THE JACKAS WRAP

ROUND 4, 2025

AJAX JFC

Gary
Peer

Round 4 delivered a full spectrum of results, energy, and learning across all age groups, showcasing grit, growth, and good fun. The U8s were on fire, with the Rockets, Stars, and Sharks all showing spirited performances marked by teamwork, pressure, and development. Our U9 squads brought passion and precision, particularly the Sharks who dominated against St Bedes/Mentone. In U10s, the Stars impressed with resilience despite a third-quarter slump, while the Sharks and Rockets lit up with strong second-half surges.

The U11 boys' Rockets and Stars both notched thrilling wins, showing composure under pressure, while the U11 Girls faced a tough opposition but continued to celebrate camaraderie and milestones. Across U12s, it was a mixed bag — the Comets showed marked improvement, while the Rockets and Stars fought valiantly against strong sides. U13 and U14 teams experienced both tough losses and standout wins, particularly the U13 Comets with a 74-point statement.

The U15 boys turned up the heat, both Comets and Jets recording dominant victories. Despite heavy defeats, the U15 Girls showed fight and team spirit. U16s delivered two narrow losses and a big win, while the U17.5 Rockets and Comets each earned massive victories, with standout team efforts across the board.

Go Jackas!

ROUND 4

MATCH REPORT

COACHES CORNER

""I can do things you cannot, you can do things I cannot - together we can do great things!"

Team work will win us championships!"

Rockets V South Melbourne at Albert Park - another great sunday Morning! Even though Rockets were playing away, driving through Albert Park and playing next to the seniors at Gary Smorgon oval was a treat for the boys.

Given a few of the parents are Ajax Royalty, it felt like a home coming for many of the families and third generation Ajax footballers playing their first game at Albert Park.

The game against South Melbourne was tight for all 4 quarters, all the parents were cheering from the sideline as both teams went goal for goal.

Lead out by our captain for the week in Appel, the boys were pumped for a tight competition.

South Melbourne came out strong in the first quarter and our backman in Swill, Kahn, Glasberg, Lamm, weinberg did really well to keep us in the game.

The second quarter was all ours, The midfield and Forwards showed the opposition how well the Rockets can play as a team.

Hoppe, Skurnik, Seigel, Bleiden, Marks were unstoppable in moving the ball from the midfield and kicking some great goals that were credited to the whole team.

The rockets found space to move the ball, they looked for great opportunities to pass around the team the celebrations at each goal were inspiring.

In the 3rd and 4th quarters the rockets kept their feet and played with heart - Landis, Katz, Lokshin, Frayman, Micmacher went hard for every ball and kept the Rockets in the game.

With a chance for a final team goal on the siren, the energy on and off the field was amazing and the boys get better every week!

Well Done Rockets

ROUND 4

MATCH REPORT

AJAX U8 Stars played a match against the Hampton Rovers in a warm and hospitable environment. The game was marked by friendly sportsmanship and positive interactions among players, coaches, umpires and spectators. Both teams displayed great enthusiasm and spirit, enjoying the competitive yet fun atmosphere. The Stars started strongly, jumping out of the blocks early with great attacking football. The boys tackled hard, kicked long, and successfully created space for their teammates, showcasing their teamwork and determination. Their passing by foot was especially impressive, the best it has been all year, demonstrating improved skills and coordination. In the third quarter, the team put on a masterclass, attacking with flair and regularly kicking goals, which thrilled coaches and families alike.

COACHES CORNER

**"Pressure, Pressure,
Pressure"**

MATCH REPORT

Round 4 saw us back on our home deck. The weather gods smiled down upon us again, albeit still a little chilly for the 8am bounce. Our boys played against the strongest opposition for 2025 and found themselves in a tight tussle.

The message today was about pressure and boy was there pressure!

Special mention to our runner, Get Weinberg, hope your hamstring is ok!

This week was a good reminder to the boys that there are plenty of great teams in the competition & we need to train hard and practise our skills weekly to keep improving!

