

COACHES CORNER

"We've earned the right to play our game style by building the foundations of our game: contest and tackling"

A great start from the first bounce saw Borowski lace out Weinberg who converted from 20m. Despite kicking into the wind, the Rockets added another shortly after to dominate territory and scoreboard in the first quarter coming into the break pretty pleased..

But Highett were a quality opposition, with a strong running and aerial game and the game was square at half time as they fought their way back into the. Captain Norich was everywhere throughout the game, at the coal face and outside, taking a number of goal saving marks to limit the opposition's scoreboard impact.

Coming into the third, we knew we needed to stay close and allow a final quarter surge. Captain Golshtein, a first-year player who's taken to footy like a duck to water was sensational both in the middle and down back, taking defensive marks and tackling like his life depended on it to keep the Rockets in the game.

The final quarter was all about effort, run and contest. And the Rockets sure were up for the task. In a very even game, every line did their role brilliantly. The backs stuck to the task, tackled, smothered and denied the opposition quality looks on goal. The midfield dominated territory and were relentless in the contest while the forwards got dangerous, scoring a number of goals including a late major for Sack despite a significant injury. A handball from Kamien to Scharf 10m out after a strong mark was also an incredibly selfless act worthy of special mention.

Captain #3 Grossman was incredible as he has been all season. "See ball get ball" is his mantra and good luck to opposition players getting in his way. He used his pace to advantage and brought his teammates into the game with his inside work.

ANSWERTH

ROUND 7

MATCH REPORT

COACHES CORNER

Coming off the King's Birthday weekend bye, the Sharks fronted up to East Malvern to clash against the Knights.

After a stirring speech from captain Velli Herbst that took all the words out of our mouths, the Sharks got to work with a few simple messages. Aggression at the contest, move it quick and, as always, pressure, pressure, pressure.

An evenly balanced first quarter saw the Sharks and Knights go goal for goal, with neither side able to get the ascendancy.

The Sharks tore the game open in the second and third quarters. Some electric runs through the midfield with amazing mid-forward connection saw repeat entries and goals. Even captain Velli, usually a general in defence, popped up to find the big sticks up forward. Almost every one-on-one contest went to the Sharks, with the boys showing more hunger and wanting to play for each other more than the opposition. This culminated in a sensational run down tackle and goal in the closing minutes of the third to put the Sharks comfortably ahead.

The final quarter went firmly to East Malvern. The Sharks found themselves second to the ball in the middle, then scrambling defensively when the Knights went forward. Whilst it didn't cost us the game in the end, it was an important lesson in what happens when we drop our pressure and lose our edge. Impressively, the boys rallied in the last few minutes to close the game out.

An impressive, gritty performance.

"Every one of you is part of this team. We're not just mates, we're Sharks. And Sharks don't quit!!!"

ROUND 7

MATCH REPORT

COACHES CORNER

**"Kick long to space -
and run run run!"**

It was a day to remember as the U10 Stars took to the vast expanse of William Street Reserve – a full-size pitch that left the boys wide-eyed and buzzing with anticipation. You could see it in the warm-up – they knew it was something special.

Captain Zevi led the team out with fire in his belly and a message of focus and teamwork. And it worked. Kicking with a strong 3–4 goal breeze in the first quarter, the boys exploded out of the blocks. They dominated territory, moved the ball cleanly, and slammed through 3–4 excellent goals. It was electric footy, and the celebration at quarter time showed just how much they were enjoying themselves.

But footy has a funny way of swinging. With the breeze now in their favour, Brighton Beach hit back in the second quarter, putting the Stars under real pressure. It was a tough, contested quarter, and while the boys fought hard, the game tightened up.

The second half was a genuine arm wrestle. The Stars pushed forward in waves but struggled to convert against the wind, while some big moments in the back half showcased great desperation. There were a few thrilling end-to-end passages – one or two started deep in defence and nearly ended in goal – but the legs started to tire. The size of the ground began to take its toll, and by the final siren, it felt like they'd run across half of Victoria.

