

THE JACKAS WRAP

ROUND 10, 2025

THE JACKAS WRAP

ROUND 10, 2025

Round 10 served up another full slate of action for the Jackas, with a weekend marked by courage, class, and plenty of learning moments across all age groups.

The Under 8s embraced chilly conditions with enthusiasm. The Stars impressed with their pressure and spread, and the Sharks were involved in a tight battle, rising to the occasion with fierce tackling and teamwork. The Rockets maintained their unbeaten run with a four-quarter performance full of run and composure.

In the Under 9s, the Stars continued their strong form with fast transitions and excellent teamwork. The Sharks were courageous in a hard-fought game against top opposition, showing signs of maturity and development.

For the Under 10s, the Stars controlled their match with disciplined positioning and classy finishing. The Rockets demonstrated resilience, pushing through a tight contest with solid defensive efforts. The Sharks combined well and delivered a confident performance, finishing strongly after an even start.

The Under 11s had a mixed round. The Rockets produced another dominant display, combining flair and structure to keep their strong season alive. The Stars fought hard but were narrowly outlasted. The Sharks went down to a skilled side but showed encouraging improvement. The Comets fell short, while the U11 Girls brought great energy and spirit despite a challenging contest.

In the Under 12 to Under 15s, several teams tasted victory—including the U13 Stars and U15 Comets—with others continuing to build combinations and confidence despite close losses. Team unity and improved ball movement were common highlights.

At the top end, the U17.5 and U18s delivered again. The U18 Rockets continued their winning streak in emphatic fashion, while the Comets fought bravely in a tight loss.

As always, the Jackas spirit shone through. Onwards to Round 11!

ROUND 10

MATCH REPORT

COACHES CORNER

A bright, sunny winter's morning greeted the Rockets at Le Page Park for their re-match against Cheltenham on the final day of school holidays.

"We play as we train!"

Fired up to bring the same intensity to match day as they had shown at training, the Rockets did not disappoint. Blankfield ignited the forward line with four first-half goals, while Gestetner, Shachter and Goldberg applied relentless pressure to keep the scoreboard ticking over. An early injury to Lipson saw a midfield trio of New, Sahar, and Barber step up, working tirelessly across the ground to support their teammates down back and forward. Whilst the Panthers did present some challenges, it was the courage of Snyder and Feutrill in defence that helped preserve a narrow halftime lead.

The second half turned into a true goal fest! Jankie's class up forward proved pivotal, while the defensive drive from Frid and Dreyfus, combined with Ezekiel's marking and co-captain Gomo's trademark run and carry, showcased the Rockets' cohesive teamwork. Mid-season recruit, Kirschenbaum's composure and attack on the ball was a real highlight. But the moment of the day came in the dying seconds. Co-captain Lipp surged out of the centre and delivered the ball forward for fellow co-captain Kolliner, who pounced and slotted a late goal to seal a memorable finish.

A terrific, well-earned team performance!

MATCH REPORT

COACHES CORNER

"If you see the ball get it"

The sun was out, school holidays at an end and game time at Princes Park. Playing at home against East Malvern the Stars had a lot to prove after their previous outing against this team over a month ago. The Stars did not disappoint. With a couple of weeks of rest under their belt they were hard at it from the first bounce. In fact there must have been something in their Weetbix for the boys were brilliant for all four quarters. Tackling hard, kicking long and finding the big sticks. Benporath in the back and Scher on ball both lead from the front including giving stirring addresses as co captains pre game. Fried, Segal and Rosenberg were all superb. Nudel back to his best, Krampel classy with his left foot, Kaplan gutsy as ever and Frydenberg focused and ferocious started in the middle and got lots of the ball giving the forwards plenty of opportunity. Chaitman put in a typically polished performance peppering the goals, ably assisted by Josh Binstock with his strong hands, Goldberg on the charge and Benkel always tough and competitive took good marks when it counted. Well done to the backline including the talented 'Dees man' Freilich, classy Noah Binstock and always reliable and determined Bechler as the Stars repelled numerous attacks from an East Malvern team with plenty of sharp shooters. All in all a great team effort showing the hard training sessions are paying off. Plenty of gusto singing the theme song ended a rewarding and most enjoyable morning.