ROUND 4

MATCH REPORT

COACHES CORNER

**"It's only cold if you're
standing still"**

It was a very cold start in more ways than one for the rockets on Sunday. Slow out of the gates as we waited for the warmth to return in some very cold hands - East Malvern dominated around the ball. Snyder and Frid led the charge in trying to stem the flow while Kirschenbaum and Jankie showed skill by foot, it was our backline that bore the brunt of a long kicking, skillful opponent. Dreyfus kicked beautifully out of defense as Schachter, Kolliner and New tackled and battled manfully. Sahar and Lipson came on in the second quarter to give us some drive, but a lot of the damage was already done.

Come the second half, the sun started to break through and our effort slowly went up inline with the mercury. Ezekiel and Gestetner slowed the scoring of our opposition and Gomo started to rebound hard from defence. Barber, Joseph and Blankfield started to put the pressure we expect on in the midfield and Klinger got on top of his opponent, unleashing some fantastic chains of handball. With Feutrill and Kaltmann providing forward pressure, Lipp finally slotted our first with a beautiful drop punt.

Overall, it was a strong protest vote against an 8am start for the SMJFL and we hope they heed our request...

ROUND 4

MATCH REPORT

COACHES CORNER

""Don't aspire to be the best on the team. Aspire to be the best for the team.""

As a chilly Melbourne morning finally started to warm up with the mid-morning appearances of the sun, it was the U9 Stars who brought the heat in the spectator-friendly 11:15am time slot against South Melbourne at Albert Park.

With a ferocious attack on the ball and the opposition, no doubt inspired by the novel appearance of the tackling bag at training, the Stars jumped South Melbourne with a blistering first term. Not content to rest on their laurels, the Stars continued on in the same manner, producing an excellent four-quarter performance highlighted by some eye-catching team link-up play, strong defending, smart work around the stoppages and a number of goal of the week contenders from the boundary line that had the fans on their feet.

Co-captains Bechler and Rosenberg ignited the side both with their pre-game speeches and in-game leadership, while the bravery of Grosberg in the middle was equally inspiring. The first appearance of Benporath for the season (after a broken arm) helped to transform the forward line, while Noah Binstock was a real handful for the opposition alongside him.

The Stars have started the season in excellent shape, and as the winter months and difficult conditions approach, the Stars are primed to continue to attack the game, work hard as a team and have lots of fun in the process!

ROUND 4

MATCH REPORT

COACHES CORNER

Write-up with a lot of help from Tob!

"We are just like a cake recipe, every little ingredient counts!"

The Ajax U9 Sharks arrived in Mentone with fire in their bellies and a mission on their minds. Assistant Coach Morris had one clear instruction: avenge his early 2000s finals heartbreak loss against St Bedes / Mentone.

From the opening bounce, the Sharks brought relentless pressure and team-first footy against a polished, undefeated Tigers team.

The first quarter set the tone, particularly in defence with ever-reliable Gerber taking a towering mark, Goldberg laying ferocious tackles and Wallace playing the sweeper role to perfection. Captains Wibawa and Schwartz led from the front and showed the boys had come to play. A clever bit of play from Rotenberg saw him slot the opening goal and give Ajax the early edge.

The second quarter was a tight, contested affair. Once again, the Sharks' defensive unit stood tall, with an unstoppable Siton repelling multiple forward entries. Weinberg's relentless tackling helped hold the line as the Tigers surged. The boys knew this game would be an arm wrestle and were up for the challenge.

Spurred on by an enthusiastic crowd, the Sharks found another gear after half time. Midfield dominance from Perlman saw the ball camped in our forward half. Spektor snapped truly after brilliant lead-up work from Morris, who was then rewarded with his own goal shortly after as a result of Mittelman's forward pressure. The team-first mentality which the coaches have sought to instill was producing results.

The Sharks went into overdrive in the final quarter. A dominant midfield brought strength and smarts. Snow provided a target and Lewis was able to find space out the back and kick a clever goal. Michaels was dynamic, capitalising on fast ball movement to kick two goals, putting the result beyond doubt.

vs

Murrumbeena U10 Mixed
LIONS

ROUND 4

MATCH REPORT

COACHES CORNER

**"It's a 4 quarter game
boys - let's remember
that next week"**

It was a tale of two halves for the Rockets on a bright Sunday morning in Murrumbeena. The Rockets started well but didn't have much to show for it at the end of the first quarter. The Lions on the other hand had made the most of their opportunities and scored effectively from limited forward 50 entries. The trend continued into the second, where our contest work dropped off as did our tackling and endeavour.

