## U10 GIRLS - JACKETTES

VS

### COACHES CORNER

## MATCH REPORT

The girls brought something special to the field. From the very first whistle, they looked confident, composed and ready to play. The ball was moving quickly, with some fantastic passages of footy where the girls linked up through handballs, found space and backed themselves to make the next play. They weren't just chasing the ball, they were reading the play, moving into position and creating options for each other. There were some brilliant moments of attack, with the girls taking on their opponents, using their speed to break into space and then finding teammates further up the field. We also saw some great decision making with the ball, with kicks going to smart options and handballs being used to keep the play moving. Defensively, the girls were just as switched on. They were putting pressure on the ball carrier, closing down space and working together to win the ball back. Some of the tackles and contested efforts were seriously impressive, and once they won possession, they were quick to turn defence into attack. What made it even more special was how confidently they played. They backed themselves, trusted their teammates and played with a real sense of purpose while still bringing plenty of smiles and fun along the way. Because no matter how good the footy gets, they never forgot that rule number 1 is to have fun! The celebrations, laughs and little moments between plays were still very much there. The girls truly left no crumbs on the field, and walked off knowing they had given everything they had in each game. The games showed just how much these girls have grown, while still playing with the biggest smiles.

### COACHES CORNER

## MATCH REPORT

The Lightning Premiership was a fitting culmination to a terrific season for the Ajax U10 Rockets. Handed a tough draw, the Rockets turned up ready to play and produced some of their best football of the year. First up was St Peter's. The Rockets came out blistering in the opening half, led by a dominant midfield performance that created repeated opportunities up forward. The forwards made the most of the supply, converting some impressive goals from tight angles and giving the Rockets early control of the contest. St Peter's turned the tide after the break and applied sustained pressure, but an outstanding performance from the back six ensured the Rockets held firm and secured a hard-fought win. Next came a formidable Prahran outfit, but it was Ajax who struck first. What followed was a genuine arm wrestle, with the teams going score for score and refusing to give an inch. The Rockets produced some of their best intensity of the season, tackling ferociously at every contest and keeping Prahran firmly to account. A late score was denied by the goal umpire - who happened to be a well known media personality and younger brother of a former AFL CEO - who called touched, leaving the Rockets just two points shy of victory. The final game was against the Sandringham Zebras, a team the Rockets had faced several times and developed a great friendly rivalry with over the season. It proved to be perhaps their tightest contest of the season. The Rockets took the early lead before the Zebras lifted and wrestled back momentum. Both teams worked tirelessly, displaying terrific skill, pressure and determination. One of the best team goals of the season captured just how far the Rockets had come. Starting deep in defence, they moved the ball from one end of the ground to the other through pinpoint kicking and marking, cutting angles and working for one another before finishing with a goal. There were huge efforts everywhere: intensity at ground level, strong work at the clearances, courageous marking in defence and clever handballing and ball movement across the ground. Again, the Rockets fell short by less than a goal, but the results did not reflect the enormity of their performance. Across three games, they played some of their best football of the season and put everything they had learned into practice. It was a wonderful display of the Rockets' growth, resilience and connection over the year. A huge thank you to the entire playing and parent group for making the season such a special one. Bring on 2027. 🚀

COACHES: JOSH FRYDENBERG, MARK BENKEL, ELIOT SILMAN

COACHES CORNER

"Go hard!"