ROUND 10

MATCH REPORT

On a beautiful winter morning at Brighton beach , the Under 9 Ajax Sharks lit up the field with a dazzling display of beautiful team football against a spirited Brighton Beach side. With half their teammates still away chasing the sunshine, the Sharks had every excuse to be off their game but instead, they rose to the challenge with heart, hustle, and amazing teamwork.

From the opening bounce, it was clear the Sharks came to play as one. Crisp passes zipped across the ground, and teammates constantly moved into space, always ready for the next pass. It wasn't about individuals, it was about the jumper and the brotherhood.

Despite being short on numbers, the rockets and stars players thankfully filled in and fit in seamlessly. Teammates new and old displayed smart, fast, and fearless footy. Their quick hands sliced through Brighton Beach's defence time and again, and every player played their part ,from brave tackling to clever handballs through the midfield, elite use by foot and composed finishes in the forward line resulted in an avalanche of goals.

And while the opposition gave it their all, it was the Sharks' unity, creativity, and unselfish play that stole the show. They weren't chasing a holiday, they were chasing the ball, the game, and the joy of football.

A proud day for the team, the coaches, and every parent on the sideline. Ajax Sharks, playing the game the way it was meant to be played.

ROUND 10

MATCH REPORT

COACHES CORNER

""We put our team first" was on display all game today. Well done boys loved it!"

Some of the boys were so fresh off the plane home from Bali, they still had their Qantas pyjamas on underneath their Ajax uniforms. Ok that's a slight exaggeration but the commitment of the players to the team and getting on the field despite jet lag and/or lack of sleep was impressive.

What was more impressive was how sharp the Rockets were in the first quarter. A Borowski special centre clearance to start the game was snaffled by Weinberg 25 metres out from goal in what was a harbinger of things to come for the quarter. Backs, Mids and Forwards all executed their roles brilliantly, getting the tough contest stuff done while also showcasing their skills and ball movement. Parents were thrilled and coaches struggling for feedback other than "more of that stuff please".

The second quarter started in a similar fashion, with captain Golshtein showing he has many tricks up his sleeve including rucking and then roving his own ball before pumping it long to the forwards. Captain #2 Leigh was not to be outdone, playing the sweeper role so well for half the game that the Ormond boys probably felt it was like we'd put up a wall at the back of the contest.

With ~10 goals on the board at half time, it's fair to say a few of our boys started to look tired and occasionally trailed the opposition into the contest. However to their credit, they stuck to their roles and contested hard conceding just the one goal for the game. Captain #3 Reti-Waks played the most complete game of an already strong season. He was hard, clean, took the game on and used the ball brilliantly. His kick over to Norich in the goal square was a highlight and team first action.

ROUND 10

MATCH REPORT

COACHES CORNER

On a perfect morning for footy, an undermanned Sharks returned to Princes Park to face long time rivals Mordi-Brae.

"Bring the mongrel!!!!"

The Mustangs brought the heat early. Our pressure around the contest was adequate without being outstanding, but some defensive lapses, skill errors and unkind bounces combined to see the Sharks concede a run of goals.

As we have come to expect though, the Sharks responded after quarter time with a bit of mongrel. Defensive structures tightened, tackle pressure became elite and the boys managed to swing the momentum their way. We went hard at every contest, played for each other and got reward for effort on the scoreboard.

Captain James Helfenbaum, who we were thrilled to welcome back after a prolonged stint on the sidelines, looked like he hadn't missed a week of footy, imposing himself on every one-on-one contest and leading from the front. Captain Dovi Landau, in undoubtedly his best game for the season, found space in the forward line to spring up for two goals.

Super effort from the boys to respond against a highly skilful side.