There was plenty to love – teamwork, grit, and the experience of playing on a ground that felt like the MCG. Another great chapter in the U10 Stars journey.

AJAX U11 GIRLS COMETS WON BY 5 POINTS

GOALS

AKKERMAN, ABBY 3
COHEN, ERICA 1
COHEN, LAYLA 1
GOROG, SARI 1

Twisted Sister one week, Chumbawamba the next. If nothing else, these girls are getting a music education. Yet every lyric has a meaning, and never truer than, "I get knocked down, but I get up again", as last time these girls played St Kilda City, we got knocked down! But Round 7 gave us a chance to get up again.

Captain Edie entered the game in career best form, but unfortunately she lost the toss which meant the opposition had the benefit of a 6 goal hurricane breeze. But not to worry, she marshalled her troops and provided invaluable leadership. With Millie tackling everything, Erica repelling every entry, Mila C competing at every stoppage, the girls managed to keep a clean scoresheet.

Q2 was when our girls got to work. Whilst the forwards feasted on the supply of ball from the midfield, each goal was only possible due to Aya, Libby, Minnie and Bonnie who were absolutely ruthless in defense. It wasn't so much Wind in the Willows, but rather Willow in the wind, as she played her best game for the club, digging deep in the middle, creating stoppage after stoppage.

But our opponent wasn't going to stop, they too had a point to prove. Slamming on 4 goals ensured they would take a narrow lead into the last quarter. With the seconds ticking by, the forward entries mounting up, the opposition moved their entire team into our forward line, ensuring it was impossible to find space. With the timekeeper's finger on the buzzer, all was almost lost, the fingernails were chewed, then out of nowhere Abby swooped, brushed off the opposition, and from 40m out, sent the ball right over the goal umpires head, proving that despite being knocked down, we would get up again. What a win!

KOTLYAR, JORDAN 1
LOWINGER, ASHER 1

The Ajax U11 Stars delivered another commanding performance, defeating the Hampton Rovers in front of a spirited home crowd at Princes Park. The opening quarter set the tone, with Lowinger thrilling spectators with his high-flying marks at full forward and Beebe controlling the midfield with fearless contested ball work.

The second quarter belonged to Silverman, who launched two booming goals off his powerful left boot. The team also welcomed back Dickman from concussion, and he quickly made an impact with a silky running goal. In defence, Janover and Borowski showed composure and flair, combining for an ambitious and effective switch of play that sparked attacking movement.

The third quarter was a scrappy, wind-affected battle, with Granek and Krampel dominating across the half back line. It was Michaels who lit up the crowd with a fingertip mark and goal just before the siren. Epstein applied relentless pressure up forward, laying strong tackles and earning a well-deserved goal.

Ajax finished the game in style - Jankie, Kotlyer and Azoulay were winning clearances with ease. Besser kicked his first goal of the season to the delight of teammates, while Joffe stamped his authority all over the ground and added a goal to cap off his efforts.

A strong team performance sees the Stars extend their winning streak and boost their percentage once again.

ROUND 7

AJAX U11 MIXED SHARKS LOST BY 12 POINTS

GOALS

GABIZON, JACK 1
ONAS, OZ 1
PROFUS, BENJAMIN 1
WEINSTEIN, JESSE 1

The U11 Sharks came out for Round 7 determined to fight hard all day after some specific training drills during the week and before the game. Beaumaris certainly felt the brunt of the Sharks fighting spirit and effort with the Sharks kicking the first 2 goals of the game into a strong breeze. Bluestein, Asher Onas & Stub were prolific ball winners across the midfield and at half back and Kai Raleigh had his best game for the year so far mainly in defence. Co-Captain Profus was strong at both ends of the ground scoring his first goal for the club with a sharp right foot snap. Alder was solid in defence and in the midfield taking strong marks around the ground and accurate kicking skills to teammates in dangerous positions. Our other co-captain for the day Jackson Silver also had a terrific game using his booming long drop punts to propel the Sharks deep into the forward line. Jesse Weinstein showed again that he has stood up to the level and has revelled in his time in the midfield running both ways to help out in defence. Brooks played the ultimate, selfless team game volunteering to take down Beauy's best player for all four quarters. Levi's close checking, hard running and vice-like tackling made life very difficult for Beaumaris and his efforts are a large part of the reason this was game was only separated in the last quarter. Today was another very credible and competitive performance by the U11 Ajax Sharks and we know that if we continue to put in the hard work at training and extra skills practice at home, then that elusive win will not be far away. Well done to the Sharks today for your gritty, fighting effort from a proud coach.