## MATCH REPORT

Match report After a cold wintry season, the sun gods look kindly upon the Sharks for the final hit out of the year with the lightning carnival. The Jackas ventured to the Panthers home ground for three close encounters of a different kind. First match was against the East Brighton Vampires a formidable opponent with Frydenberg and Freilich revving up the boys in their role as co-captains. It was always going to be tough but the boys started strongly with Fried snapping truly despite more than a niggling injury with Silman Jankie and Gomo repelling our opponents attacks while Benkel, Wajsman and Kolliner burrowed for the hardball. The boys showed even greater intensity in the second half with the ever reliable Segal showing his silky skills and Lipp leaping high in the ruck. Marcus is a raging bull with the ball and kicked superbly off both feet while Wibawa tackled hard and Kirschenbaum sent off some nifty handballs and kicked nicely into space. Next up was the Cheltenham Panthers with Wajsman and Kolliner reminding the boys of the opportunity before them in their role as the co-captains for this game. Snow has been so strong all season competing like a man possessed and this match was no exception. Barber and Gestetner were great team men chasing the ball often against bigger opponents while the Binstock boys Josh and Noah were deceptively quick in the contest marking in front of their men. While the team missed Brand and Bechler who were out for this game, their spirit was with us, as the boys limbered up for the final game. It really was a case of saving their best to last for the match against South Melbourne Districts where the Binstock's were cocaptains. The boys were simply superb from the get go. Fried was dynamic, Freilich skilful with Silman showing why he's is so feared by the opposing teams. Wajsman was great above his head marking strongly all day while Frydenberg was a ferocious tackler but it must be said that Benkel really showed the courage of an ANZAC by coming back on the field after a knock to the nose - there were so much red stuff on his shirt one thought he had a four and twenty and spilt the sauce - but in fact it was some of his own fluids that will make the washing machine at home work overtime tonight. When the siren went the boys leaped with joy and sang our song with gusto. It was only appropriate that ring-in Mendel gave the boys a shofar blowing to round off a memorable lightening carnival and an even better season where the boys showed real courage and character that will set them up for what waits on and off the field in the years ahead. Go Sharks!

MATCH REPORT

On reflection, the Rockets had a great season. When we were placed in div 2 before grading, I wasn't sure how we'd go. And you came out and blew the opposition away in the first two games. Then we went to div 1 for two weeks and had a great experience, played good footy, tested ourselves. Though we ultimately lost heavily in both those games, it was good to see where we were at. We had two wobbly games back in div 2 and then found our feet. We only really had one big loss in div 2, to the Zebras where we were a bit off, and they were really on. The next biggest loss was by less than 3 goals. We beat the team now in third (who by the way beat the team in first last week). We outscored the team in first (the Kangaroos) for 3 quarters after a tough first quarter. We arm wrestled and beat the team in 6th (Bentleigh) to keep our finals hopes alive two weeks' ago at their home. We were up at ¾ time last week before the Vampires won the last quarter and qualified just ahead of us for finals. Our best footy was superb and would stand up against any team. We were every bit a finals team, in div 2 and we should take great confidence in having competed so well in a tough division. Today, we didn't play our best. But we were relentless with our pressure and got the job done. Well done to Norich, Zuch and Krawitz on captaining well in their 50th. I'm really proud of what we achieved together this year and you should all be too.

MATCH REPORT

It came down to this. After two years of blood, sweat and tears, 19 boys took to the field to show the world just how good Sharkball can be. With absolute vibes at Princes Park, the boys were up and about. Last game as the Sharks. Milestone games for Lamm and Holcdorf. Sun shining. Perfect. From the get go, the boys stamped their authority on the game. We dominated centre clearances. First to the ball every time. Harder at the contest. Our workrate through the middle was outrageous. Milestone man Jackson Lamm dominated, playing the game of his life in the midfield, bringing toughness on the inside and poise on the outside and bobbing up for 3 goals. Captain Eden Holcdorf, the other milestone man, could do no wrong across the ground, bringing aggression to the ruck, pace and link-up on the wing, and also chiming in with 2 majors himself. Gabizon and Golshevsky's run and carry through the corridor repeatedly left the Bears flat-footed. Ramler, Blachman and Deren showed why they are amongst the best users of the ball on the wing or coming off half-back. At the other end of the ground, Shulman and Herbst were rock-solid in defence, with multiple desperate, goal saving defensive efforts. For four quarters today, we saw the Sharks be the absolute best versions of themselves. They worked so hard for each other with two-way running. Second, third, fourth efforts everywhere. They tackled hard. Shepherded. Got to every contest. They looked for each other and found each other with magnificent link-up play. It was everything we've been working towards over the season and we couldn't be prouder of the way they went about it to cap off an incredible two years. GO SHARKS!!!!!!