ROUND 10

MATCH REPORT

COACHES CORNER

**"Bring your voice and
bring your effort!"**

On a picture-perfect Sunday morning, the Stars made their way to Murrumbeena Reserve – boots polished, spirits high, and a few lunchboxes still packed from sleepovers. With the school holidays still in full swing and a few regulars away soaking up the last days of freedom, the Stars dipped into the youth academy, calling up some fresh-faced Under 9 recruits to round out the squad.

And what a spark they brought. The enthusiasm was contagious – the older boys fed off it like footy-hardened uncles chasing their nephews around the park. From the opening bounce, the Stars flew. The pressure was intense, the tackling fierce, and the ball movement sharp.

It was a good old-fashioned scrap. Every possession was earned with grit. The contest was tight, the footy was physical, and the Stars rose to the challenge. Defensive efforts stood tall, with players throwing themselves into contests like it was finals time.

The ball zipped from end to end in a high-paced thriller, but the Stars couldn't quite land their punches in front of goal. Shot after shot went just wide, across the face, or heartbreakingly short. A lesser team might have dropped their heads – but not this mob.

They just doubled down – more run, more voice, more effort. Every player stepped up when it was their turn to go, and the team-first footy was on full display right to the final siren.

With a few familiar faces set to return next week, the Stars will be looking to finish the season with a bang. But on this sunny school holiday Sunday, with a mix of youthful energy and veteran grit, they once again showed what makes this team so special.

Go Stars!

AJAX U11 GIRLS COMETS LOST BY 29 POINTS

GOALS

With the sun beaming down on us, the girls must have thought they were still on school holidays given our slow start. Unfortunately the opposition knew the season had recommenced as they slammed on 4 quick goals.

AKKERMAN, ABBY 2
1

To fire up our troops Captain Aya delved into her father's play book, giving her team a huge rev up, but thankfully without one of her dad's swear words. Her team responded. Sunshine controlled the backline from then on and Libby rebounded everything, bouncing her way out of defense. The two of them were responsible for ensuring the opposition went goalless for the next two quarters.

Whilst Layla and Erica competed gamely, they were out muscled and out marked against a handful of opponents who weren't so much BFGs, but rather BUGs, Big Unfriendly Giants. They towered over our girls dominating center clearances.

Despite holding our own in large parts of the match, we just couldn't convert enough opportunities. Milla Gold put in a gold class effort, playing her best game for the club and kicking a goal in the process. Zee zigged and zagged her way through the opposition and now challenges Heath Shaw as the game's Librarian, with her smoother in the last quarter now showing on Chanel 7 ads.

Speaking of TV, no longer will we need to watch Phil Mannassa bounce the ball from the backline to the forward line for goal of the year, as Abby now holds the modern day equivalent, kicking goal of the century, bouncing all the way from the backline to the forward line and goaling accordingly.

But when the final siren sounded we were 20+ points short. No surprise this was almost the same margin at quarter time. Footy's 4 quarters. Not 3. Let's start next week how we finished off this week.

After a long school holiday break, the Ajax U11 Stars returned to the field with renewed energy and produced a resounding win against East Malvern.

The first quarter set the tone, with Beebe kicking a trademark goal early and Granek and Borowski standing firm in defence. Jankie impressed with clean ball use and precise passing, while Krampel lit up the crowd with a long running goal from 30 metres.

Momentum continued in the second quarter as Dickman was rewarded for a strong tackle with a free kick, calmly converting the set shot. In the middle, Michaels dominated the ruck, feeding Joffe with clean taps and allowing the midfield to drive the ball forward. Eckstein finished the term on a high, slotting a goal after a gutsy second effort.

In the third, Kaplan was unlucky not to be awarded a mark, whilst Janover taunted his opponents by plucking balls from the sky and being strong in defence. Kotlyer was lively around the ground, snapping truly, and Beebe added his second before giving the crowd a bow-and-arrow celebration.

The final quarter saw the Stars take full control. Michaels added a goal off an unorthodox off-spinner and later a beautiful set shot, while Granek and Ong joined the scoresheet to cap off a strong team performance.

The Stars look set for a huge second half of the season.