GOALS

KAGAN, BLAKE 3
LEWSKI, KOBE 2
APPEL, MASON 1
KRAWITZ, JONAH 1
SOCHEN, ZAC 1

The Rockets produced their best four-quarter performance for the season, delivering a 4-goal win against second-placed East Malvern. We had 22 contributors in what was easily our most even performance to date. In the end, it was our commitment to the contest, consistent pressure on the opposition, and relentless 2nd and 3rd efforts that were the keys to this terrific performance. Or perhaps it may have been the team's pre-match wiz, in unison, into Gardiners Creek that forged the tight bond we needed!

Rzechta got us going in Q1, hitting Sochen lace out in front of goal, who converted the Rockets' first major. Wisser started strongly, racking up touches on the wing, while Lewski snapped truly after a clever Sochen handball assist. Kagan also snuck forward for a goal, leading to a 3-goal-to-nil opening term.

A slight drop off in intensity in Q2 let East Malvern back into the game, but it didn't last long as the Rockets piled on another 5 goals in the second half to secure victory.

Perlman was staunch in defense all day, shutting out the opposition's most dangerous forward. Appel showed his leadership across half back and produced the highlight of the day with a 30m goal on the run at top speed. Friedman was at the bottom of every pack and helped quell the influence of the opposition's best midfield. Lewski added a string to his bow with his toughness and tackling that resulted in multiple holding-the-ball decisions. Raksin had a sensational game on the wing, using his pace to both attack and defend. Hersh kept slingshotting off the half-forward line to meet the ball, while rising star Samowitz was courageous all day in the ruck. The ubiquitous Kagan bobbed up everywhere – it's a Houdini act none of us will ever work out!

AJAX U12 MIXED STARS WON BY 25 POINTS

GOALS

CASHMORE, ARI 5
BALTER, DANIEL 1
KANEVSKY, JORDAN 1
LANDAU, EZRA 1
LEVI, EDEN 1

This week we were back on our home turf to face Dingley, and the Stars knew it would be a tough assignment that required a 4 quarter effort to get the points.

We started well with first hands on the ball from the middle and opened with goals to the dangerous Kanevsky and Cashmore. Dingley matched it with 2 of their own, and both teams went to the 1st break knowing it was going to be a tough day.

Dingley used the wind well in the second, kicking 3 goals to our 2, but the Stars were not far out of it at half time - clever goals to Levi and another to onballer Cashmore were important. Our skipper Savicky continued leading from the front, and with Remy K and Krite winning the ruck, and Gunn winning the clearances the Stars looked dangerous.

Cohen has become a reliable and important defender - constantly stopping opposition attacks and his penetrating kick proving important all day. The entire backline was superb - defending grimly and tackling hard all day - Smorgon, Goronstein, Levy and Klarnet (in his 50th game) held Dingley goalless for half of the game!

In the last quarter our brigade of elite runners - Balter, Landau and Harvey Harris really got on top and managed to get the ball into the open spaces and create scoring opportunities. Cashmore was dominant again, and kicked his 5th in the last term to overrun the hapless Dingoes. The stars kicked 3 goals to none against the wind in the last term to run out winners by an impressive 25 points.

ROUND 7

AJAX U12 MIXED ROCKETS LOST BY 1 POINT

GOALS

BREUER, GABE 1
DAVIDSON, NADAV 1

Ajax started the game winning the contested ball, holding possession and controlling the play. Davidson and Adelist took some strong contested marks up forward and Davidson slotted one through the middle of the sticks to give Ajax the first quarter lead.