MATCH REPORT

Final round.Win and we were finals bound.Lose, and our season was in the hands of other results.The stakes couldn't have been much higher.The Stars welcomed top-of-the-ladder Highett to Princes Park knowing exactly what was on the line. But in the pre-game address, the coaches never mentioned finals.Instead, they spoke about the things that had brought us here.Pressure.Tackling.Accountability.Teamwork.Nothing changes.Maybe it was the occasion.Maybe it was the pressure.Whatever it was, the Stars started like a bear settling in for a long winter's sleep.Highett capitalised, kicking 1.2 (8) while the Stars could only manage...Nothing.No goals.No behinds.Zero.Normally that would be cause for concern.Not this time.Because while the scoreboard measures goals, we've spent all season measuring something different.Pressure.Effort.Voice.Courage.And despite trailing on the scoreboard, we knew we weren't far away.We just needed to poke the bear.Quarter-time came.The bear woke up.Led by captain Ed Moss and co-captains Josh Bragilevsky and Tyler Karp, who were both celebrating their 50th games, the Stars responded brilliantly. They kicked the only two goals of the second quarter to head into halftime full of belief.Then came the third quarter.Quite simply...It was the best quarter of football the Stars have played all season.Wave after wave of pressure.Relentless tackling.Run.Support.Voice.Two goals, three behinds and complete control of the game.At three-quarter time the coaches weren't interested in protecting the lead."Keep playing on our terms."The boys listened.Another two goals in the final quarter sealed a remarkable victory.The celebrations after the siren were electric.And deservedly so.Because this wasn't just a win.It was proof.Proof that growth isn't always measured by the scoreboard.But every now and then...The scoreboard catches up.The Stars didn't just qualify for finals.They earned it.Go Stars

MATCH REPORT

Considering the team had already qualified for the finals, we decided to employ Ross Lyon’s tactics, and as such we rested 60% of our leadership group as well as our boom recruit for the final game of the home and away season. Given the game was played at 9am in Mordialloc under a hazy fog, it was fair to say the rest of the Jackettes also wanted to be rested for the day. With a bit of a firm push and shove, the coaches eventually managed to get the girls onto the field. Despite the opposition’s early dominance, our backline was resolute. Scarlett, Minnie & Mila Cooper were excellent down back. Giving not a first, nor second, but rather third and forth effort at every opportunity, the opposition didn’t capitalize on their opportunities. With additional support from Edie, who played her best game down back, our girls were right in it. In a congested field, we struggled a tad, but once the ball moved to the open spaces our girls could run, moving the ball in a fast free flowing motion. Whilst this bought a smile to our parents, it didn’t go down well with our boundary umpire, as Tempelhof was caught some 50 meters behind the action with what looked to be a dodgy 50 year old hammy. Whilst Justin may have struggled, his offspring didn’t, with Lottie providing a tall target around the ground. Libby and Abby were thrown back, forward and middle by their coaches, whilst their opponents threw anything at them to negate their influence. A slap to the backside, a slap to the thigh, a slap to the spirit of the game. Rather than revert to their tactics our girls fired back as champions do, kicking truly for 2 great goals. Finals here we come!

MATCH REPORT

The Falcons went down to a highly skilled and well drilled Tigers team ready and primed to take on finals. Our boys applied themselves and exerted the same pressure and contest we've come to know of this team. This is a team of fighters and while results didn't go our way most of this year, the boys applied themselves at every contest of every quarter and we couldn't be more proud of what they have given to their team in season 2026. We hope to see all the boys playing for the red, white and black again in season 2027!

DAVIS, ASHER

EPSTEIN, EZRA

LEVIN, JORDAN

ONG, AYDEN

RATH, MATAN

MATCH REPORT

The Ajax U12 Jets showed plenty of determination despite going down to Cheltenham Highett in a hard-fought contest. The first half was an even battle, with the Jets applying relentless pressure through disciplined man-on-man football across the ground. Every player worked tirelessly to limit Cheltenham Highett's space and opportunities, making it a fiercely contested opening half. The highlight for the Jets came when Matan Rath produced a moment of brilliance in front of goal. Following a clever free kick deep in attack, Matan reacted quickly to sneak through a well-earned goal from the goal square, giving Ajax a deserved reward for their persistence. It proved to be the Jets' only major of the afternoon, but it was a goal built on smart thinking and teamwork. Overall, Division 3 proved challenging for the Jets, but the team spirit and enthusiasm never waned. This was encapsulated in the final 10min of the final quarter of the final game of the season, when Coach Jarrah through Dickman in the ruck against a towering opponent. As Dickman miraculously scored a hitout, the Jets celebrated like they won the match, leaving the opposition and supporters completely bewildered.

