Season 2026

Round 4

U8 - ROCKETS

VS

Hampton Rovers U8 Mixed GREEN

COACHES CORNER

MATCH REPORT

On a beautiful Melbourne autumn morning, our Rockets took to the field and treated everyone, especially the incredible mums cheering on the sidelines to a wonderful display. Matched up against a very strong and evenly matched side, the boys rose to the occasion and produced one of their best performances of the season. It was exciting to watch so many of the skills and strategies we've been working hard on at training come to life in the game, with the pressure the boys applied and their teamwork throughout was absolutely outstanding. The goal celebrations dedicated to the mums had everyone smiling from ear to ear! The coaching team couldn't be prouder of the Rockets.

U8 - SHARKS

VS

East Malvern U8 Mixed CARROLL

COACHES CORNER

"Play hard, have fun, and
back your teammates every
step of the way."

MATCH REPORT

Round 4 saw the boys return from the bye full of enthusiasm and desperation at the contest against a bigger and equally skilful East Malvern outfit. From the opening bounce, the Jackas brought relentless pressure and intensity, refusing to take a backward step all game. It was the team's tackling and pressure acts that proved the difference, with the boys keeping the ball locked inside the forward zone for the majority of the match. Once again, it was fantastic to see such an even contribution across the team, with 6 different goal scorers hitting the scoreboard. There were also a number of really clean chains of play throughout the game, highlighting how much the group are developing their teamwork, ball movement, and confidence with each passing week. The effort, energy, and willingness to compete for one another was outstanding to watch. Another great performance from the Jackas, and we are already looking forward to next week!

COACHES CORNER

"Team work is the best work.
Great tackling and pressure!"

MATCH REPORT

Rnd 4 - u9 Rockets vs South Melbourne Tyshing
A great way to spend mothers day in the sun and cheering on the Rockets at home. The Rockets were sensational in their efforts and team work. Some very impressive goals through the game all by working together as a team and looking for easy passes. Our defence stood strong all day, constantly rebounding the ball through the midfield. The pressure gauge was high all day, keeping the parents on their toes and encouraging from the sidelines. scores were pretty much level the whole game - kicking point for point or goal for goal. unfortunately, South Melbourne were able to kick a few late goals to end the match. All round it was a great effort by the Rockets as we constantly grow as a team.

U9 - SHARKS

VS

E Brighton Vampires U9 Mixed TRIOLO

COACHES CORNER

"Tackling creates pressure!"

MATCH REPORT

After bouncing back strongly last week, the Sharks made the trip down to East Brighton to take on the Vampires for the very first time – and what followed was something truly special. The boys arrived ready, and from the first bounce it was clear this was going to be a game to remember. In fact, it's hard not to say it out loud: this was without a doubt the best game of Under 9s footy ever played. The pressure and tackling throughout the entire match was the best we have ever produced – relentless, fierce, and sustained across four quarters. Neither side gave an inch, with each team trading goals in what was a genuinely thrilling contest from start to finish. The toughness and fight shown by every single player was a credit to the work this group has put in all season. What made today so remarkable was just how even the performance was across the board. Every player on the park played out of their skin – no weak links, no passengers, just a complete team effort from the first siren to the last. That kind of collective performance is rare, and it's a sign of something very exciting building within this group. This is a performance that will be talked about for a long time. The Sharks have shown that when they bring this level of intensity, skill, and hunger, they are an incredibly difficult team to stop. If we can hold onto this form and keep building on it, this group will be unstoppable. The belief is real – and we cannot wait to see what comes next. See you next week, Sharks! 🦈

U9 - STARS

VS

East Malvern U9 Mixed HIGGINS

COACHES CORNER

"Get It - Kick it!"

MATCH REPORT

On a fantastic day for footy, the AJAX U9 Stars played an away game against East Malvern. The boys put in their best 4 qtr performance of the year, winning every quarter and comfortably overcoming a solid opposition. Footy flowed end to end with chain handballs, long kicks, and great tackling. Particularly impressive was the selflessness of all players who had to all rotate off the bench due to a shortage of opposition team members. A fantastic day out watched by many mums and bubbas. Go Jackas!