However to the boys' credit, they believed they were in the game and came out in the third quarter breathing fire. This is when the game started to click and look more like the high skilled, fast movement and strong contest style we have displayed in earlier rounds. Captain Lipshutz was playing an inspired game, including tackling like a man possessed and rucking strongly against the opposition's tallest player.

Third quarter supply to our forward line was impressive, however having captain #2 Borowski down there ensured we made the most of our opportunities. Not only did he score himself, he also brought his teammates into the game with pinpoint passing and strong contest work. A really special player.

The final quarter was our best of the season, piling on 5-6 goals in no small part due to the contest work of Captain #3 Protector. He played the pressure small forward role perfectly, harassing opposition and getting his hands on the ball himself to help lock the ball inside our half. Reti-Waks also deserves mention for a multi-goal final quarter with at least one GOTY contender.

All in all, the team's recovery after a sluggish start was impressive and the second half a demonstration of what we're capable of. Let's see that for 4 quarters next week boys!

Ormond U10 Mixed
BALMER

ROUND 4

COACHES CORNER

**"FIRST HANDS
FIRST HANDS
FIRST HANDS"**

MATCH REPORT

Playing their first matinee game for the season, the Sharks rocked up to EE Gunn reserve, game ready and full of eager anticipation to play Ormond.

The first half was a see-sawing affair, with the Sharks getting the jump on Ormond early, using the wind to their full advantage to go two goals clear in the opening minutes. A late goal to Ormond saw the momentum shift going into quarter time, and the second quarter went the way of Ormond, who got on top of the stoppages and kicked a run of unanswered goals.

The Sharks rediscovered their aggression in the second half in what became a hotly contested, highly skilled affair. Captain Finn Solomon brought his trademark tackle pressure, consistently disrupting Ormond's run, resulting in repeated turnovers. Captain Asher Dziencial broke packs, took contested marks and slotted a major, providing his usual influence.

In a scintillating last quarter, going into the breeze, the boys found winners across the ground. With tremendous tackle pressure, outstanding link-up-play and formidable gut running, the Sharks went forward again and again, winning one-on-ones, finding each other on the lead and converting.

An unbelievable effort!!!

ROUND 4

MATCH REPORT

COACHES CORNER

**"Focus the whole game.
Lead when attacking.
Man on Man when
defending."**

It was early. Too early. The sort of cold, misty morning that makes you question every life choice — like agreeing to coach, or even leaving bed. The 8am start had big Under 8s energy, but these were hardened U10 Stars, ready to brave frostbitten fingers and questionable umpiring decisions for the love of the game.

Our boys took on the Waverley-Park Hawks — The Hawks kicked with the wind, downhill, and away from the sun. We suspect a GPS advantage.

Captain Barnaby led by example at Centre Half Back, launching spoils and fists. The Stars held their ground in the first, laying tackles and sticking to their men like cling-wrap. A cheeky Hawks goal on the siren was the only blemish on an otherwise rock-solid quarter.

The second quarter was more of the same: gritty, determined, and full of that classic Stars footy-pressure. Tackles were laid, spoils delivered, and for a moment, the Stars looked every bit a premierships contender — or at least a group of ten-year-olds who remembered to go man-on-man.

Then came the third-quarter. And with it... the crash.

No oranges. No lollies. No mercy.

A five-minute flurry of unanswered goals from the Hawks had parents muttering about the importance of fruit sponsorship and in-game glucose strategies. The umpires seemed to be testing a new interpretive dance version of the rulebook, missing several efforts that deserved statues, let alone free kicks.

Still, the effort was never in question.

The Stars' second goal was the stuff of teamwork dreams — passes strung together like pearls, leading to a finish that had even the frozen fingers of the coaching box clapping.

Final score? Again, irrelevant.

This is about resilience, teamwork, and the slow thaw of a team that's learning to play all four quarters — even without oranges.