KAGAN, BLAKE

ONAS, ASHER

RALEIGH, FRANK

MATCH REPORT

Despite competing hard for the full 60 minutes, the Comets just weren't quite good enough against a strong Beaumaris opponent, going down by 9 points. Beaumaris managed to keep their noses in front from midway through the first quarter. Every time we kicked a goal to even the contest up, our momentum was quickly halted as Beauy found a way to respond with a quick reply. Two losses in a row isn't the ideal way to enter a final series, but there's been a lot of key learnings and takeaways from the past two weeks that will give us a clear focus heading into our elimination final this week. Special mentions for yesterday go to Kagan and Raleigh, who gave 110% all game and did their absolute best to try and drag their team over the line. Appel also stood strong with his performance across half back. Isaacs arguably had his best game for the season with his precise disposal and good decision-making under pressure. White was another who competed hard and tried his best to exert a physical presence on the contest.

BALTER, DANIEL

ECKSTEIN, MIKEY

GUNN, RYAN

LANDAU, EZRA

MYMIN, BLAKE

NEWMAN, IZZY

MATCH REPORT

The season's final game against Murrumbeena didn't pan out the way we all would have liked. Reflecting the story of the Falcons year, our boys started slowly and allowed the opposition to win the contested ball too easily. Some wasted chances early in the game meant that the Falcs were down by 3 goals at the first change. The second quarter was scrappy with both teams struggling to move the football from end to end with any fluency. It was a hard one to watch with no goals scored. The game opened up more in the second half, and we started to show glimpses of our best football with the consistent mid field machine Gunn and Co-Captain Harris winning at the stoppages and strong run and carry from the speedy Balter and ever skilful Eckstein on the wings. Nowoweiski slotting his first, and later a second to give us a sniff of comeback win. Some mentions to go to the much improved Newman (despite being outsized in the ruck), onballers Landau ( who never gave up trying) and Mymin ( who was back to his best form) and backmen Goronstein and Smorgon (both prepared to put their heads over the ball). Unfortunately, the last quarter was marred by 3 yellow cards - one umpire being quick to send off players, and our boys not adjusting to the officiating umpires interpretation of the rule. There are hard lessons to be learnt from what followed. A focus not on the game, but rather the umpire, meant that any comeback was quickly snuffed out and the home team went on to a 13 point win. Reflecting on the overall season the boys battled hard in Div 4, against some very good opponents each week. Key takeouts are:- A focus on winning the 50-50's and being prepared to take body contact and win the hard ball. - Good training habits make for good playing habits. Turn up to train with the right attitude.- Following team plans, listening to instructions and remaining focused throughout the game. -Working on basic skills during the off season - kicking to hit targets and tackling effectively.-Fitness - u14 will demand more running and a quicker tempo. The boys need to be prepared to get fitter and run out games.-Voice on ground - something all players need to embrace to improve teamwork on the field. Well done Falcons - its been a fun year, filled with many highlights, lots of improvement from all the boys and hopefully many more wins in the years to come. Thanks to Co-Coach Danny Gunn, TM Mark Levi, Runner Brad Davis, and all volunteers who helped out.

MATCH REPORT

The Jets took on the East Brighton Vampires for the fourth and final time this season, determined to finish the year on a positive note. While results on the scoreboard hadn't always gone their way throughout the season, the boys were keen to end the year with a strong performance. The Jets brought excellent pressure from the opening bounce and matched the Vampires' intensity in the first quarter. Despite their efforts, they were unable to capitalise on several opportunities, allowing the Vampires to build an early lead. The second quarter saw the Jets lift to another level. Through the hard work of the mids, the midfield began to gain first use of the ball and drive the team forward. Their persistence was rewarded when Sion took a strong mark, played on and kicked the Jets' first goal of the game. Soon after, Breuer added another major, making his 50th celebration game even more memorable. The third quarter continued in much the same fashion, with great pressure, teamwork and determination across the ground. Sion again proved dangerous up forward, taking another strong mark and converting his second goal of the match. Davidson was moved into the forward line and quickly made an impact, kicking a well-deserved goal of his own. The boys never stopped chasing, tackling and applying pressure throughout the final quarter. Their effort was rewarded once more when Beggs slotted a goal to cap off a determined team performance. While the Jets didn't come away with the win, the coaches and parents were extremely proud of the way the boys competed, supported one another and played out the season with great spirit and determination. A big thank you to all the players for their commitment throughout the year, and to all the parents and volunteers who generously gave their time or came along each week to support the team. Enjoy the off-season, and we look forward to seeing all the boys back again next year.