U10 GIRLS - JACKETTES

VS

East Malvern U10 Girls LAING

COACHES CORNER

MATCH REPORT

It was a fantastic morning for our girls, made even more special as the team celebrated Mother's Day with families cheering from the sidelines. The girls continue to improve every week, showing more confidence around the contest and working hard to move the ball with handballs and kicks. It has been great to see the friendships within the team continue to grow, with the girls constantly encouraging and supporting each other throughout the game. Each quarter, the girls were given a new team goal to focus on, and every single quarter, they rose to the challenge with more and more enthusiasm. It was amazing to watch them listen, learn, and then put those goals into action on the field. The support for one another was incredible, with the girls cheering each other on after every great effort and encouraging teammates to repeat the strong plays they had successfully achieved. Their tackling, marking, positioning, and teamwork are all continuing to develop, and every player showed great effort and determination right until the final siren. Most importantly, the girls kept their positive attitude and never stopped trying. So proud of our girls and the way they continue to support and encourage one another every week. Go girls!

HARVEY

COACHES: JOSH FRYDENBERG, MARK BENKEL, ELIOT SILMAN

U10 - SHARKS

VS

Beaumaris U10 Mixed SHARKS

COACHES CORNER

"Train hard play hard"

MATCH REPORT

Have I missed anyone? All ok? Lacing the boots up to play away in Beaumaris is one thing but it's quite another to miss Mother's Day lunch at the same time. The midday kickoff was not ideal but it certainly did not deter our players. The Sharks came out firing on all cylinders peppering the big sticks with successive goals in the first term. The second quarter also saw plenty of scoring opportunities. Captains Frydenberg and Kolliner led from the front, revving up the boys and they weren't let down. Gomo was courageous marking and kicking strongly, so too Snow who played like a man possessed. The mid week training drills sharpened the handballs as Benkel, Gestener and Freilich all had plenty of the ball. Lipp was superb in the back line where he partnered with Marcus, Wibawa and Wajsman to form a human wall and repel opposition attacks. Fried was his reliable self in the middle and together with the tireless and brave Silman shared the ruck work. Jankie was very strong all day burrowing into the packs and kicking it long. When the ball went into our forward line Noah Binstock was there to find the goals so too Gestetner and with Barber kept the pressure on. Kirshenbaum didn't stop trying all day and alongside Josh Binstock was very handy. After the orange break at half times the boys kept up the tempo with Brand kicking a great goal while Snow got a nasty knock. But Snow is no flake and he was quick to bounce back and support his mates. All in all it was a great effort from the Sharks who were missing Bechler and Segal (no they didn't prioritise their mums!) and their return will bolster the ranks. The Sunday sun is not even set and I am looking forward to next week and watching the Sharks who are improving with every game.

U10 - STARS

VS

East Malvern U10 Mixed REEVES

COACHES CORNER

"Thanks Mum!"

MATCH REPORT

Sunday saw us host our first home game in front of some very proud mums for Mother's Day against a team already fast becoming traditional rivals in East Malvern. We got off to a flying start with contest and hard running evident across the lines. Blankfield controlled the defensive midfield while Efraim G and Sahar dominated the centre driving the ball forward to tall target Coby G with Spektor at his feet being rewarded with a sharp goal from the square. Klinger also snapped truly while Joseph enjoyed his best output of the year as he showed quick hands. Down back, Grynberg and Feutrill worked well together to repel their entries while Dreyfus showed courage and exquisite foot skills to get the ball moving. With scoring to the shallow end of the ground a lot easier than the other, we went into the break evenly poised. The third saw the injection of Lipson into the midfield where he and Perlman dominated. Lewis and Chaiton showed some real hardness to get the ball forward where Korbl took some strong marks. Ariel G laid hard tackles to keep it in our forward line while Sahar put two on the board. Into the last, we were up for the fight with Siton dominant down back and Jonah G. tackling boys twice his size with great strength. Schwartz took a towering mark and converted - keeping us close but we ran out of time to go down in a no result game. The coaches could not have been prouder of the boy's 4 quarter effort showing just how far they have come. Every single player had a moment in this game and it's so pleasing to see the way the team is coming together. Onto next week!