ROUND 4

AJAX U11 GIRLS COMETS LOST BY 60 POINTS

GOALS

AKKERMAN, ABBY 2
AKKERMAN, ZOE 1

For anyone who thought we were going to go undefeated all year, Round 4 was a reality check. After 3 barnstorming wins to start the season, we crashed back to earth. Whether it was the cold weather, the taller opposition, or a few key outs, the girls were taught a football lesson.

Importantly, football is not so much what you do with the ball, but also what you do without the ball. The girls need to remember even when not in possession they need to run, they need to present, they need to provide leads and options, they cant stand flat footed and wait for the ball to come to them. They need to chase, harass, and demand the footy.

Captain Sari wore her heart on her sleeve and tried to inspire her troops, but her efforts were in vain. She was ably assisted by her partner in crime Mirelle, who was gallant in the middle, but alas the team couldn't capitalise on her output. Abby provided run, dash and drive, Minnie took mark of the year as commentated by Grossi, and when Z kicked a cheeky goal, there was a whiff of a comeback.

But any thoughts of a 4th win on the trot were quickly extinguished by an opposition who were relentless and bullied their way from one end of the field to the other. However those on the sidelines don't really care for the results. After all the first month of this year delivered more wins than all of season 2024. Those who pay to come and watch just want to witness smiles, laughter and a growing rapport across the team. Thankfully they weren't let down as the girls still supplied the usual celebrations, cartwheels, and cupcakes, ensuring there were smiles all round at the final siren.

ECKSTEIN, HUDSON 1
EPSTEIN, EZRA 1
ISAACS, DYLAN 1
KRAMPPEL, JACOB 1
LEVY, SAMMY 1

The newly promoted Stars faced a stern test against a tough Brighton Beach outfit, rising to the challenge with a strong, hard-fought win that highlighted their evolving identity built on pressure, ball movement and teamwork.

The opening quarter saw slick tap work from Kotlyer to Joffe, before Isaacs linked with Levy, who unselfishly set up Krampel for the first major. Levy followed up with a brilliant Betts-like snap, before Brighton pulled one back late.

In the second, Epstein lit up the game with a miraculous banana from the pocket. Eckstein kicked truly on the back of immense Stars pressure emanating from half-back—now a hallmark of the Stars' game. Krampel and Lowinger combined to find Isaacs, to give the Stars breathing room.

Brighton responded in the third, narrowing the margin to a couple of kicks. Joffe continued to be a contested beast, Mac took a critical defensive mark, and Borowski was a rock in the backline, repelling repeated attacks.

In the final term, the Stars steadied as Michaels kicked another, as he continues to push his claim for the Coleman. Jankie added a huge tackle, to round out a dozen for the day, whilst Lowinger dominated in the air. Eckstein sealed the result with a goal reminiscent of the Macedonian Marvel's boundary line theatrics at Victoria Park, putting the icing on a composed and impressive team performance.

The Stars proved they belong at this level, showing grit, pressure, and moments of brilliance across the park.

ROUND 4

AJAX U11 MIXED ROCKETS WON BY 6 POINTS

GOALS

LEWSKI, KOBE 3
LEVIN, JORDAN 1
RAKSIN, SIMCHA 1

After a seesawing game with multiple lead changes, the Rockets came from behind and secured their second consecutive win with a thrilling 6-point win against East Sandringham.

The Rockets came out strong and dominated the first quarter with 7 scoring shots to nil. The two co-captains led the charge — Kagan was instrumental in the midfield, bursting out of congestion and stoppages, while Lewski pushed forward and hit the scoreboard with two classy goals. Sochen played his CHF role to perfection, getting hit up multiple times after some great leading. Wisser also started strong in the midfield with his clearance work, while Hersch found plenty of footy across half-forward.

However, complacency seemed to set in during Q2 as the Rocket work rate dropped off, allowing the Zebras to take the lead at halftime after kicking 3 unanswered goals. The Rockets regrouped and lifted their intensity in Q3. Raksin kicked an important goal, though it wasn't enough to make any dent in the Zebras lead. Perlman was outstanding across half-back, impacting every contest he was involved in - whether in the air or on the ground - and taking several critical marks. Sutton's desperate play deep in the backline, which included three consecutive efforts, saved a certain goal, while Friedman ramped up his work rate in the midfield, burrowing into packs and winning numerous contested possessions.