ROUND 10

AJAX U11 MIXED SHARKS LOST BY 39 POINTS

GOALS

MAJMAN, PARKER 1
ONAS, ASHER 1

We couldn't have asked for a nicer day to host the top of the table Brighton beach, but the undermanned Sharks quickly realised that the holidays were over when 3 quick goals were kicked against them early in the game. To the boys' credit, they were able to stop the flow of goals as Sloane started to lift in the ruck and Asher Onas, co-captain and playing his 50th game and the game of his life, was moved into defense and completely shut down their tall forwards.

Both teams went goalless in the second quarter, although the Sharks were definitely the better team without being able to put the score on the board. The midfield lifted their work rate with Godlewicz, Blustein and Weinstein all playing their part as the arm wrestle continued. Silver and Rosenblum were crucial down back in stopping numerous goals as the momentum seemed to be shifting back in our favour.

Another 5 minute burst from Brighton in the third was enough to effectively seal the game as they piled on 4 quick goals but sharks never gave up. They were asked to give one last effort in the final quarter, which they did, to outscore their opponents and finish the game off strongly. Mark, the other co-captain tried hard all day, putting his body on the line to help the team, but in the end, Brighton were just too tall, skillful and strong on the day. While the score may not suggest it, the boys fought hard all day and can all be very proud of their efforts. Well done Sharks as we look forward to our last 5 games and continued improvement.

LEWSKI, KOBE 1

The first game back after the holidays is always a danger game. In this same match last year, we were stuck in holiday mode and couldn't get out of second gear. As a team, we were determined not to let history repeat itself, especially because it was also Schwartz's 50th game – and to the boys' credit, they stood up and delivered a rock-solid performance to secure a crucial 5-goal win against the Vampires.

A mid-season review by the coaching staff led to a 180-degree flip of the magnet board, with our traditional full-back, Slade-Jacobson, starting the game off at full forward. He went on to kick the opening two goals of the game, and it's fair to say that at this point, the author began to ponder the possibilities of taking his coaching talents to a club like Carlton in season 2026. On the flip side, Levin shifted from his usual position at full forward to full back and delivered his best game of the season, showcasing some terrific intercept marking and strong all-round defensive effort.

Schwartz was outstanding in his milestone 50th game, delivering a performance that highlighted all his strengths as a footballer – his commitment to the contest, ferocious tackling, smart ball use, and the agility that allows him to weave in and out of traffic. Hersh was super clean all day, while co-captain Levi found plenty of the footy and kicked an important goal. Perlman was dominant across half back, always playing team-first football and making good decisions. Sutton lifted his intensity in the second half and was rewarded with a stack of possessions, while Kagan ran rings around the opposition all day, including a stunning 3-goal third quarter that had the patrons at Princes Park in awe.

ROUND 10

AJAX U12 MIXED STARS LOST BY 6 POINTS

GOALS

CASHMORE, ARI 1

The Stars had an early start at Wattie Watson, and came with intensity and determination to turn the tables on St Kilda City after a close loss last meeting.

The first half was a real arm wrestle. Both defences holding up well, and the big ground testing the boys ability to move the football quickly and create scoring chances. At half time it was a slim 2 point lead to the Stars, with neither team kicking a goal.

Playing just 17 men, the Stars were brave, playing on where possible and forcing the Saints to defend hard. Cashmore snuck forward and booted the only goal for 3/4 of footy, and it looked as though the Stars were in for an upset.

After a huge game, skipper Savicky suffered a nasty cut to his knee, leaving the Jackas without its gun backman, and now just with 16 on the field. The Jackas back 6, led by Cohen who was again supreme at full back, and helped by the dash of Smorgon and Landau managed to keep our noses in front. Harvey Harris continued his strong form in the middle, and Krite was brilliant in the ruck and marking everything around the ground.

In the last quarter the Saints held the footy inside forward 50 and eventually over ran the Stars with 2 late goals to edge in front. Mentions to Gunn, Gorenstein, Newman, Kanevsky and Miller - all tried hard for 4 quarters.