KABILLO, ASHER

QUEIT, TOBY

RUBENSTEIN, JUDAH

ZUKERMAN, NATE

MATCH REPORT

Another 8am game at Princes Park and another win for the Falcons! Having developed a habit of starting games slowly, we changed things up and went with Asher's pre-game pilates. Unfortunately, we again looked half-asleep at the opening bounce and quickly conceded the first goal. We may need to look to hot yoga this week. Despite the slow start, we did manage to kick into gear in the later stages of the quarter, capped off by Rudy's long goal after the siren. The second quarter saw us dominate field position but struggle to kick goals, but we were able to persist and put the game to bed in the third quarter. Our start to the last quarter was fantastic, with a couple of early goals, but we then went away from our team structures as our defenders and midfielders tried to sneak forward. This resulted in the opposition kicking some late goals and is a good reminder that if we don't play as a team we will quickly get punished. Overall, while not our most polished performance, it was good to end the home and away season with a comfortable win. We can take a lot out of this game and use it to ensure we are ready to go against Ormond. The focus for the last couple of weeks has been to move the ball quickly and bring the ball back into the corridor to try and generate scores on transition. We saw this on a few occasions to great effect. Toby, who was hard at it all day, did a beautiful lateral kick to CHF to set us up and showed the way, while Rudy used the corridor to get dangerous and hit the scoreboard. It was really pleasing to see all the players contribute strongly, with Hayden's contested mark a highlight and Isaac's hard running becoming a real strength for the team. Judah and Menachem added their names to the list of goal kickers for the year, making it 18 players for the year to show just how even our spread is. Micah and Jackson were tough and uncompromising down back and Ollie showed his toughness time and time again. Rafi E was polished with the ball and consistently got himself to the right spots and Kivi played a terrific last quarter in the backline. After a long regular season, we have earned the right to play finals. This is not something that should be taken lightly and deserves to be celebrated. However, this team is capable of much more in the coming weeks if each player is prepared to give 100% and play their role for the team. Let's train hard this Thursday and come ready to play four quarters of tough, ruthless football on Sunday. Go Falcons!

MATCH REPORT

Our final game of the season vs East Sandringham was a special one, as we celebrated Eli Grant's 100th game, and the boys were pumped from the opening bounce. The midfield was on top early, with Jake Davis and Blake Carew setting the tone with their clearance work and attack on the footy. Benji Norton found space out the back and kicked a great goal, while Leo Rochman and Arlo Smith worked tirelessly up forward. Jake Davis then got out the back for an easy goal and AJAX were flying. The second quarter was all about forward pressure. Jagger Jolson was fantastic through the midfield, while Sam Akkerman and Arlo Smith both hit the scoreboard. Ness Page was giving us plenty in the ruck and around the ground. Sandy kept fighting, but AJAX were beginning to take control. The third quarter was probably our best defensive quarter of the season. Sandy didn't score a single point! Levi Teperman and Sam Schwartz were outstanding with some huge tackles, Noah Bensky completely shut down their best player, and Miller Janover controlled the backline brilliantly. At the other end, Zelli Gordon got on the scoreboard with a tough goal. Jake Davis delivered a beautiful kick to Sam Zamel, who took a tough mark. A brilliant handball passage involving Shua Szentel and Benji Norton set up Jake Davis, before Shua Szentel combined with Ness, who finished with a brilliant running goal. Sandy threw everything at us in the final quarter, kicking the opening two goals. But Charlie Burman steadied us with some brilliant rebound footy. Osher Ben Zur then set up Leo Rochman for a goal, and Leo caught fire, kicking another. Ness Page put the finishing touches on a fantastic season with another goal. We finished with a 40-point win, but more importantly, every player contributed and played for each other. A brilliant way to finish the season with two wins in a row and celebrate Eli's 100th.

MATCH REPORT

It was a beautiful sunny day at Princess Park for the Falcons' season finale, but unfortunately it was another tough day at the office. The boys went down in the last game of the year, capping off a season that's been a grind more often than not. Full credit has to go to the group though. Most of the boys only got back from camp the night before, so fielding a full team was always going to be a challenge, and it showed in patches. Numbers were down, legs were heavy, and the opposition made the most of it early. There were still moments to be proud of. The boys kept competing until the final siren even when the scoreboard wasn't going their way, and that says a lot about the character in this group. It's been a season of learning more than winning, but there's plenty for this group to build on. Thanks to the boys for fronting up every week, and to the families for their support all season.