The second quarter saw a very tight, heated contest. Through our centres White, Nadelman, Beggs, Voskoboinik and Lefkovic, Ajax applied the pressure, tackled hard and made it very difficult for the Hawks to gain meaningful entries into their forward line. During the 2nd quarter an incident occurred (a dangerous tackle to an Ajax player) which resulted in that player taking no further part in the game and Ajax rotations were now down to one.

The third quarter was similar to the second. Staub, Nussbaum, Berman and Klein controlled the backline taking intercept marks and fighting for the ball at every contest. There was a beautiful passage of play which started in the backline, which finished with Breuer kicking a goal and putting Ajax further in front.

Kicking to the non-scoring side and with tiring legs, was going to be a challenge for the boys in the last quarter. The Hawks kicked their first goal of the game in the opening minute of the last quarter. Now with Ajax's lead under a goal, it was a very nervous seesaw battle for the next 14mins. In the final 20 secs of the game, the Hawks kicked the ball into their forward line, Nussbaum laid a beautiful tackle, however the ball spilled out and another Hawks player picked up the ball and kicked a goal. Ajax goes down by 1 point. The tears flowed and heartbreak felt by all Ajax players, parents and supporters. Despite the loss, it was the best team game the Rockets have played all year.

ROUND 7

AJAX U13 GIRLS COMETS LOST BY 60 POINTS

GOALS

The U13 Girls faced an enormous challenge this round – coming up against the Division 1 ladder leaders, Prahran – undefeated – boasting a percentage of over 3000 (that’s not a typo). Let’s not lose sight of the facts that 3 weeks ago we were in Division 3 – we have played undermanned, with fewer players than our opposition every week this season – today was the first game that we had the luxury of a single player on the interchange and only because we borrowed 3 players from the U11 Girls. Huge thanks to Akkerman and double Cohen for stepping in. The girls fought like lions today. They should be extremely proud of their effort. Lewski did in fact kick a goal in the 3rd quarter – she sharked the ruck tap and burst towards goal, kicking a beautiful, long drop punt through the big sticks – but turns out she burst the wrong way and kicked it through Prahran’s goal. Whoopsy. We didn’t lower our colours today. We showed tremendous grit and fought it out until the final siren. We’ve got a lot of work to do but we are heading in the right direction. See you all at training. Go Jackas!

AJAX U13 MIXED ROCKETS WON BY 35 POINTS

GOALS

STABEY, COOPER 4
BEN ZUR, ISRAEL OSHER 2
DICKMAN, LEWIS 2

Arriving at Princes Park at the break of dawn, the boys would ordinarily complain about the cold and being tired. However, this time was different. With the events in Israel, the team quickly understood to put things in perspective and that worrying about the potential for rain to fall from the sky is a lot better than having to worry about missiles falling from overhead.

Our theme for the season is "connection" and the boys are encouraged to embrace their connection to the club, the community and each other and to be proud of what connects us and makes us different to the other teams that we face, that we are Jewish. For the first time this year, the team truly understood the importance of unity and supporting each other and were determined to put in an effort to be proud of. They did not disappoint.

The energy the boys brought to the contest was electric, completely overwhelming Beaumaris and allowing us to control the territory battle. The key difference this week was that this time the players played as a TEAM, shepherding, blocking and running for each other and passing to teammates in better position. This resulted in more quality shots on goal and better accuracy.

This was a whole team effort, but special mention must go to Cooper Stabey who broke the game open with four goals in the second half in a scintillating performance and to Koby Rood who stopped just as many goals at the other end. Well done also to Johnny Rosshandler for reaching the 50-game milestone and putting in a classy performance worthy of the occasion.

A stirring rendition of Hatikvah, followed by the club song, was spine-tingling and a meaningful moment for the boys. Well done Rockets!