MATCH REPORT

Playing the top of the table Saints was always going to be a challenge. However our Rockets had earned the right to have a shot at the title, with exceptional form leading in. And we were glad to do so on our home turf, in the afternoon, in perfect conditions for footy. While our start was solid, with the midfield halving the territory battle and creating opportunities for the forwards, the Saints were more efficient going forward and took a 4 goal lead into the break. Captain Sack started brilliantly, using his pace and contest work to break lines and transition the ball forward while flying for everything that came near him. The second quarter was an arm wrestle, as both sides showed their skills with impressive passages of play and sensational transition work. Captain #2 Israel moved into the ruck and gave his absolute all, running hard both ways and bringing his teammates into the game with his tapwork and contest. While we were 5 goals down, the Rockets were matching it with a strong team in every facet of the game. An impressive aspect to our game was the even performance across the board. Every player brought something to the team and made a contribution. Captain #3 Kamien was everywhere, switching between ruck, full forward and a stint down back. His increasing versatility is a real asset to the team and he always brings his teammates into the game with his contest work. Ultimately the scoreboard at the end showed a ~10 goal loss but the Rockets continue to improve and now know what the league's benchmark team looks like. A show of support from Saints coach Matt Healey for the 'Aussie JCOM was a nice touch to end the match

RAMLER, EDEN

MATCH REPORT

In the annual Mother's day Classic, the Sharks returned to the home of footy, Princes Park, for the first time this season, to face Caulfield Bears in the matinee game. The Sharks took the contest to the Bears early, our midfield getting on top of clearances and winning one-on-ones to gain the ascendancy. Asher Dzienciol was a constant threat up forward, finding the open spaces and kicking goals from set-shots and open play. Despite the early dominance though, the Bears managed to swing the momentum their way, with the Sharks finding themselves caught out of position in the backline to let through a few cheap goals, and going into half-time were down by a couple of majors. At the main break the Sharks were challenged to take it up a notch for the mums, and they delivered in spades. Captain Ramler led from the front, intercepting off the half-back line and providing run and carry down the wing. The midfield engine got moving again, with Lamm, Carroll, Majman and Gabizon all talismanic, providing the grunt at stoppage, linking up to charge through the corridor to ensure repeat forward entries. But this was a full team effort, made up of dozens of game-changing, game-breaking moments. There were goal saving defensive moments, like Shulman and Voskoboinik's critical marks on the last line of defence, Herbst's intercept-after-intercept, and massive tackles across the board, including Golshevsky's electrifying run-down tackle on the wing. There were unforgettable moments in our forward line, with Gejubini outbodying opponents and marking everything, and Holcdorf barging through the centre to find Dzienciol in the goal square at long range. All in all, an unbelievable team effort, with too many contributors to individually name. The boys made their coaches proud, their community proud, and most of all, their mums proud!!

MATCH REPORT

Round 4 took the Stars to Highett Reserve where the centre square resembled less of a football field and more of a mud wrestling competition. The conditions were tough, the contest fierce, and the Stars faced their biggest challenge yet against a strong and organised Bulldogs outfit. And to the boys' credit - they were right in the fight. The opening quarter set the tone for the day. The Bulldogs controlled territory early but the Stars defended bravely, restricting them to four behinds. At the other end, the Stars made their chance count with a terrific goal to take a narrow lead into quarter time. Led superbly by captains James Helfenbaum and Barnaby Gauvin, the Stars brought pressure, energy and toughness all day. The Bulldogs managed two goals in the second quarter to edge ahead, but the Stars continued to scrap, tackle and compete fiercely around the contest. The third quarter showcased just how much this group is improving. Highett spent long periods camped inside their forward 50, but the Stars' pressure, corralling and harassment forced repeated rushed shots at goal. Point after point was kicked under pressure as the boys refused to give in. While the final quarter eventually slipped away with a couple of late Bulldogs goals, the scoreboard slightly flattered the opposition. But make no mistake - this was the Stars' best team performance of the season so far. The signs are everywhere now: - harder tackling - cleaner marking - smarter ball movement - and players beginning to trust both each other and The Stars Smart Zones system. The consistency will come. And when it does... this group is going to be very hard to play against. Go Stars.