The Jackas have a big 4 weeks leading into finals!

GOALS

BALTER, DANIEL 1
COHEN, JAYDEN 1

We arrived back from the mid-season break down 10 players (not ideal...). It was evident early that the Victorian Ski slopes and the golden beaches of Phuket and Koh Samui were the real winners this week.

We were lucky enough to have 5 players fill in from the U12 Stars team (A very big thank you from the Rockets).

These 5 boys (D Balter, A Cashmore, J Cohen, H Harris and R Gunn) made the journey down to Dingley after already having played their own game just a couple of hours before; absolute legends (as are their parents!)

From the outset we knew this would be a tough game to run out.

The boys started the game well and were very competitive for the first half with both teams displaying patches of dominance and control.

The Dingoes were well represented with 5 on the bench, and once we picked up a few extra injuries in the second half, it became evident that our boys were simply running out of legs. With no available bench rotations, the second half became a pretty taxing affair that saw Dingley string a series of consecutive goals late in each of the 3rd and 4th quarters.

Gochin was a standout all day and with some exceptional timing and leaping prowess, absolutely dominated the ruck position.

Whilst there were some moments of brilliance today, they were heavily skewed to the first half, and we simply weren't consistent enough for long enough.

ROUND 10

AJAX U12 MIXED COMETS LOST BY 60 POINTS

GOALS

It was exciting to be back after the break and we had a big challenge against the top side. Unfortunately we started poorly and struggled to compete in the first quarter as the opposition were more physical and outworked us. We managed to play a better brand for the next three quarters as our tackling lifted and we began to compete more in the air. We had some nice passages of play where we moved the ball well but unfortunately our poor kicking let us down on too many occasions and we couldn't capitalise on some gooball movement. Szylit fought hard all day in the ruck and was well supported by Hoppe, Zimmet and Dunne in the midfield. Michaels was solid down back and worked hard when given the chance on the ball and Goldberg provided a strong option up forward. Unfortunately we struggled to defend the opposition ball movement which put our defenders under too much pressure all day.

Another challenge awaits next week and we can't wait to see how the boys respond.

ROUND 10

AJAX U13 MIXED ROCKETS LOST BY 60 POINTS

GOALS

An away game against the ladder-leading Prahran was always going to be a tough challenge, especially with a host of players missing and a couple more hobbled by injury during the game. However, the boys should walk away from this game with their heads held high and should be proud of their performance.

With so many players missing, it was a great opportunity for some of the boys to try out different positions. In particular, Asher was a revelation in the midfield, while Toby shone as a pressure forward. Lewis' second half was outstanding and Kivi gave us great forward drive. Alfie's tackling was also a real highlight and set the tone for the team.

Although the scoreboard got away from the team, there were a lot of really positive signs, particularly in the third quarter when the team was able to even up the territory battle by going more direct by foot.

With the focus being on effort and enjoying the opportunity/challenge, the team delivered and showed real character and fight. A special thanks to Eden, Shem and Jesse for filling in and playing brilliant games.

While we walk away with a loss, this game actually showed that we are on the right track with our effort and understanding of how we want to move the ball, so we remain positive about what the team can produce in the next few rounds and beyond. Go Rockets!

AJAX U13 MIXED STARS LOST BY 8 POINTS

GOALS

GRANT, ELIJAH 4
WAJSMAN, AIDEN 2
MAC, GABE 1

A chilly 8am start saw the Stars play East Brighton at Princess Park. The Stars were still asleep when East Brighton jumped the Stars early to kick 4 opening quarter goals. An after the siren quarter time goal gave the stars some hope.

An inaccurate second quarter where the Stars will still trying to thaw out saw them keep in touch with Brighton at half time with a 3 goal deficit.

As the sun came out and the ground dried up then stars put on a clinical third quarter to kick 3.5 and kept Brighton scoreless which saw the stars in front by 6 points going into the final quarter.