AJAX U13 MIXED STARS LOST BY 60 POINTS

GOALS

GRANT, ELIJAH 1
WAJSMAN, AIDEN 1

The Stars ventured out to Hampton for a top of the table clash, where their opponents were too tall, too strong and move the ball with efficiently.

Although not the result the Stars were after they showed plenty of ability and skilful passages to show the opposition that they can compete with the stronger teams.

Aggressive attacks on the ball and high quality tackling, and running passages the Stars showed that they have what it takes to compete with the stronger teams.

There were plenty of highlights and positives to come out of the game, and when the Stars moved the ball with pace and efficiency they looked at times to be the better team.

Nevertheless, they should be proud of their efforts as they stood tall against stronger opposition.

AJAX U13 MIXED COMETS LOST BY 60 POINTS

GOALS

GORDON, ZELLI 1

In cool, windy conditions, the Under 13 Comets made their second trip to Castlefield Reserve to take on last season's Division 1 runners-up, Hampton Rovers. Looking to improve on their previous outing—and with Jono Black now at the helm—the Comets started positively, though they were unable to convert their early chances.

Janover and Phillips held strong in the backline, continuing their solid starts to the season, while Bude's class and intent were evident across half-forward.

Unfortunately, from that point on, the Rovers' aerial dominance and more mature bodies through the midfield proved too much for the Comets. The margin stretched to 39 points by the main break. Still, there were some excellent passages of play, including a sharp handball chain that eventually found Rochman, who deftly centred the ball to Gordon for our first—and ultimately only—major of the afternoon.

The Comets remained competitive but faded in the second half, the Rovers eventually running out big winners.

Despite the result, there were positives. Davis continually competed both in the air and on the ground, producing his standout game of the season so far. Benski was also a welcome addition to the side after joining during the week, competing gamely and showcasing his athleticism.

The team's eagerness to learn under their new coach, combined with a positive attitude heading into each match, will give them the best chance to keep improving in what is a very high-quality division.

After a relaxing long weekend off, the U14 Stars returned with an energy and intensity at training during the week not seen this season. The coaches have said all year, you play as your train and this was reflected on a beautiful Sunday morning at Princess Park. Before the game the boys were told to let the scoreboard do the talking against a very physical Waverley Park team and represent not only the club but also Israel in the current circumstances. Like a pack of fighter jets working together, the Stars midfield spread and worked together incredibly well in the first half and dominated the play and set the tone for the day. Meanwhile, up forward Amos Faigenbaum was everywhere despite his protestations that he was a back, kicking four goals and being unstoppable. At the other end of the ground, the backline was impenetrable held together by the two tall in Lowe and Somerville and Dylan Small dominating at ground level. The second half saw the Stars continue in the same manner, but towards the end of the third quarter conceded a late goal and that set the tone for a loose last quarter which saw the Stars outscored for the quarter - ending a run of 10 winning quarters in a row! The perfect reality check that you need to switch on for the full 15 mins of each quarter before next weeks top of the table clash against East Sandy! Great work boys and bring on next week together with the Stars Tsunami!

GOALS

NEW, ALON 3
SNIDER, ASHER 2
RALEIGH, LUKE 1
RICHARDSON, JACOB 1
WEINSTEIN, ASHER 1

A undermanned AJAX team with about half a dozen players out through injury were slow out of the blocks but managed to defend hard to prevent a score. After that, the game opened up a little with New scoring, the first goal spectacularly dancing around three players in the process. But Beaumaris hit back scoring two goals before the end of the quarter.

The second quarter saw teams trading early goals with Raleigh marking in front of goal and kicking truly. But it was one-way track traffic after that with a Weinstein goal coming from a one-two combination with Sziewicz. Then a Richardson scored from a scrum in the goal square on the stroke of half-time.

The third quarter saw Beaumaris score quickly to cut the lead to just three points. But great foot skills saw a mark and goal to Kowadlo and couple more to New - the second of which was on the end a sublime passage of play by hand. A couple of goals against the run of play saw a quick response by Jacobs on the end of a Weinstein handpass.