MATCH REPORT

Just like our mothers like to sleep in on Mother's Day, it would seem so too do our Jackettes. Despite a 10.30am kick off, our girls looked fast asleep to begin with. Minimal energy. Minimal enthusiasm. Minimal interest. Whilst Millie and Scarlett turned up with intensity and a hunger for the contest, the rest of their teammates were more interested singing medleys on the side and patting puppy dogs on the field. Whilst the dogs were cute, and our singing efforts in sync and worthy of a Grammy, unfortunately our football was lacking. It was frustrating to say the least. As the photos circulating on our whatsapp group chat showed, one of the coaches was pulling his hair out watching these girls. But with mum watching on, and a ¼ time rev up by the coaches, the girls finally broke the shackles and exploded in the final quarter. They tackled, they chased, they kicked goals, they were alive. They would have stolen the match from the opposition had the game gone for a few minutes longer such was the intensity with which they were finishing. It was a beautiful to watch if someone knows how to bottle that last quarter so the girls can repeat that each and every week for each and every quarter please let us coaches know. We'd be unbeatable if they played like that for 60 minutes

MATCH REPORT

A tough day out at JL Murphy. After a good preparation week, the Falcons met a relentless Colts outfit with a number of opposition players hungry to stamp their authority and get the Colts first win of the season which they did in style. The Falcons boys tried but were unable to match it on the day. Sochen tried his guts out in the ruck against 'Gawny' and nullified his influence after quarter time. Kotlyar didn't stop trying, Trepper put in his best performance of the season. Onas ran all day and was on the receiving end of some tough play but continued on. The backline were under siege but the likes of Silver, McGregor, Buch and Morley never gave in. We'll rest and go again.

MATCH REPORT

The early morning dew still clung to the grass at East Caulfield Reserve, but that did little to dampen the energy surrounding the Ajax Under 12 Jets ahead of their clash with Mordibrae. The mothers arrived in force on the sidelines, creating a strong atmosphere before the opening bounce, as Keren Levin delivered a passionate pre-game address that reminded the Jets of the real driving force behind their recent success - their mothers! From the outset, the Jets established control through fierce contested football. Jolson, Dickman, Ong and Davis attacked every loose ball with intent and gave Ajax first use through the middle of the ground. Their pressure and toughness set the tone for a dominant first half performance. Raksin was given licence to push high up the field and made the most of his pace and attacking flair. His hard running resulted in two trademark goals that electrified teammates and supporters alike. Profus also proved dangerous inside forward 50, finishing with two first-half majors after strong leading patterns and clever positioning around goal. However, the standout target up forward was Slade-Jacobson, who proved impossible for the Mordibrae defence to contain. Strong overhead and clinical in front of goal, he booted four majors and provided the Jets with a constant focal point throughout the match. After halftime, Chester and Rath lifted again through the midfield as Mordibrae increased their intensity. In defence, Levin, Epstein and Azoulay remained composed under pressure and continually repelled attacking moves. Despite a stronger second half from Mordibrae, the Jets were simply too polished, running away with another resounding victory.

MATCH REPORT

A big ground and ideal weather conditions proved the perfect tonic for the Comets, who were determined to avenge last week's disappointment in a Mother's Day clash against Brighton Beach. It's fair to say the opposition didn't see what was coming as the Comets piled on 4 opening-quarter goals, which came off the back of some scintillating passages of play and slick ball movement. Isaacs, celebrating his 50th game, opened the account with the first goal of the game and finished with 2 for the quarter. Kagan - who was terrific all day - and Raleigh went to work early through the middle of the ground, while Friedman and Appel both dominated their respective wings and provided great run and drive. It was much of the same in Q2, with Samowitz setting the tone in the ruck with his follow-up work around the ground. The trio of Janover, Schwartz and Godleweicz formed a fortress-like wall across half-back while also generating plenty of run. They were well supported by Perlman and Granek with their disciplined spoiling efforts, as well as by Gelbart, who is starting to look right at home down back with his second and third efforts and hardness at the contest. Bluestein produced a big second half and looked unstoppable at times as he broke away from numerous packs. Beebe was also strong up forward in the second half, while Stub finished the game brilliantly with a big last quarter. Joffe has started to find his groove and produced another solid display, particularly through the midfield. Lewski also had his most impactful game of the season to date, finishing with 3 goals and several other score involvements.