An even final quarter the Stars push out to a 13 point lead and should have put the game to bed, however inaccurate kicking and lack of tackling effort allowed their opponents take control. Crucial dropped marks, poor kicking and lack of chasing in the final 3-4 minutes saw the Stars give up their lead and the game. A positive outcome was their ability to get back in the game after starting 4 goals behind early in the first quarter while only really playing 2.5 quarters of football.

The lessons learnt is that you need to be switched on from the opening bounce and play 4 competitive and solid quarters of football to win games, while basic skills errors hurt you and ultimately cost you the game.

Match Report: Ajax vs Beaumaris

With six regulars out, AJAX welcomed Arlo Smith, Benji Stiglitz, and Eli Grant as fill-ins. Beaumaris came out strong, dominating midfield in the first quarter. Despite the pressure, 50th gamer - Jobe Goldman and Seb Braun were composed down back, while Miller Janover's run gave us momentum. Arlo Smith kicked our opening goal.

The second quarter saw improvement, with Blake Carew working tirelessly and Benji Norton slotting the goal of the match. Sam Schwartz provided consistent run through the wings.

In the third term, Ajax found their rhythm. Zach Bude shut down Beaumaris' key player, and Jake Davis nailed a tough goal from the pocket. Noah Meltzer Burns nearly landed a long bomb from 55 metres.

We lifted in the final quarter, applying pressure and taking control. Rochman tackled fiercely, Carew dominated midfield, and Meltzer Burns kicked a fantastic goal. Despite missed opportunities, Ajax showed great spirit and remained competitive all game.

SOLOMON, LEVI 2
COOPER, LEVI 1
DRESDEN, NATE 1
SINGER, ITAI 1
STEINHARDT, MAX 1

It was an early 8.30AM start for the U14 Stars. There was concern from the coaching staff that the boys would not be switched on at that time in 6 degrees. However, the coaches were proven wrong as they turned up early for the warm up ready to go. After Hampton kicked the first goal the Stars got on top. The engine room of Lloyd, Grundmann, Solomon, Singer, Steinhardt and Cooper were strong across the entire game. The move of Rose and Nowoweiski down back provided some stability and they were well supported by Somerville and Lowe. The open spaces of Glenhuntly oval provided some really good opportunities for the forward line. The twin towers of Dresden and Faigenbaum provided a strong aerial performance. They were well supported at ground level by Sherr, Gerber and Goldman. Overall another solid performance by the Stars, bring on next week.

ROUND 10

AJAX U14 MIXED ROCKETS WON BY 8 POINTS

GOALS

KOWADLO, BENJI 1
WEINBERG, ISRAEL 1

After a much needed break and a chance for the very long Rockets injury list to recover, this team could still make a tilt for the finals. However, in order to send a message to the rest of the league they would have to face their toughest challenge and beat the top, undefeated team.

The first quarter was a defensive masterclass. AJAX brought some ferocious tackling pressure, despite being undersized, conceding just two behinds. Mid season recruit Rapoport dribbled home the only goal of the quarter from beyond the 50m arc, to put AJAX in the lead by 4 points at quarter time.

The game continued in the same vein in the second, as both teams defended gallantly with Ainsworth, Beebe, Kruzer and Smith repelling most forays forward, absorbing immense pressure. The midfield's work-rate was elite with Kraemer, Szentle, Jacobs and Kowadlo keeping the ball moving forward but without reward. Kol showed his worth on his return from a broken wrist and Jackers went into half time down by 1 behind.

Highett showed everyone why they're the top team quickly pulling away to a 13 point lead. But the Rockets dug in and upped the intensity with another Rapoport goal. Weinberg converted a set shot leaving AJAX trailing by 5 points at the final change.

A huddle and motivating words from the coach who told them this quarter could be season defining but irrespective, they had already played one of their best games. Right from the first bounce Melamed's fist forward sent all the momentum AJAX's way. And it was the debutant Rapoport and his off-sider Weinberg who scored the only two goals of the quarter. A well rounded team effort with special moments from Nachmias, Kestle, Weinstein and New who all contributed to a memorable 8-point win.