A 15-point lead heading into the last quarter proved difficult to defend with Beaumaris scoring the only three goals and controlling the last quarter. The injuries finally caught up with AJAX and they were unable to stop the onslaught going down by a single kick.

Round 7 brought an exciting but challenging occasion for our second home game of the season against East Malvern. The boys were up for the fight after a heartfelt pregame tribute to the ongoing war in Israel, led by team manager Mottel.

The boys used this momentum to come out of the blocks with intensity, equalling the first quarter at a goal a piece. The effort and pressure could not be faulted in that first quarter, and we brought a level of fight that definitely startled our opponent. Jacob Fleiszig hit the scoreboard with a lovely set shot for his first goal of the season in his 50th game.

Our opponent took advantage of the wind to take a 3 goal half time lead. Our belief never wavered, and despite conceding 2 early goals in the 3rd quarter, we fought back hard with 2 goals in the last minute to make it an 18 point margin at 3qt.

Ultimately our opponent was too strong, as they extended their lead in the 4th quarter for a final score of 40-81. Koby played yet another excellent game in the ruck, fighting with intensity for 4 quarters. Nadav played his best game for the season, fighting hard at CHB before being sent to the forward line where he converted a nice goal.

A day full of optimism for the Jets with a massively improved performance, easily our best of the season. The post-game attitude being full of positivity and belief is the telling sign for what we can achieve for the rest of the season.

WEINSTEIN, SAM 2

After the King's Birthday break, the Comets returned to action with news of a competition shake-up. The ladder reset and Division 2 now comprising ten teams. First up in this new phase: the Waverley Park Hawks.

Conditions at the ground favoured the southern end, with the centre bounce position and wind playing a big role. Despite losing the toss, we held strong early, trailing by less than a goal at quarter time. With the wind in the second term, the Comets found rhythm. Clean link-up play off half-back and growing synergy across the ground saw us pile on three goals to their one, taking a handy lead into the main break.

Rather than head to the rooms, the team stayed on-field at half time, soaking in the Winter sun and preparing mentally for a tight second half. The Hawks hit back in the third, edging closer and trimming our lead to a single goal at the final change.

The message at ¾ time was clear: dig deep. And the boys responded. For the first 15 minutes of the last quarter, the ball lived in our forward half. The backline set the tone, repelling everything, the mids locked it in, and our forwards applied relentless pressure. It was the team-first football the coaches had been calling for and the Comets delivered.

A great win to kick off the second half of the season. We move to 1-0 in the new comp and look ahead to Round 8. #BeatBeena

AJAX U15 GIRLS COMETS LOST BY 28 POINTS

GOALS

Well... what a week! After a training session filled with laughs, high energy, surprises and no drink bottles, the backs, forwards and centres set their own focuses for the game, and they sure did execute them. They all came on the field with full intensity and the girls did not disappoint! Every girl played their role.

Lewinsohn was Miss Reliable, marking, intercepting and kicking long. Alperstein was set with the challenge, "see ball, get ball" attitude, and she definitely mastered it. Gunn turned the backline into a no-go zone, she may as well have put up a "Do Not Enter" sign. Varker's positioning was elite, glued to her player like Velcro. And right behind her, Seligmann backed it up with rock-solid defence and pressure.

Up front, Dodge was out there creating space and making leads like a magician. Borenstein kicked things off with the first goal of the day! Hirsch turned on the jets and chased everything down like her boots were on fire. Schachna was strong in front, using her body well and competed hard.

Then came the moment of the day - Smith kicked her first-ever goal! Beggs marked everything, ran like the wind, and probably covered more ground than most GPS trackers. Friedman was weaving through defenders with ninja-level agility and topped it off with a goal.

Olian didn't stop talking (thankfully!), keeping the team connected whilst running hard. Israelsohn and Kolliner took on the tagging role, and ran through contests like they were late for lunch. Lewis bossed the ruck, had long kicks that could've reached another postcode, and glued her tackles one after the other.