Levin's goal early in the 4th quarter gave the Rockets their first lead since the second quarter. The game remained neck and neck for the next ten minutes. With two minutes remaining, the Rockets found themselves down by 1 point. Then, Lewski produced a special moment — a right-foot drop punt goal on the run from just inside the boundary that sealed victory and a hard-fought win for the Rockets.

GOALS

CASHMORE, ARI 1
RUBINSTEIN, SELAH 1

The Jackas got away to a fast start with the first clearance, and within 30 secs co-captain for the day Rubenstein kicked his first goal for the season. Inspired by the words from Davis the Jackas looked up and about and came ready to play.

The Hawks kicked into gear quickly, moving the footy by hand and foot and got on top for the next quarter and 1/2 outscoring the Stars 6 goals to 1. Our boys struggled to compete with the polish and speed of the opposition and need to learn how to attack the contest with more aggression and desire to win the ball.

There were solid efforts from the improving Dabscheck and Newman, and Miller was a good contributor down back in the second half. Unfortunately both Cohen and Harris came off injured, and the Hawks used the wind to advantage in the 3rd quarter.

Another strong performance from the midfield group of Gunn, Cashmore and Landau; with Remy K in the ruck competing well at stoppages. Balter tried hard, and Krite looked dangerous marking around the ground. Goronstein and Segal in their 50th games both contributed well, but despite our best efforts, the Hawks were just too strong and ran out comfortable winners.

AJAX U12 MIXED ROCKETS LOST BY 60 POINTS

GOALS

It was another challenging weekend for the boys who came up against the undefeated Port Colts.

Whilst the boys were competitive in the first half, they let a few slip in the 3rd quarter before taking back some control in the 4th.

Whilst it was a tough day for our forwards, it was great to see Breuer take a great contested mark to kick our first goal of the match. Nussbaum was superb in defence, regularly breaking out of our back line with run and carry and managed to kick our second goal for good measure.

Yossef, Shulman, and Small were once again stoic in defence and our mids including Nadelman, Beggs, Voskoboinik and Lefkovic never dropped their heads or stopped running in what was a very physical encounter. Gochin and Shulman did a great job rucking against significantly bigger and taller opponents.

Whilst it wasn't the result we were after, it was pleasing to see the continued improvement in our ball movement from week to week.

GOALS

GOLDBERG, NATHAN 1
SIEGEL, ASHER 1

It was a perfect day for footy and the boys were excited to face the top team in the competition so far and celebrate Indy Borensztajn's 50th game.

The main areas we were focusing on this week were holding structure, tackling and manning up the opposition following a turnover. Throughout the first half we were relentless in these areas as the opposition struggled to move the ball and we went into halftime down 3 points after winning the second quarter by 2 goals. Our tackling and defensive pressure remained strong in the second half but unfortunately the opposition gained ascendancy in the air which we struggled to match.

Throughout the day our midfielders worked tirelessly, getting clearances and defending the ground well led by Dunne in the ruck. Hoppe, Siegel and New provided great burst from stoppage and Richardson's marking and clearance work was phenomenal all day. Dodge had his best game of the year, attacking the ground balls and gave us great structure on the wing. Zimmet controlled the game at half back and was creative with ball in hand to set up many attacks.

Our role player of the week this round was Rami Goodhart who competed tirelessly in the forward line all day and brought the ball to ground.

Overall the boys should be proud of their effort and are showing strong signs of development in just 4 weeks- can't wait to see what the rest of the season holds.

ROUND 4

AJAX U13 GIRLS COMETS LOST BY 60 POINTS

GOALS

The girls took to the field with the early morning game and a cool breeze, facing a very strong Division 1 opponent who wasted no time asserting their dominance. The first half was tough — one-sided, to be honest — and we found ourselves on the wrong end of the scoreline.

But this game wasn't about the numbers on the scoreboard. Against top-tier opposition, it was about sticking to our structure, applying what we've worked on at training, and testing ourselves under pressure. And in that sense, the girls delivered.

In the second half, we made a key tactical shift — moving to a heavier-numbered backline. That adjustment gave us more coverage in defence and helped us absorb pressure far more effectively. The girls responded brilliantly, showing discipline, communication, and structure. That resilience, that willingness to adapt and follow instructions, is what really matters.