MATCH REPORT

The Falcons entered strong favourites against the winless Hawks and started well, but unfortunately wasted a few early chances to convert. The midfield, led by Krite and Gunn were winning the ball well, giving Nowoweiski plenty of chances - his second goal of the term a highlight. Harvey Harris and Landau are proving consistent performers - always prepared to roll up their sleeves, providing Balter with lots of the ball of the wing. Gunn kicked his second, and Swart slotted a clever goal to give Ajax a 26 point lead at half time. Izzy Newman blew the game open in the 3rd term showing his strength out of the middle, and with help from defenders Levy and Kanevsky the Falcons rebounded every attempt from the Hawks. Playing last man in defence Rubenstein had a great quarter, and the Hawks were held scoreless. The last quarter was a genuine team effort, plenty of strong signs for weeks to come, with all the boys getting their hands on the ball and kicking away for a comfortable victory.

MATCH REPORT

The Ajax Jets took on the Caulfield bears at Princes Park in our last game of grading where we unfortunately couldn't pull away with the win. Despite the discouraging margin, the boys gave it their all, keeping their heads high and intensity at a max throughout the game. Being the last game of grading and a pretty clear mismatch, the boy's hearts were really on display. We saw a lot of strong will and courage even despite the circumstances, but we also saw a lot the players can work on both as a team and individually. Round 1's going to be a huge moment for the team to set the standard for the rest of the season and see we (players and coaches) will progress together. It's going to be a big training to get ready to tackle the season. Go Jackas.

It was always going to be a tough ask coming up against a team that belongs one or two divisions above us. However, the boys can be proud of their efforts in the first three quarters, with our defensive intent evident. There were some really good individual moments, including Kivi's goal, Benji's contested marking, Micah's tackling, Koby's defensive spoil on a much bigger opponent and Gabe's aerial contest against three opponents. We can take a lot of positives out of the match and also a lot of learnings from the way Dingley moved the ball with purpose into their forward line. Overall, it has been a really positive grading period and we have learnt a lot about the capability of the team. Bring on next week!

MATCH REPORT

Osher Ben Zur's 50th game for the AJAX Comets had everyone excited before the first bounce, but it was Prahran who came out firing early with two quick goals to put the pressure on. AJAX responded well through the hard work of Charlie Burman in the middle, while Blake Carew lifted the crowd with an absolute belter of a goal to swing the momentum back our way and keep the Comets right in the contest at quarter time. In the second quarter AJAX took the ascendancy. Jagger Jolson and Jake Davis began combining brilliantly in the forward line, creating plenty of opportunities and putting Prahran under pressure. Ness Page was outstanding all day and added a terrific goal while resting forward to cap off a strong quarter for the Comets. The third quarter was an arm wrestle with both sides evenly matched. Sam Schwartz and Saul Szentel stood tall with their toughness and work rate, while Levi Teperman and Gabriel Ben David were again superb in the backline. Eli Grant snapped a fantastic goal from the pocket before Osher kicked a memorable goal in his 50th game to give AJAX the lead. However the goal of the day involved a string of clean passes from the centre of the ground starting with Davis to Norton, Norton to Jolson, Jolson to Gordon and Gordon to Noah Bensky who ran into an open goal. Unfortunately, three late behinds hurt the Comets as Prahran finished strongly with two final-quarter goals. Despite the loss, the boys never dropped their heads and competed right until the final siren. Well done Comets!

MATCH REPORT

Round 4 presented our hardest challenge yet of the season, playing the reigning Division 3 Premiers, St Bedes / Mentone. We knew this game was likely to be beyond us, but we went in with intent and a goal to put up a fight. With only 17 players on the team sheet, our intensity and effort in the 1st quarter was incredible and we put up a really strong contest early on. We were led by massive efforts from Max Raleigh and Benji Kowadlo, and again Judah was huge down back. With a couple nice goals from Izzy, we kept our margin below the previous weeks. The Jets are ready for the reset with the end of grading, and are looking forward to setting our sights on the rest of the season.