Every girl played their heart out, their role, brought the fun, and left it all on the field. Couldn't be prouder. The scoreboard does not define the way you all played!

AJAX U16 BOYS ROCKETS WON BY 5 POINTS

GOALS

KLASS, EDEN 2
JACOBS, JOSH 1
KIRZNER, JORDAN 1
ROTH COHEN, TAL 1

It was a classic four-quarter arm wrestle as the boys took on SMDJFC Lewis, with a strong wind dictating momentum shifts throughout the day.

SMDJFC came out firing in the first, taking full advantage of the breeze to slot a couple of early goals and put us under pressure. To the boys' credit, they dug deep, wrestled back some control, and clawed one back to stay in touch.

With the wind behind us in the second quarter, we dominated territory and kept the ball locked in our half. Unfortunately, we couldn't convert that dominance into scoreboard pressure, missing a golden opportunity to take control of the match.

We knew the third quarter would be pivotal. Kicking into the wind, our pressure, tackling, and intensity were outstanding, limiting SMDJFC's scoring and keeping the margin tight heading into the final term - with the breeze in our favour.

The fourth quarter was all ours. The boys lifted again, surged forward repeatedly, and locked the ball in our attacking half. Despite some missed chances in front of goal, we finally broke through in the dying minutes to hit the lead and hold on for a gutsy win.

In tough, swirling conditions, the boys showed composure, smart ball use, and relentless effort. With no bench and limited support, it was a total team performance - a well-earned, hard-fought victory.

Great win for the U16 Comets.

The boys are starting to show more confidence and gel together. Our ball movement on show was the best it's looked all year, our ability to create overlap run and change angles was on show from the first bounce. Starting from half-back with H.Smorgon, N.Rachmani, J.Dodge & T.Raleigh, the boys backed themselves to take the game on, with a high risk...high reward mentality.

D.Arrow was influential early to kick 4 goals in the first half, to cap off his 6 for the afternoon. Along with live wire A.Kave converting 5 of his own. Making the most of our opportunities to add to our scoreboard pressure. Fortunately, we converted in front of goal and gave ourselves chances to score in dangerous areas.

For the first time this season, we had 9 seperate goal-scorers, including N.Prendergast scoring his first goal in Ajax colours. Along with 100 game milestone players, L.Wynne and J.Beebe showing their class in front of goal.

The boys have prided themselves on being a stronger defensive side this season and letting the attacking ball movement speak for itself. Led by our key backs in M.Rubin and B.Basist, our back 6 stepped up in key moments with intercept plays to prevent the opposition from scoring off turnover and stoppages.

Huge steps in the right direction, from all 3 areas of the ground. It's always exciting footy from this group, hopefully the boys can keep the momentum rolling into the next 2 away games before the holiday break!

ROUND 7

AJAX U17.5 BOYS STARS LOST BY 23 POINTS

GOALS

This week, the AJAX Stars team travelled to St Kilda City to play their next round of footy for the season. The boys were welcomed into St Kilda City's NAIDOC week smoke ceremony hosted by Jaeden Williams prior to the match.

Going into the game, the boys were eager to get their first win of the season. After a loss of the coin, AJAX were kicking into what ended up being about a 6-goal breeze to start the match. Even though the boys worked effortlessly in the first quarter, there was nothing to show for it on the scoreboard, being down 38 to 0 at quarter time. However, AJAX capitalised on the wind themselves, outscoring St Kilda 33 to 0 in the 2nd quarter to be only trailing 5 points at half time.

With no score being scored at one end of the ground for the entire first half, the boys knew how crucial this 3rd quarter would be in putting us in a position to get our first win for the season. After 16 hard minutes keeping St Kilda City to 1 goal 3rd quarter, the opposition had a momentum swing and kicked away in the final minutes of the 3rd.

Despite this, the boys were pumped up in the last to try and reduce the margin and give themselves a chance to win. A few unlucky entries into the forward footy and a strong opposition ultimately made the result in favour of the opposition.