ROUND 10

AJAX U15 BOYS JETS LOST BY 40 POINTS

GOALS

Returning from the break, the Jets were full of energy and optimism as we prepared for a challenging game against Mordi Brae. With a decimated team due to injury and holidays, we were on the back foot from the start and a few early injuries added to our problems.

Despite our opposition having the upper hand, we kept ourselves in the contest and stayed in the hunt for most of the game. Ultimately, we didn't have enough weapons to overcome the opponent seeing us go down by 40 points.

We had 2 fill ins from the U14 Stars, Amos and Itai, both were fantastic for us and huge credit to them for helping us out. Despite the defeat, Nossi's pressure did not relent once throughout the game winning numerous free kicks and laying hard tackles. Likewise Nate battled hard for 4 quarters and kept on running even without any interchange.

The Jets will regroup and prepare for another challenging game against St Kilda this Sunday.

AJAX U15 BOYS COMETS LOST BY 45 POINTS

GOALS

ERETZ, ZEV 2
WROBEL, NICHOLAS 1

Returning from the mid-season break, the Comets were challenged to swap holiday comforts for competitive edge. It was clear from the outset that the boys arrived ready to rise to that call. Coaches were eager to see a response built on hunger, intent, and a commitment to improve.

Taking on East Sandringham Rovers at Glen Huntly Park, the Comets started with the right mindset. The focus was crucial, to take control early by applying pressure, locking the ball in our forward half, playing the game on our terms. We'd seen great structure in our backline before the break, and the challenge is to replicate that discipline up forward, keeping the ball locked inside our 50 and backs in front.

However, the story of the day came down to one word, RUN. Our effort without the ball was strong, but too often we were caught flat-footed. The proactive movement, those selfless runs into space to support both attack and defence were missing at key moments, and that lack of sustained effort over the 80 minutes cost us in the end.

There were still plenty of positives to take away. Our skipper led from the front with passion and grit, ably backed by standout efforts from Sheff, Liam, Nico, Sunny, and Ethan. Down back, Rooster and Maxy stood tall under pressure, keeping us in the contest for as long as possible. Their resilience was a highlight.

Ultimately, we didn't get the result we wanted. But with five rounds remaining in the home and away season, everything is still in front of us. Finals are well within reach but only if we continue to believe in our system, trust one another, and keep striving to be the team that to beat.

Let's stick together, stay hungry, and get back to work at training.

AJAX U15 GIRLS COMETS LOST BY 48 POINTS

GOALS

SCHACHNA, AVA 1

After a couple of weeks off, relaxed and rejuvenated from holidays, the girls came out firing. They played an incredible game, full of heart, determination, and teamwork from the first bounce to the final siren. They never stopped pushing, going again and again with huge effort and spirit. Shachna set the tone early, kicking a goal within minutes, while Lewis led the way with non-stop efforts and intensity! Friedman ran until her very last breath (we're still not sure if she's stopped yet). Dodge fought hard throughout the game with fearless tackles that earned the crowd's cheers. Team-first attitudes were everywhere, Kolliner worked through an injury, and Borenstein stood up in new positions. Israelsohn was everywhere at once, winning the ball like it had her name on it, while Gunn and Lyons showed the team what 1 percenters are all about. Lewinsohn laid massive tackles and sent big kicks down the field. Gold read the game precisely with clever positioning. Seligmann and Varker fought hard and took on the role of second efforts and sticking on their players. Mensch of the Week went to a very deserving Hirsch, for her great commitment, effort, and communication. A huge thank you to Sztar and Carroll from the U13s for stepping up, you were both awesome! Carroll stopped goals one after another, while Sztar was a running machine in the midfield and created space as a forward. Each and every girl played with courage, teamwork, and strength. Sometimes the scoreboard doesn't tell the full story. This game was packed with effort and heart from start to finish. Well done, girls! Bring that same fire to the next one.

Great outing for the boys again as they into a bye for a next week.

We celebrated the 100th game milestones for Harper Smorgon and Archie Kalb, both boys kicked incredible goals to lift the group in the early and late stages of the game.