There's a lot to be proud of. Results will come and go, but progress is built in moments like this. The score might not show it, but the second half told a different story.

This game reminded us why training matters. The effort, focus, and lessons from the training sessions are what we bring into games like this. Every drill, every instruction, every rep — it all adds up. And today, we saw it start to come together.

Well done girls on never giving up against a very strong opposition.

Coming off a disappointing demotion to Division 2 for this week's clash, the Ajax U13 Comets had a point to prove – and they made it loud and clear with a dominant performance against Bentleigh in Round 4.

Right from the first bounce, the Comets came out firing with attacking intent and scoreboard pressure that set the tone early. By quarter time, the message was clear: this was a team with Division 1 quality.

The Comets didn't take the foot off the pedal in the second quarter. With clean ball use, strong contested work, and disciplined team defense, they surged ahead to an eight-goal lead by halftime. The midfield was well on top and the forwards were in front and taking strong marks.

Bentleigh came out in the third quarter with a more physical approach, attempting to rattle the Comets with some rough tactics. It momentarily worked, as the game lost some of its early polish and Bentleigh managed to hit the scoreboard a few times. But the Comets regrouped at the final break, reset their mindset, and responded well.

Individually, Blake Carew continued his excellent start to the season with a best-on-ground performance. Benji Norton was dynamic on the forward flank and proved influential when pushed into the midfield, showcasing his versatility and clean disposal. Jake Davis was a consistent target across centre half-forward, playing team-first game that created opportunities for others. Levi Tepperman took another confident step in his development, applying pressure and getting involved in key plays throughout the match.

This was a mature, solid performance from the Comets – a team determined to bounce back, prove their worth, and earn their way back into Division 1.

The coaches of the U14 Stars focus over the past few weeks has been all about attitude and team first football. From the opening bounce this was on show with a dominant four quarters display by the Stars against good opposition. The Stars ball movement from half back was a highlight and resulted in many attacking plays. It was great for team to be rewarded for the hard work they have been putting in on the training track. The tackling and pressure was enormous all game with Levi Grundmann leading the Stars in this area. This round ends a solid grading period for the Stars as we look forward to next week and the rest of the season. GO STARS!!!

ROUND 4

GOALS

AJAX U14 MIXED ROCKETS LOST BY 75 POINTS

The cold and early start was reflective of AJAX's first quarter where it took them a little while to warm up. With the ball being played in their back half for most of the quarter there were glimmers of hope just prior to the quarter time siren with Szentle, Weinstein and Beebe linking up across half-back to prevent another scoring opportunity.

It was still tough going for AJAX in the second quarter with St Peter's scoring 2 quick goals. AJAX midfield worked hard with Melamed, New, Kraemer and Jacobs trying to propel the ball forward at times but with limited success. Defensively, 50-gamer Meydan, along with Weinberg, Nachmias and Kowadlo held strong and repelled multiple attacks.

The second half was much like the first with AJAX having limited scoring opportunities - both Smith and Ainsworth spent time in the forward line trying to spark something but the results were a behind to Kestle and one rushed behind. At the other end of the ground Getz was used to strengthen the defense which continued to hold firm making scoring difficult for the opposition.

It was a tough day at the office for the AJAX U14 Rockets playing against a more fancied opponent, but there were many positives out of the game to take into next week.

AJAX U15 BOYS JETS WON BY 47 POINTS

GOALS

SMITH, JACOB 5
KRITE, SAM 3
BANKY, NATHANIEL 1
GILBOA, KOBY 1

After a challenging start to the season, the boys finally got on top for an emphatic win against the East Sandringham Rovers by 47 points in a more dominant display than the scoreboard suggests.

The Jets had the upper hand on the opposition from the opening bounce and maintained control of the game for much of the 4 quarters. Our 15 scoring shots in the first half was impressive, although inaccuracy in front of goal left us with more to be desired. Jacob Smith was incredible in his first game of the season, dominating the forward line and booting 5 goals. Also impressive was Sam Krite bagging 3 goals in his first game as a forward.