U15 Comets Produce Stunning Comeback Win
The Under 15 Comets pulled off a remarkable comeback against Beaumaris Sharks, fighting back from 33 points down at half time to record a thrilling 4-point victory. The second-half turnaround was built on belief, pressure, and outstanding teamwork, with the Comets taking control of the contest and finishing strongly in a memorable win. Ber Vorchheimer played an outstanding game, providing an important link between the midfield and forward line while also hitting the scoreboard. Captain Noah Blustein led from the front, taking on the challenge of shutting down Beaumaris' best player in the second half and dominating the matchup while still having a major impact himself. Charlie Pack was a commanding presence, marking everything that came his way and influencing the game around the ground. A move sending Kobi Borowski forward proved a masterstroke, with Kobi kicking crucial goals that helped change the momentum of the match. Another brilliant team performance by the Comets, showing resilience, courage, and great belief in each other.

MATCH REPORT

Ajax u15's clash saw our girls take on Beaumaris, after a fantastic week on the track. From the opening bounce, Beaumaris brought the heat. Their ability to outnumber us around the contest and spread hard across the ground gave them the early momentum, which showed on the scoreboard throughout the first half. While the opposition were able to play the game on their terms early, our girls never stopped competing. At half time, the message was simple - keep backing each other in, work harder around the contest and trust the way we want to play. The response from the girls in the second half was unbelievable. From the very first bounce after the break, the girls came out with fire in their bellies. Our pressure around the ball lifted instantly and our set-up around the ground began to really trouble the opposition. The girls attacked every contest with intent, worked hard defensively and started moving the ball with much more confidence and purpose. It was a half full of grit, resilience and teamwork. Raph topped off a fantastic whole-team performance with two classy goals that gave the girls and supporters plenty to cheer about. Captain Aria stood up when the team needed leadership most, leading by example with her attack on the footy and voice around the ground. Ella and Ava were enormous in defence, continually putting their bodies on the line, spoiling strongly and helping steady the team under pressure. There were also countless small moments across the game that showed the growth of this group. While the scoreboard may not have reflected the effort for the entire game, the second half proved exactly what this group is capable of when we play brave, selfless football. Although it wasn't the result we were chasing, the game was a true testament to the character of our girls. Games like this are important for growth, and the lessons we take away will only make this team stronger moving forward. We can't wait to see the girls bring the same energy into another big week on the track.

MATCH REPORT

Tough competition today but we showed at times what we can do. We will sound like a broken record but we must stay accountable and man up. Our backline was under pressure all day and there were touches of class led by Asher E, Asher C, Zac and Ariel. The midfield started to get on top in the 2nd half. Nadav and Omri ran all day, Nate and Harley led from the front and Nossi trying something new in the 4th showed some class. On the wing Ben and Ruben competed although outsized and Toby D showed some run outside of his forward position. The ball movement down the ground showed glimpses of how we wanted to play. Next week is round one. Let's make sure we bring it.

MATCH REPORT

With plenty to celebrate on the day, the 16s boys had a hard fought win against east sandy. Our opponents were strong in all quarters but our boys found a way to over come each challenge and run out 6 goal winners. The opposition coach remarked at the end of the day that our boys run and carry was brilliant. This is something they have done well in the year to date, led by Liam who was polished and smart, finishing with 3 goals. Zev was awesome on the opposite wing, showing great run both to our forward line and in defence. Gabe gave our mids best use and positioned well. Our leaders Zac and Lenny have given us great drive forward, both kicking with lots of penetration. Polly has given us a great target at half forward and Rocky ate up his role as a forward with super glue on his hands. We have improvement to come in slowing the opponents ball movement when turned over, but the boys chipped away with this throughout the game. Tsvi had a crafty over the head handball to clear defence. Sam ran from behind all day and finished a great passage of play with a goal. We had the rock of Rooster at FB who is in the running for the golden fist award! It was special to see the boys proud of their performance and as a final mark of class for the day, had roses and cup cakes ready in the rooms for the mums to celebrate the win together!