SMDJFC pushed us in the first quarter with the quick ball movement as they tried to push forward off each turnover.

The boys responded defensively the next quarter as SMDJFC were goalless for the first half.

The energy and excitement of our ball movement and defensive efforts kept us in shape throughout the whole game.

The boys now head off into the bye and have set themselves up for a big backend of the season

GOALS

TRAYER, JESSE 4
1
CASTELAN, EDEN 1
GELBART, TOBY 1
GORDON, ARI 1
YOUNGER, ARI 1

The U17.5 AJAX Stars hosted Ormond at Princes Park to recommence the season after a few weeks off during the mid-year.

During the break, we all got together to discuss where we were at in the season, what was going well, what wasn't and what we wanted to commit to for the remainder of the season. The boys accepted a few difficult challenges, but they knew that if they stuck to their goals, their efforts would be rewarded accordingly.

Pregame, the goals were set amongst the boys that we would aim to emulate some new looks that we have been working on in training, as well as being disciplined, backing yourself in to a contest, effort levels and taking the short kicks where possible.

Showily, the boys put together an amazing 4-quarter performance against Ormond in a must-win match with hopes for finals, with the final score being 68-25. A comprehensive win against a flashy opponent who capitalised well on minimal opportunities reshapes the season and puts AJAX well and truly in the running for a position in the finals.

Special mention for Ari Younger, who was introduced into the leadership squad this week after his performances, attitude and effort in the first half of the season.

I could not be prouder of the boys. It was truly an eye-opening experience watching every single player play the role they were designated, and to see everything come together when we needed it the most was extremely rewarding for all of the boys, parents and coaches.

Next week we face top of the table St Bedes away, and the boys will prep well at training this week and continue buying into the processes that we have all agreed on to test ourselves against the league's best.

KAHN, JAYDEN 1

The Ajax U18 Rockets came out victorious in a convincing win. Despite leading at every break, the first half of football was sub-par compared to what this group knows it's capable of producing. The pressure, effort and heat around the contest was present which is the most important thing however the execution was poor. A lot of dump kicking, rushed play and bad decision making resulted in the scoreboard being much closer than it should have been considering the territory and dominance we maintained around the ground. Jarrah had a best on ground performance in his return game whilst James Degan and Adam Parasol played arguably the best games of their season in their 100th game. A special thanks to Toby Gelbart, Benji Rostkier and Ethan Millman for filling in for us, who were all pivotal in us getting the victory. Overall it was a scrappy affair, definitely correlating to the amount of people we had show up to training over the past couple weeks. It's understandable given Year 12, but we aim to get as good as possible numbers for the rest of the year and attack the rest of the year to lock in a top 4 position. It was an important victory which elevated us to 3rd on the ladder.

AJAX U18 GIRLS COMETS LOST BY 50 POINTS

GOALS

1
HERMANN, TAHLIA 1
KANEVSKY, MIA 1
MALETSKY, MISCHA 1

The sun was shining as the Jackas came out to play against the ladder leaders St Kilda City. The girls started with lots of intensity and showed that they were fully committed to the contest ahead. It was a tight game before the Saints linked up for a couple of easy goals, but this only spurred the Jackas to tackle harder, run faster and show the supportive crowd a bit of magic of their own with 2 quick goals to Siena and Tahlia, keeping us within reach at the half. The Saints had plenty of opportunities in the 2nd half to score but relentless pressure from Mia K on the goal line must have frustrated the opposition to no end. Only 2 late goals to the opposition made the scoreboard appear generous to them but it was a tight and hard fought game of footy out there that the Jackas girls were well and truly up to. Taking on the contest and attacking the ball was a theme today and this could be seen all over the ground. Asha crashing packs, Meirav sticking tackles, Gypsy reading loose balls, Tahlia intercepting at every chance and Siena showing her silky skills - every effort acknowledged and cheered on. Jade Swart ran through the banner before the game to celebrate her 50 game milestone but today was also a great team effort all around and another great step in the team's progression.