Our team gave a genuine 4 quarter effort, holding to our game plan and structures for the entire match with contributions from all 24 players. A great way to bring up the first win of the season, giving the team even more hunger to get more wins on the board.

DAVIS, TOBY 1
LURIE, JESSE 1

The 15 comets were prepared for a big away clash with Murrumbeena, last year's premiers in the division underneath.

From the first siren on Sunday the boys were all over our opponents from the outset of the game. We kicked 3 goals to no score in the first ¼ against a strong wind on the open Murrumbeena oval.

We showed our game style and everyone gained confidence from seeing the boys run and create space for their team mates, link up by handball and driving the ball deep into our forward line.

Our defenders also had a terrific game, keeping our opponents to 6 goals, with only 13 points conceded in the first half, when the game was hot. Ari T lead from the front here taking numerous intercept marks at FB.

Our midfield looked powerful with plenty of options rolling through there. Zac Alter and Lenny led the boys with class as they combined between them for 7 goals. Liam & Sonny kicked 2 each, resting in the fwd line. Apart from the goals kicked by our mids, I thought all of them including Nico & Gabe tackled ferociously and fed the ball to space which resulted in goals to some of forwards.

Tzvi had a great 2nd half and was involved constantly. Toby kicked his first of the season with plenty more to come! Kai was so agile and fast to get the ball, he ran to contests you swore he had no chance of making and was rewarded with 2 of his own goals.

Should out also to Ethan & Rocky who are starting new roles on the wing and were a large reason for our dominance in the 1st quarter.

On wards and upwards boys – Go Jackas!

AJAX U15 GIRLS COMETS LOST BY 128 POINTS

GOALS

The day held special significance as we celebrated Kolliner's 50th game - a massive milestone. It was also a proud moment as we welcomed Sternson for her debut, slotting in seamlessly.

It was a tough game that demanded grit, resilience, and full effort. When the girls were asked to lift their intensity, they responded with heart and fight. Every player dug deep, showing a relentless commitment to each contest. The girls stepped up when the pressure came fast.

Second efforts defined the match. The pressure was high, but the girls never gave up.

Schachna's intercepts and pressure moments were critical. Kolliner and Lewis led by example, applying great pressure and making repeated efforts to win the ball. Israelsohn brought relentless running and physicality. Friedman ran herself into the ground, always there when the team needed her. Lewinsohn stood strong in defence, breaking through the opposition and regaining possession. The girls worked together like a unit, covering for one another, backing each other up, and moving with purpose. With every quarter, the girls lifted their intensity, proving they weren't just there to compete, but to leave everything on the field.

The Mensch Award was deservedly presented to Lyons, a player who kept the girls motivated and hold belief through the entire game, using her strong communication.

It has been a tough 4 weeks but we are ready to bounce back in the upcoming weeks. Let's go girls!!

KLINGER, OLIVER 1

Another perfect day for footy as the boys were eager to bounce back from last week's disappointing result.

We started the game strongly, as we had our best opening quarter of the season. The boys kicked a couple of early goals to set the tone and show how we wanted to play for the rest of the game. Jacobs' work rate around the ground was excellent, as he constantly won the ball from stoppages.

The second quarter presented a challenge against the wind, but we held our ground well. Ainsworth and Katz who was battling a knee issue showed great resilience as they kept rebounding the ball out of defence. The team performed well to keep it roughly even going into the break.

In the third term, we didn't have much of the possession however we executed a fast ball movement game style and capitalised on our counterattacks. The boys made the most of our inside 50s, converting goals efficiently. Hyams' aerial efforts stood out against a tall opposition which was critical in keeping us in the game.

The final quarter saw the opposition kick a couple of quick goals to snatch back the lead. Despite our efforts early, the boys ran out of gas and we couldn't gain back momentum. While the finish wasn't what we hoped for, there's real excitement heading into next week with a fresh start, eager to bounce back stronger.

LEIBLER, NADAV 1
VOGEL, JOSHUA 1

The U16 Stars returned to form in Round 4 with a strong and disciplined win. Right from the opening bounce, the boys brought energy and intent, applying early pressure and gaining control through the middle of the ground.