MATCH REPORT

One last free hit for grading before we went into the regular season. We went into the game extremely undermanned with 4 of our key players out, leaving just 1 sub on the bench. Despite this, we flew out to an early lead, kicking the first 6 of the game and absolutely showing how damaging our best football can be. Jordan Ritterman returned for his first game of the season to take over in the ruck, and his impact could not have been more pronounced. Opting to play with a splint on his broken finger, he worked tirelessly all day, dominating the midfield and earning the Mothers day Medal. Just before half-time, we lost our way and allowed the Hawks to come back and kick 4 goals in the last 6 minutes, opening the door for them to stay in the game. This left us with just a 2-goal lead at halftime and plenty of work left to do. Our forward craft was exciting, especially between Hugo Waisman and Asher Widmonte, who both hit the scoreboard in important moments. The midfield core also involved themselves up forward with goals coming from Hugo Kolliner, Jordan Suss and Zac Linnow. The group came into 3 quarter time down by 9 points, knowing this game was truly in the balance and more than winnable. We dominated around the ground with the ball living in our forward 50 for the vast majority of the quarter. We kicked a pivotal goal late, which brought it back to 1 straight kick; however couldn't take our chances at the end, along with some tough moments, including an injury to a Hawks player draining the clock down and a 4-point loss handed to us. Our defensive core was pivotal and ensured that we were in the game all day long, with Dean Waters, Omer Getz and Aviel Ben Salamon standing tall throughout the game. We start the real season now, knowing that our best football is more than capable of winning games. We have a long road ahead, but this first month of grading has done nothing but increase my belief in this team being capable of making finals and being involved in the pointy end of the season.

MATCH REPORT

The U17.5 Jets travelled to E.E. Gunn Reserve to play Ormond for the last round of grading. Coming in off a 1-2 record, the boys were determined to get to 2-2 and head into the season with a momentum building win. Through the week, the boys had been put to the task of a run outside of training and a heavy focus on skill work with the aim of fixing some holes in the team and putting us in the best position to win. Coming out the gates hot, the boys got to a good lead at quarter time and then built on that in the second quarter. Going into halftime up 41-10, the boys were more determined to build on that with an inaccurate 5.11 at the main break. From there, the boys held steady to win the game 78-44. A good win against a team likely to be in our division was just what the boys needed, seeing the hard work they have put in so far leading to a good result to close the grading period. The boys look forward to seeing where they are placed post grading and getting into the season.

MATCH REPORT

The U17.5 Rockets lost their first game of the year today against an impressive Prahran outfit. We had a poor start to the game and gave up 7 of the first 8 goals. We weren't able to bring it back to any closer than a 2-goal margin and the mountain that we created for ourselves to climb due to bad disposal and decision making ended up being too large. We demanded a lift from our boys on the pressure and intensity side of things at half-time and they responded with a 46 point quarter, demonstrating how devastating our best footy can be. Look forward to getting stuck into the real season.

MATCH REPORT

Very proud of the boys. A competitive outing for what will be great battles to watch throughout the year against Beauy. Our fwd took their opportunities when required, the game became congested late but we the boys held their own in contests to drive and get our handball game going. They scored a lot late from D50 transition and we got caught ball watching and in between arcs, as fatigue kicked in for us. The boys showed maturity if their ball movement, switching between territory and slow build up plays. Now, we work on our ability to move the ball clean from congestion and open up the ground. Exciting times ahead after a strong grading period.

MATCH REPORT

The girls came out firing from the first bounce, determined to prove ourselves, and we certainly did that. Our first half was full of intensity and pressure as we attacked the contest hard, moved the ball well and were able to put some scoreboard pressure on early. Just as importantly, we defended strongly and protected our lead heading into the second half. The third term saw a lapse that allowed the opposition to fight their way back into the game and take the lead, but the response from the girls was outstanding. We kept competing right until the final siren and were able to capitalise on some fantastic passages of play in the last quarter to regain momentum and secure a well-earned win. Super impressed with the effort, resilience and fight the girls showed all day. There were plenty of standout performances across the ground. Siena fought all day, running her backside off and continually getting herself into dangerous positions. Tahlia once again did exactly what the team needed from her no matter where she was thrown on the field. Lily provided a strong target up forward and was rewarded with a goal, while Gypsy and Mirav controlled the midfield with their work around the contest. Down back, Jade was an absolute brick wall in defence, and Annabel laid some incredibly important tackles at crucial moments. A fantastic team effort and a win the girls should be really proud of.