MATCH REPORT

Our final game of the home and away season brought an exciting opportunity with a very winnable game against South Melbourne. The boys were pumped to make an impression on the rest of the competition before finals. The Jets got out to a very dominant start, completely controlling the game in the first half and heading into the main break with a 50-2 lead. The boys played a very selfless brand of footy, always looking to create opportunities for teammates in better positions. Unglik, Hoff and Steiny, among others, all contributed with excellent goal assists in the first half. The Jets continued to dominate in attack in the second half, putting on another 7 goals to raise the bat with our second score in the hundreds for the season. Ollie Mittleman was amazing through the midfield, Gerber and Unglik were incredible again on each wing and Alon had a season best performance with 4 snags. A great way to cap off an excellent home and away season, and the Jets are incredibly excited for our Elimination Final on Sunday.

MATCH REPORT

The Under 15 Comets finished their season with a spirited performance against a slick Mordi-Brae side. The boys competed hard throughout the game, but Mordi-Brae’s quality and ball movement proved too strong on the day.Captain Noah Bluestein was outstanding, finishing his season with a brilliant performance and once again leading the team by example. Charlie Pack continued his excellent finish to the year with another strong display, while Jensen Weinberg, Kobi Borowski and Harry Basist all played well and fought hard throughout the contest.It’s been a challenging season for the group, with injuries making continuity difficult and testing our depth at different stages of the year. Despite that, the boys continued to turn up, compete and play for each other.While the season didn’t finish the way we would have liked, there were plenty of positive signs throughout the year. The development, resilience and improvement within the group gives us plenty to be excited about for the future.Well done to all the boys on the season and a big thank you to everyone who supported the team throughout the year.

MATCH REPORT

The girls wrapped up their season with a hard-fought final game, showing plenty of fight, determination and team spirit right until the final whistle. There were some great passages of football, with the girls moving the ball well, creating opportunities and working together to get forward. Defensively, they showed plenty of determination, putting their bodies on the line and working hard to stop the opposition from creating chances. Our girls never gave up, even when the game wasn't going our way. They continued to encourage each other, push forward and look for opportunities to get back into the contest. There were plenty of positive moments throughout the game, and it was great to see the girls putting into practice the things they have worked on throughout the season. The effort from everyone on the field and the support from the sideline was fantastic, with the girls continuing to back each other until the very end. Although we didn't get the result we wanted, the girls should be incredibly proud of the way they finished the season. Football isn't always about winning, and today showed the character, resilience and togetherness this group has developed throughout the year. A huge thank you to every girl for an amazing season. Watching you grow in confidence, develop as footballers and, most importantly, enjoy playing together has been so special.

MATCH REPORT

That’s a wrap on our Under 16 Jets season.It wasn’t the season we had hoped for on the scoreboard, but the coaching group couldn’t be more proud of the way you have conducted yourselves throughout the year. You kept turning up, brought positive attitudes, supported each other and continued to give your best every week.Today showed plenty of what this group is capable of, with some really competitive moments. Orel and Faj were outstanding in the backline, taking some huge marks and putting their bodies on the line. Our midfield also deserve a huge congratulations – with no bench, they ran themselves into the ground and never stopped competing. Well done to t-bone on his 2 goals.Footy isn’t just about the wins. It’s about getting out there with your mates, having fun, working together and creating memories along the way. That’s what this group has done, and you should all be proud.Big thanks to Jake David for filling.Itai and I are incredibly proud of every one of you.A huge thank you to Dion for TM, and to Jamie for running and stepping in when Itai had to leave. And to all the parents and families who volunteered, supported and helped out every single week – thank you. We couldn’t do it without you.We’ll get everyone together for an end-of-season dinner to celebrate the year properly,Well done Jets. Hold your heads high – we’re very proud of you all.