Even though it was another result that didn't go in our favour, the boys are quickly figuring out what it's going to take to get a victory at this level, and as a group, I strongly believe we are ever-growing towards that.

Our thoughts are with Levi Katz after sustaining a knee injury.

AJAX U17.5 BOYS ROCKETS LOST BY 121 POINTS

GOALS

LOWINGER, GILAD 1

The Ajax U18 Rockets suffered a significant defeat to Prahran. We struggled all day to get the ball into our forward 50 and the entries we had were rushed poor entries not giving our forwards the best chance to kick much of a score due to the heat we were put under by a team who were clearly a class above, with some players who obviously don't belong in this division. Putting that into consideration, our best players and our leaders can hold their heads high due to the role they played in playing against their best players. As a team we gave inconsistent spurts of effort throughout the game and got punished by doing so against a very good side. Scoring was a struggle but our best footy was able to stop a lot of the bleeding that happened, we just didn't want to produce it for long enough. Once the belief was gone, the effort put into the game slowly and slowly decreased, resulting in the ugly full time score line. We look towards a massive response next Sunday.

In a dominant display of team football, the AJAX U17.5 Boys COMETS outclassed the Beaumaris SHARKS with a commanding 92-43 victory, capped off by an explosive second half that left no doubt about the outcome. The COMETS started strongly, taking a 20-point lead into quarter time thanks to sharp ball movement and pressure around the contest. But was after halftime that the team truly caught fire, adding 38 points in the final quarter alone to bury the Sharks and finish with a resounding 49-point win. Dion was a standout up forward, his presence undeniable as he slotted four goals and gave the Beaumaris defence headaches all game. His ability to find space and finish with composure helped swing momentum solidly in AJAX's favour. Equally influential was Nick Burztyrn and Noah Goldberg, whose composure and class on the half-forward line proved crucial. Their efficient ball use and smart decisions created multiple scoring opportunities and helped connect the midfield with the forward line seamlessly. Down back, Itai Alford was relentless. His pressure, spoils, and clean-up work were critical in repelling Beaumaris attacks and setting up counteroffensives. He anchored the backline with maturity beyond his years. Noah Klein put his body on the line all day, showing courage in every contest and setting the tone early with his fearless attack on the footy. His efforts lifted the team and reflected the COMETS' never-give-in attitude. This one meant a lot to the squad, as the boys got the job done for Coach Zil, who missed the game due to a really bugging flu thats been affecting him. The second-half performance, in particular, was a testament to his coaching and the boys' commitment to playing for each other. With this strong win, the AJAX COMETS have sent a message to the rest of the competition.

ROUND 7

AJAX U18 GIRLS COMETS WON BY 8 POINTS

GOALS

HERMANN, TAHLIA 2
ICKOWICZ, MICAELA 1
ROSSHANDLER, GYPSY 1

After 2 weeks of no games, round 7 was here and everyone was pumped to get stuck into the game. We had easy messages pre game: keep it simple, help your teammates, be first to the ball and have fun. The girls delivered a spectacular game, which started from team pressure and individual 1%'s.

Tahlia got reward for effort and worked hard all game, setting the standard for her team, while Meirav and Mica dominated in the midfield. Our wingers ran and fought hard all game, keeping the ball moving forward at all times.

For the backline, they ticked all of the boxes: pressure, tackle and clearing the ball. Asha always found herself in a position to mark the ball and clear it out of the backline, while Jade F was solid with her effortless marking, and Mia K brought the heat with her relentless tackling.

Alex and Goldie worked hard in the ruck, feeding it to the midfielders all game. Yakira in the forward line brought the physical presence and strong marking which set up play. Yas worked hard all game with strong voice and composure, with her physicality to shepherd and help her teammates. Mischy created space and helped the team with her inside 50 kicks and incredible positioning all around the ground.

Overall, the girls worked hard to get a well deserved win. The result only came from their 4 quarters of hard running, pressure and teamwork and everyone should be super proud of themselves. Go Jackettes!!