After setting the tone in the first quarter, they held firm defensively and maintained composure to gain a strong lead

The group dropped slightly in the third quarter but cleaner ball use and a strong link between midfield and forward line allowed us to stretch the margin in the 4th and keep control of the game.

It was a complete team performance, with contributions across all lines. Our forwards worked hard to keep the ball locked in and capitalised on their chances, the midfield competed hard all day, and the defence remained structured and reliable in transition.

Another close and exciting match for us.

We came out with a much more attacking game style and begun the game well. We were able to force turnovers and score from them using our run and carry game.

We played majority of our game in our forward half but at times failed to convert and put scoreboard pressure and maintain momentum. The game was goal for goal but we felt we did assert dominance for longer periods and gave ourselves many opportunities compared to previous weeks but just couldn't execute.

In the end we were against the wind in the last qtr and still had multiple chances going inside 50 but lacked class. Unfortunately, missed out by a point from us rushing a behind in the last 5 minutes.

With a few injuries and boys to come back, we found a game style that looks dangerous going forward. While we just need to clean on our defensive game and ability to cover the ground to prevent scores off our turnover.

Overall, a good grading period from the boys.

AJAX U17.5 BOYS STARS LOST BY 49 POINTS

The U17.5 Stars travelled to Wheeler's Hill to play the top of the table Mount Waverly Park. After having the bye in the previous week, the boys looked to capitalise on an extra week's worth of training as we entered the final week of grading for the 2025 season.

Through the first half, it was clear that the boys' level of football was improving after trailing by only 5 points at both quarters and halftime. However, in the second half, the boys struggled to keep pace after facing another 2 injuries and playing out the game shorthanded.

However, it was evident that the boys had come a long way in the 2 weeks since their last match. The boys were gelling more and arguably dominated for patches of the game. There were a lot of positives to take out of the game, regardless of the scoreboard, and the boys will prepare well this week for the first official game after the grading clean slate.

Bests for AJAX in no particular order included:

- Ari Gordon
- Gabe Paluch
- Toby Gelbart
- Eden Castelan
- Benji Rostkier
- Noa Fridman

The Ajax U17 Rockets had a 100 point win that every single player significantly contributed in with everyone playing their role. We were very proud of how the boys kept on fighting for 4 quarters despite the match looking like being over at half time. Harry Naphtali, Giddy Templehof, Ashton Zalcman, Caleb Epstein, Matt Rothschild and Yehuda Perlstein were all instrumental today and were unlucky to miss out on being in the best. Very excited to exit this grading period and attack the rest of the season knowing that our best footy measures up.

We faced off against a combined Bentleigh/Highett/Cheltenham side, and the game started as a tight arm wrestle. Both teams traded goals in the opening term, but we managed to gain the upper hand and took a 26-12 lead into quarter-time.

From then on, it was a one-sided affair. We blew the game wide open with relentless pressure, clean ball movement, and total control around the ground.

Hugo Mack was electric up forward, slotting 4 goals and causing constant headaches for the opposition defence. Asher Franks drawing 5 50 metre penalties, causing huge problems. Off half-back, Ty Janover was slick and composed, setting up play with precision and class. Boogies continued to show his unique ability to "weave" — baffling opponents and teammates alike with his unpredictability.

In the ruck, Ola had a standout performance, giving our midfield first use all day. Speaking of the midfield, Hayden Katz was with his clean ball use and smart decision-making, helping drive us forward at every opportunity with Manny and Josh.

A brilliant team performance from start to finish — a huge statement win. On to a highly anticipated match with St Bedes.

AJAX U18 GIRLS COMETS LOST BY 18 POINTS

GOALS

FELL, MEIRAV 1

This week we played our last grading game, versus St Kilda City, late on Sunday afternoon.

It was a little windy down at Elwood, but still bright and sunny.

We had started slowly last week and our thoughts and efforts for this week were to make sure we played hard footy from the beginning of the game.

Our focus then was on our contest method and making sure we persisted throughout.

Both team seemed evenly matched, and score were level at half time. Disappointingly the oppo slowly wore us down in the second half, and while we kept within striking distance the margin at the end was a couple of goals.

Grading is now finished so we are into the season proper, and this week we will have almost a full squad available. A good session on Wednesday at training will prepare us well for the next game.