## MATCH REPORT

Our Comets played their final game of the Home and Away season against Murrumbeena on Sunday night. The boys were ready for a tough task, knowing Murrumbeena would come out strongly and be determined to knock us off. As expected, Murrumbeena came out physically, took territory and built a couple of goals' lead by the midway point of the second quarter. Our boys responded strongly and made the most of a slight breeze late in the second quarter to level the scores by half-time. It was the second time this year we had gone into a game against Murrumbeena with the scores tied at half-time, setting up another exciting contest. Whilst we weren't as accurate as we would have liked, we were confident the boys were creating enough good opportunities. At half-time, we asked them to take the game on, take more territory, deliver the ball longer and create an advantage in our forward line. It was great to see the boys follow the plan, and we were able to take a couple of goals' lead into three-quarter time. The boys communicated really well throughout the final term, making sure everyone understood the plan as we looked to close out the game. Even more encouraging was the way they responded when we lost some key players to minor knocks and had to finish with a slightly different-looking lineup. The boys stepped into their respective roles really well, showing great composure to get over the line by two goals. It was a really good tune-up for what we will face in the weeks to come. It's important that the boys now be brave, believe in themselves and recognise just how much they have improved throughout the year. They have thoroughly earned their opportunity to compete in this year's finals series, and we are really looking forward to seeing what we can achieve together. Ari had another great game against this team. His leading patterns were fantastic and, at crucial times, he composed himself, went back and slotted the important set shots. Nossi played his 100th game for the club on the weekend and did himself and the team proud, picking up some key touches and linking our play from half-forward to full-forward. Rooster took plenty of marks through great positioning and was clean with his disposal throughout the game. Nico toughed it out in the middle all day, finishing with a great goal. He was awesome in the air and gave us plenty of drive from the midfield.

MATCH REPORT

A performance worthy of a finals-bound team. Coming into the game, we learned that we had secured ourselves 2nd place on the ladder, meaning a double chance come finals. This led to the Hawks playing for their season while we had nothing on the line. Despite this, the team carried themselves with maturity and ensured that the Hawks would not be celebrating anything today. The first quarter saw a heavily contested battle, with Zac Feldman carrying on from a 5-goal haul against the Hawks last time, with the first of his 3 goals being kicked early on. The forward line as a whole was commanding, with Jordan Suss and Hugo Waisman showing how dangerous the duo is, kicking 1 and 2 goals respectively for the day, with both leading from the front. The second quarter saw us begin with a 5-point lead and a lift needed to start to control the game. Jake Wood and Hugo Kolliner (1 goal) took this upon themselves and ran nearly a full game out in the midfield alongside Zac Linnow, Eyal Berry and Omer Getz (1 goal), rotating through there as well. Toby Vogel and Jaxon Siegel dominated either wing, showing their 2 way running capabilities were far stronger than anything the Hawks could throw at them. Despite some on-field distractions in the form of foul language directed at AJAX, the boys held composure once again and took a 2-goal lead into halftime. This quickly grew again with excitement machine Asher Widmonte kicking 2 goals for the game, including one from near 50, surrounded by people and on an angle. Jordan Ritterman delivered as per usual, dominating the ruck and resting up forward when needed, seeing Aaron Raymon go into the ruck where he continued to deliver in his place. The 3rd quarter was where we gained total control of the game. Yeshaya Goldberg was a brick wall off the half-back flank and wing, where he made huge effort after effort, along with Oz Eckstein, Aviel Ben-Salamon, Josh Fixler and Aaron Scharf, who ensured we only gave up 1 goal in the 3rd quarter, while kicking 4 of our own. Throughout the 3rd quarter, Josh Vogel once again showed his forward prowess, having multiple displays of skill off half forward and setting up multiple team goals in selfless moments that led to the team's success. The 4th quarter was a moment when the team could begin to enjoy the hard work they had put in, with Seth Segal sliding down to half back after working to tag #51 all day, Noah Sher booting a great goal and our rock down back, Dean Waters, finally getting to have a run up forward for the last 8 minutes of the match. An excellent Falcons win that capped off a true team effort this season. Finals football next week has been well earned and the boys will be ready

MATCH REPORT

In our last game of the season the U18 Rockets suffered a defeat. Despite the unideal ending, it capped off what was a very impressive season for the group of boys which everyone involved is immensely proud of. Although it wasn't our best game from a footballing standpoint, the spirits of the group pre-game, in-game and post-game remained high. It's been a pleasure for Bailey and I to coach these boys this season and to witness how far the group has come from having such a successful start during grading, dealing with the cards we were dealt of facing division 1 as a "B-team" and enjoying the reward of the hard work the boys put in which resulted in 2 victories throughout the season. We are excited to hopefully coach the Year 11 boys next season and just as excited to see a healthy portion of Year 12's go on to play seniors footy at Ajax in the coming years, from what is the most talented age-group I have seen over the past 4 seasons. Shout out to E. Katz who played his best game for the year and to J. Beebe for putting in a really good performance in the ruck all game despite being hurt, in the absence of M.Rubin and N.Prendegast. Lastly, thanks to all the parents and the club for making this year possible and successful, with the challenge and achievement of having 4 teams in the age-group.

COACHES: KAE LAN LAZARO, RUDI COGGINS
